1 C. Reporting by January 15, ~~2011~~ 2018 and every 2 years annually thereafter at the
2 start of the first regular session of the Legislature to the Governor, the Legislative
3 Council and the one or more joint standing committees of the Legislature having
4 jurisdiction over health, human services, taxation and education matters on the
5 activities and accomplishments of the ~~council~~ Maine Children's Growth Council and
6 its long-term plan for investment in the healthy development of young children, and
7 issuing such other reports as the ~~council~~ Maine Children's Growth Council
8 determines to be appropriate. The annual report must include, but is not limited to:

9 (1) A description of the involvement of each state agency listed in section 24001,
10 subsection 3, paragraphs K and L in providing early childhood and education
11 services to young children;

12 (2) A description of the plans and goals of each state agency listed in section
13 24001, subsection 3, paragraphs K and L as those plans and goals affect the
14 provision of services to young children;

15 (3) Recommendations for changes to laws and rules to reduce barriers to
16 collaboration and coordination among federally funded and state-funded
17 programs and services for young children and their families and to improve the
18 quality of programs and services for young children statewide. The
19 recommendations must include, but are not limited to, methods to:

20 (a) Promote statewide the availability of services and programs for young
21 children and their families;

22 (b) Promote statewide the financial resources available to young children
23 and their families for early childhood and education programs and services;
24 and

25 (c) Enhance early childhood and education programs and services for young
26 children, including child development services, education services,

SUMMARY

4 This bill adds duties for the Maine Children's Growth Council. The bill requires the
5 Maine Children's Growth Council to include additional information in the council's report
6 to the Governor and certain legislative committees. It changes the reporting requirement
7 from every 2 years to annually and includes the Legislative Council as a recipient of the
8 report. The bill directs the Maine Children's Growth Council to develop an evaluation
9 process and to periodically perform an evaluation of its effectiveness in performing its
10 duties. The bill authorizes the Maine Children's Growth Council to receive staff
11 assistance from the Child Development Services System and the Department of Health
12 and Human Services.
