SUMMARY

This bill allows a sheriff, local law enforcement officer or animal control officer to determine whether a dog is a dangerous dog and requires the court to take that determination into account when making a decision regarding a dangerous dog. It requires the sheriff, local law enforcement officer or animal control officer who determines a dog to be dangerous to apply for an ex parte order to take possession of the dog. It removes the option of the court's allowing the owner or keeper of a dangerous dog 1 to keep the dog and requires the court either to order the dog confined at a governmental 2 facility or at a local humane society or similar nongovernmental organization or to order 3 the dog euthanized. It also adds to the law regarding ordering a dog's euthanasia that the 4 dog must be euthanized if it killed, maimed or inflicted serious bodily injury upon a 5 domesticated animal.
