3 bodily injury or property damage to 3rd parties or uninsured and underinsured motorist  
4 or personal injury protection losses as required by Title 29-A, section 1605.

5 D. A peer-to-peer car sharing program shall ensure that, during each car sharing period,  
6 the shared vehicle owner and the shared vehicle driver are insured under a motor  
7 vehicle liability insurance policy that provides insurance coverage in amounts not less  
8 than the minimum amounts set forth in Title 29-A, section 1605 and:

9 (1) Recognizes that the shared vehicle insured under the policy is made available  
10 and used through a peer-to-peer car sharing program; or

11 (2) Does not exclude use of a shared vehicle by a shared vehicle driver.

12 E. The requirement for insurance coverage described under paragraph D may be  
13 satisfied by providing evidence of a motor vehicle liability insurance maintained by:

14 (1) A shared vehicle owner;

15 (2) A shared vehicle driver;

16 (3) A peer-to-peer car sharing program; or

17 (4) A shared vehicle owner, a shared vehicle driver and a peer-to-peer car sharing  
18 program collectively.

19 F. Insurance coverage that meets the requirements of paragraph D and obtained in  
20 accordance with paragraph E must be primary coverage during each car sharing period  
21 and, in the event that a claim occurs in another state with minimum financial  
22 responsibility limits higher than in Title 29-A, section 1605, during the car sharing  
23 period the coverage maintained under paragraph E must satisfy the difference in  
24 minimum coverage amounts up to the applicable policy limits.

25 G. The insurer, insurers or peer-to-peer car sharing program providing coverage in  
26 accordance with paragraph D or E shall assume primary liability for a claim when:

27 (1) A dispute exists as to who was in control of the shared motor vehicle at the

29 did not retain or fails to provide the information required by section 7404-A  
30 subsection 4; or

34 H. If insurance maintained by a shared vehicle owner or shared vehicle driver in  
35 accordance with paragraph E has lapsed or does not provide the required coverage,  
36 insurance maintained by a peer-to-peer car sharing program must provide the coverage  
37 required by paragraph D beginning with the first dollar of a claim, and the peer-to-peer  
38 car sharing program has the duty to defend that claim except under circumstances set  
39 forth in paragraph B.

40 I. Coverage under a motor vehicle liability insurance policy maintained by the peer-  
41 to-peer car sharing program may not be dependent on another insurer's first denying a  
42 claim or a requirement in another insurance policy to first deny a claim.

1           **2. Exclusions in motor vehicle liability insurance policies.** An insurer that writes  
2 motor vehicle liability insurance in the State may exclude any and all coverage and the duty  
3 to defend or indemnify for any claim afforded under a shared vehicle owner's motor vehicle  
4 liability insurance policy, including but not limited to:

5           A. Liability coverage for bodily injury and property damage;

6           B. Personal injury protection coverage;

7           C. Uninsured and underinsured motorist coverage;

8           D. Medical payments coverage;

9           E. Comprehensive physical damage coverage; and

10          F. Collision physical damage coverage.

11 This subsection does not invalidate or limit an exclusion contained in a motor vehicle  
12 liability insurance policy, including any insurance policy in use or approved for use that  
13 excludes coverage for motor vehicles made available for rent, sharing or hire or for any  
14 business use. This subsection does not invalidate, limit or restrict an insurer's ability under  
15 existing law to underwrite any insurance policy or to cancel or not renew any insurance  
16 policy.

17           **3. Exemption; vicarious liability.** A peer-to-peer car sharing program and a shared  
18 vehicle owner are exempt from vicarious liability consistent with 49 United States Code,  
19 Section 30106 and under any state or local law that imposes liability solely based on vehicle  
20 ownership.

21           **4. Contribution against indemnification.** An insurer that defends or indemnifies a  
22 claim against a shared vehicle that is excluded under the terms of its policy has the right to  
23 seek recovery against the insurer of the peer-to-peer car sharing program if the claim is:

24           A. Made against the shared vehicle owner or the shared vehicle driver for loss or injury  
25 that occurs during the car sharing period; and

26           B. Excluded under the terms of its policy.

27           **5. Insurable interest.** Notwithstanding any other law, statute, rule or regulation to  
28 the contrary, a peer-to-peer car sharing program has an insurable interest in a shared vehicle  
29 during the car sharing period. This section does not impose liability on a peer-to-peer car  
30 sharing program to maintain the coverage mandated by subsection 1. A peer-to-peer car  
31 sharing program may own and maintain as the named insured one or more policies of motor  
32 vehicle liability insurance that provides coverage for:

33           A. Liabilities assumed by the peer-to-peer car sharing program under a peer-to-peer  
34 car sharing program agreement;

35           B. Any liability of the shared vehicle owner;

36           C. Damage or loss to the shared motor vehicle; or

37           D. Any liability of the shared vehicle driver.

38           **6. Construction.** This section does not limit the liability of the peer-to-peer car  
39 sharing program for any act or omission of the peer-to-peer car sharing program itself that  
40 results in injury to any person as a result of the use of a shared vehicle through a peer-to-  
41 peer car sharing program or limit the ability of a peer-to-peer car sharing program to, by

1 contract, seek indemnification from the shared vehicle owner or the shared vehicle driver  
2 for economic loss sustained by the peer-to-peer car sharing program resulting from a breach  
3 of the terms and conditions of the car sharing program agreement.

