18 **SUMMARY**

19 Current law prohibits the application of a municipal noise control or other ordinance
20 to an existing sport shooting range. This bill gives the Commissioner of Public Safety the
21 power to authorize the application of a municipal noise ordinance to a sport shooting
22 range that existed prior to the adoption of the ordinance. The Commissioner of Public
23 Safety is required to adopt major substantive rules to establish the criteria and the process
24 for the authorization process.
