15 **SUMMARY**

16 This amendment, which is the majority report of the committee, replaces the bill. It
17 requires the Director of the Maine Center for Disease Control and Prevention within the
18 Department of Health and Human Services to annually report on public health data
19 concerning firearm fatalities separated by homicides, including the number of domestic
20 violence homicides, suicides and unintentional discharges, further separated by the ages of
21 the victims of each category, and hospitalizations that occurred as a result of a firearm that
22 did not result in death and to make the report publicly available. It directs the
23 Commissioner of Public Safety, the Office of Chief Medical Examiner, the Office of the
24 Attorney General and the Maine Health Data Organization to assist the director with the
25 required data collection. It also adds unintentional and intentional firearm discharges as a
26 type of category of data contained in uniform crime reports required by the Department of
27 Public Safety, State Bureau of Identification.