4 **Sec. 9. 24-A MRSA §7404**, as enacted by PL 2019, c. 367, §1, is repealed.

5 **Sec. 10. 24-A MRSA §7404-A** is enacted to read:

6 **§7404-A. Responsibilities of peer-to-peer car sharing programs**

10 shared vehicle owner or the shared vehicle driver for economic loss sustained by the  
11 peer-to-peer car sharing program resulting from a breach of the terms and conditions  
12 of the car sharing program agreement;

13 B. That a motor vehicle liability insurance policy issued to the shared vehicle owner  
14 for the shared vehicle or to the shared vehicle driver does not provide a defense or  
15 indemnification for any claim asserted by the peer-to-peer car sharing program;

16 C. That the peer-to-peer car sharing program's insurance coverage on the shared  
17 vehicle owner and the shared vehicle driver is in effect only during each car sharing  
18 period and that, for any use of the shared vehicle by the shared vehicle driver after the  
19 car sharing termination time, the shared vehicle driver and the shared vehicle owner  
20 may not have insurance coverage;

21 D. The daily rate, fees and, if applicable, any insurance or protection package costs  
22 that are charged to the shared vehicle owner or the shared vehicle driver;

23 E. That the shared vehicle owner's motor vehicle liability insurance may not provide  
24 coverage for a shared vehicle;

25 F. An emergency telephone number to personnel capable of fielding roadside  
26 assistance and other customer service inquiries; and

27 G. If there are conditions under which a shared vehicle driver must maintain a personal  
28 motor vehicle insurance policy with certain applicable coverage limits on a primary  
29 basis in order to arrange for use of a shared vehicle.

30 **2. Notification of implications of lien.** At the time a vehicle owner registers as a  
31 shared vehicle owner with a peer-to-peer car sharing program and prior to the time when  
32 the shared vehicle owner makes a shared vehicle available for car sharing with the peer-to-  
33 peer car sharing program, the peer-to-peer car sharing program shall notify the shared  
34 vehicle owner that, if the shared vehicle has a lien against it, the use of the shared vehicle  
35 through a peer-to-peer car sharing program, including use without physical damage  
36 coverage, may violate the terms of the contract with the lienholder.

37 **3. Motor vehicle safety recalls.** This subsection applies to motor vehicle safety  
38 recalls of shared vehicles.

39 A. At the time a vehicle owner registers as a shared vehicle owner with a peer-to-peer  
40 car sharing program and prior to the time when the shared vehicle owner makes a

42 peer-to-peer car sharing program shall:

1                   (1) Verify that the shared vehicle does not have any safety recalls on the vehicle  
2                   for which the repairs have not been made; and

3                   (2) Notify the shared vehicle owner of the requirements under paragraph B.

4                   B. If the shared vehicle owner has received an actual notice of a safety recall on the  
5                   vehicle, a shared vehicle owner may not make a vehicle available as a shared vehicle  
6                   with a peer-to-peer car sharing program until the safety recall repair has been made.

7                   (1) When the notice of a safety recall is received while the shared vehicle is made  
8                   available with the peer-to-peer car sharing program, the shared vehicle owner shall  
9                   remove the shared vehicle as available with the peer-to-peer car sharing program,  
10                  as soon as practicably possible after receiving the notice of the safety recall and  
11                  until the safety recall repair has been made; and

12                  (2) When the notice of a safety recall is received while the shared vehicle is being  
13                  used in the possession of a shared vehicle driver, as soon as practicably possible  
14                  after receiving the notice of the safety recall the shared vehicle owner shall notify  
15                  the peer-to-peer car sharing program about the safety recall so that the shared  
16                  vehicle owner may address the safety recall repair.

17                  **4. Recordkeeping; use of vehicle in car sharing.** A peer-to-peer car sharing program  
18                  shall collect and verify records pertaining to the use of a vehicle, including, but not limited

22                  or the shared vehicle driver's insurer to facilitate a claim coverage investigation, settlement,  
23                  negotiation or litigation. The peer-to-peer car sharing program shall retain the records for  
24                  a time period not less than the applicable personal injury statute of limitations.

25                  **5. Driver's license verification and data retention.** A peer-to-peer car sharing  
26                  program may not enter into a peer-to-peer car sharing program agreement with a driver  
27                  unless the driver who will operate the shared vehicle:
