[PL 1999, c. 460, §1 (AMD); PL 1999, c. 460, §2 (AFF).]

1-A. Limit established for out-of-state transit district or regional transportation corporation. [PL 2011, c. 520, §2 (NEW); MRSA T. 14 §8105, sub-§1-A (RP).]

2. Costs. Court costs, prejudgment interest and all other costs that a court may assess must be included within the damage limit specified by this section. Accrued post-judgment interest may not be included within the damage limit. [PL 1995, c. 61, §1 (AMD).]

3. Claims in excess of limit. When a claimant or several claimants believe they may have a claim against the State in excess of the limit established in subsection 1, or for a claim for which the State is immune, they may apply to the Legislature for special authorization to proceed within another specified limit. [PL 1977, c. 2, §2 (NEW).]

4. Apportionment of claims. When the amount awarded to or settled for multiple claimants exceeds the limit imposed by this section, any party may apply to the Superior Court for the county in which the governmental entity is located to allocate to each claimant his equitable share of the total, limited as required by this section.

   A. Any award by the court in excess of the maximum liability limit specified by subsection 1 shall be automatically abated by operation of this section to the maximum limit of liability. [PL 1977, c. 2, §2 (NEW).] [PL 1977, c. 2, §2 (NEW).]

   B. The Attorney General shall have the right to appear before the Supreme Judicial Court by brief and oral argument as a friend of the court in any appeal in an action arising under this chapter where
the Attorney General is not appearing representing a party to the action. [PL 1977, c. 2, §2 (NEW).]

[PL 1977, c. 2, §2 (NEW).]

SECTION HISTORY

§8107. Notice to governmental entity

1. Notice requirements for filing. Within 365 days after any claim or cause of action permitted by this chapter accrues, or at a later time within the limits of section 8110, when a claimant shows good cause why notice could not have reasonably been filed within the 365-day limit, a claimant or a claimant's personal representative or attorney shall file a written notice containing:

A. The name and address of the claimant, and the name and address of the claimant's attorney or other representative, if any; [PL 1989, c. 327 (AMD).]

B. A concise statement of the basis of the claim, including the date, time, place and circumstances of the act, omission or occurrence complained of; [PL 1977, c. 2, §2 (NEW).]

C. The name and address of any governmental employee involved, if known; [PL 1977, c. 2, §2 (NEW).]

D. A concise statement of the nature and extent of the injury claimed to have been suffered; and [PL 1977, c. 2, §2 (NEW).]

E. A statement of the amount of monetary damages claimed. [PL 1977, c. 2, §2 (NEW).]

2. Incapacity. If the claimant is incapacitated and thereby prevented from presenting and filing the claim within the time prescribed or if the claimant is a minor, the claim may be presented and filed on behalf of the claimant by any relative, attorney or agent representing the claimant. If the claimant is a minor when the cause of action accrues, the notice may be presented within 365 days of the minor's attaining 18 years of age. [PL 2019, c. 214, §2 (AMD).]

A. If the claim is against the State or an employee thereof, copies of the notice shall be addressed to and filed with the state department, board, agency, commission or authority whose act or omission is said to have caused the injury and the Attorney General. [PL 1977, c. 2, §2 (NEW).]

B. Notice of claims against any political subdivision or an employee thereof shall be addressed to and filed with one of the persons upon whom a summons and complaint could be served under the Maine Rules of Civil Procedure, Rule 4, in a civil action against a political subdivision. [PL 1977, c. 578, §3 (AMD).]

[PL 1979, c. 578, §3 (AMD).]

4. Substantial notice compliance required. No claim or action shall be commenced against a governmental entity or employee in the Superior Court unless the foregoing notice provisions are substantially complied with. A claim filed under this section shall not be held invalid or insufficient by reason of an inaccuracy in stating the time, place, nature or cause of the claim, or otherwise, unless it is shown that the governmental entity was in fact prejudiced thereby. A claim filed under this section shall not be held invalid solely because a claim based on the same facts was filed under a different statutory procedure and was disallowed. [PL 1977, c. 591, §3 (AMD).]
5. **Definition of good cause.** "Good cause" as used in subsection 1 includes but is not limited to any cases in which any official of the governmental entity whose duties and authority include the settlement of tort claims or any tort liability insurer of the governmental entity makes direct oral or written contacts with the claimant or the claimant's personal representative or attorney, including payments to or on behalf of the claimant, that contain or imply a promise of coverage sufficient to cause a reasonable person to believe that the losses for which no timely notice claim is filed would be covered. If oral or written contact is limited to coverage for specific injuries or damage, a claimant is not excused from filing the notice required by this section in relation to other claims or causes of action permitted by this chapter that arise out of the same incident or event.

Nothing in this subsection prevents the injured party and an agent or insurer of the governmental entity from entering into a consensual agreement pursuant to which the injured party releases the governmental entity from any further liability in exchange for an agreed upon consideration. [PL 1991, c. 460 (NEW).]

