**SUMMARY**

This amendment is the minority report of the committee. The bill directs the creation of resentencing units in the Office of the Attorney General as well as in each district attorney's office. This amendment instead directs the establishment of just one resentencing unit in the Office of the Attorney General to review and make recommendations to the Attorney General about cases prosecuted by district attorneys' offices as well as the Office of the Attorney General. Because the resentencing unit will be located within the Office of the Attorney General, this amendment reallocates the statutory language to the statutes governing the Attorney General and corrects cross-references. The amendment also adds an appropriations and allocations section.