This section shall not apply to such claims as may be asserted under the Rules of Civil Procedure by a 3rd party complaint, crossclaim or counterclaim. [PL 1977, c. 2, §2 (NEW).]

**SECTION HISTORY**

§8108. **Time for allowance or denial of claims**

Within 120 days after the filing of the claim with the governmental entity, the governmental entity shall act thereon and notify the claimant in writing of its approval or denial of the monetary damages claimed. A claim shall be deemed to have been denied if at the end of the 120-day period the governmental entity has failed to approve or deny the claim. [PL 1977, c. 2, §2 (NEW).]

**SECTION HISTORY**

§8109. **Compromise and settlement**

1. **Procedures for State.** The State has authority to settle claims filed against it pursuant to sections 8104-A, 8104-B, 8104-C and 8104-D in accordance with the following procedures.

   A. Any agency may settle any claim for an amount of $1,500 or less when such settlement is approved by the appropriate department or agency head in accordance with rules adopted by the Commissioner of Administrative and Financial Services. [PL 1991, c. 780, Pt. Y, §114 (AMD).]

   B. Any other claim may be settled when such settlement is approved by the head of the department or agency against which the claim is filed, the Commissioner of Administrative and Financial Services and the Attorney General. [PL 1991, c. 780, Pt. Y, §114 (AMD).]

2. **Procedures for political subdivisions.** Any political subdivision may settle claims filed against it pursuant to sections 8104-A, 8104-B, 8104-C and 8104-D in accordance with procedures duly promulgated by its governing body.

3. **Limitations on payment under settlement.** When the State or a political subdivision becomes obligated to pay a claim as a result of a settlement, the limitations on payment provided by sections 8105 and 8115 shall apply in the same manner as if the State or political subdivision in question became obligated to pay the funds as a result of a judgment of the court.

   [PL 1977, c. 2, §2 (NEW).]
4. Release. The acceptance by a claimant of any settlement under this section shall be final and conclusive on the claimant and shall constitute a complete release of any further claims against the governmental entity and against any employees of the governmental entity whose acts or omissions gave rise to the claim.

[PL 1987, c. 740, §7 (NEW).]

5. Settlement agreement public record. Except for information that is designated confidential by statute or that is not a public record under Title 1, section 402, subsection 3, a settlement agreement entered into by a governmental entity under this section, including a payment by an insurer of the governmental entity, is a public record.

[PL 2019, c. 215, §1 (NEW).]

SECTION HISTORY

§8110. Limitation of actions

Every claim against a governmental entity or its employees permitted under this chapter is forever barred from the courts of this State, unless an action therein is begun within 2 years after the cause of action accrues, except that, if the claimant is a minor when the cause of action accrues, the action may be brought within 2 years of the minor's attaining 18 years of age. [PL 2001, c. 249, §2 (AMD).]

SECTION HISTORY

§8111. Personal immunity for employees; procedure

1. Immunity. Notwithstanding any liability that may have existed at common law, employees of governmental entities shall be absolutely immune from personal civil liability for the following:

   A. Undertaking or failing to undertake any legislative or quasi-legislative act, including, but not limited to, the adoption or failure to adopt any statute, charter, ordinance, order, rule, policy, resolution or resolve; [PL 1987, c. 740, §8 (RPR).]

   B. Undertaking or failing to undertake any judicial or quasi-judicial act, including, but not limited to, the granting, granting with conditions, refusal to grant or revocation of any license, permit, order or other administrative approval or denial; [PL 1987, c. 740, §8 (RPR).]

   C. Performing or failing to perform any discretionary function or duty, whether or not the discretion is abused; and whether or not any statute, charter, ordinance, order, resolution, rule or resolve under which the discretionary function or duty is performed is valid; [PL 1987, c. 740, §8 (RPR).]

   D. Performing or failing to perform any prosecutorial function involving civil, criminal or administrative enforcement; [PL 2001, c. 662, §7 (AMD).]

   E. Any intentional act or omission within the course and scope of employment; provided that such immunity does not exist in any case in which an employee's actions are found to have been in bad faith; or [PL 2001, c. 662, §8 (AMD).]

   F. Any act by a member of the Maine National Guard within the course and scope of employment; except that immunity does not exist when an employee's actions are in bad faith or in violation of military orders while the employee is performing active state service pursuant to Title 37-B. [PL 2001, c. 662, §9 (NEW).]
The absolute immunity provided by paragraph C shall be applicable whenever a discretionary act is reasonably encompassed by the duties of the governmental employee in question, regardless of whether the exercise of discretion is specifically authorized by statute, charter, ordinance, order, resolution, rule or resolve and shall be available to all governmental employees, including police officers and governmental employees involved in child welfare cases, who are required to exercise judgment or discretion in performing their official duties.

[PL 2001, c. 662, §§7-9 (AMD).]

2. Attachment and trustee process. Attachment, pursuant to Rule 4A, Maine Rules of Civil Procedure, and trustee process, pursuant to Rule 4B, Maine Rules of Civil Procedure, shall not be used in connection with the commencement of a civil action against an employee of a governmental entity based on any act or omission of the employee in the course and scope of employment.

[PL 1987, c. 740, §9 (AMD).]

SECTION HISTORY

§8112. Defense and indemnification of employees

1. When a governmental entity is not liable. A governmental entity, with the consent of the employee, shall assume the defense of and, in its discretion, may indemnify any employee against a claim which arises out of an act or omission occurring within the course and scope of employment and for which the governmental entity is not liable. Except as otherwise provided herein, in lieu of assuming the defense of an employee, a governmental entity may pay the reasonable attorneys' fees and court costs of the employee. If the defense of its employee creates a conflict of interest between the governmental entity and the employee, the governmental entity shall pay the reasonable attorneys' fees and court costs of the employee.

A governmental entity is not liable for the attorneys' fees and defense costs of its employee under this subsection in the event that the employee is determined to be criminally liable for the acts or omissions in question. In addition, after the litigation against the employee is concluded, a governmental entity may recoup any attorneys' fees and costs paid to outside counsel on behalf of the employee if the governmental entity proves that the employee acted in bad faith.

This subsection does not apply if the employee settles the claim without the consent of the governmental entity.

This subsection does not apply if notice is not required to have been filed as provided in section 8107 or if the employee does not notify the governmental entity within 30 days after receiving actual written notice of the claim or within 15 days after the service of a summons and complaint, if the governmental entity is prejudiced by the lack of such notice.

[PL 1987, c. 740, §10 (RPR).]

2. When the governmental entity is liable. A governmental entity shall, with the consent of the employee, assume the defense of and shall indemnify any employee against a claim which arises out of an act or omission occurring within the course and scope of employment and for which sovereign immunity has been waived under section 8104-A, under another law or by legislative authorization. Except as otherwise provided herein, in lieu of assuming the defense of an employee, the governmental entity may pay the reasonable attorneys' fees and court costs of the employee. If the defense of its employee creates a conflict of interest between the governmental entity and the employee, the governmental entity shall pay the reasonable attorneys' fees and court costs of the employee.

A governmental entity shall not be required to indemnify its employee and is not liable for the attorneys' fees and court costs of its employee under this subsection in the event that the employee is determined
to be criminally liable for the acts or omissions in question. In addition, after the litigation against the employee is concluded, a governmental entity shall be relieved of any obligation to indemnify the employee for punitive damages and may recoup any attorneys' fees and costs paid to outside counsel if the governmental entity proves that the employee acted in bad faith.

This subsection does not apply if the employee settles the claim without the consent of the governmental entity.

This subsection does not apply if notice is not required to have been filed as provided in section 8107 or if the employee does not notify the governmental entity within 30 days after receiving actual written notice of the claim or within 15 days after the service of a summons and complaint if the governmental entity is prejudiced by the lack of such notice.

[PL 1987, c. 740, §11 (RPR).]

2-A. Suits against employees under federal law. A governmental entity, with the consent of the employee, shall assume the defense of and, in its discretion, may indemnify any employee against any claim that is brought against the employee under any federal law and that arises out of an act or omission occurring within the course and scope of employment. Except as otherwise provided herein, in lieu of assuming the defense of an employee, the governmental entity may pay the reasonable attorneys' fees and court costs of the employee. If the defense of its employee creates a conflict of interest between the governmental entity and the employee, the governmental entity shall pay the reasonable attorneys' fees and court costs of the employee.

A governmental entity is not liable for the attorneys' fees and court costs of its employee under this subsection in the event that the employee is determined to be criminally liable for the acts or omission in question. In addition, after the litigation against the employee is concluded, a governmental entity may recoup any attorneys' fees and costs paid to outside counsel if the governmental entity proves the employee acted in bad faith.

This subsection does not apply if the employee settles the claim without the consent of the governmental entity.

This subsection does not apply if the employee does not notify the governmental entity within 15 days after the service of a summons and complaint if the governmental entity is prejudiced by the lack of such notice.

[PL 1987, c. 740, §12 (NEW).]

3. Act or omission outside course or scope of employment. In cases when a governmental entity is obligated to indemnify an employee under subsection 2, the governmental entity may refuse to indemnify its employee if a court determines that the act or omission of the employee occurred outside the course and scope of that employment.

[PL 1987, c. 740, §13 (AMD).]

4. Conditions under which discontinuation prohibited.

[PL 1987, c. 427, §5 (RP).]

5. Consent to suit; limit on recovery from employee. In any action on a claim against the State:

A. Which is in excess of the limit established in section 8105, subsection 1 and for which the Legislature has granted special authorization to proceed within a specified limit; or [PL 1977, c. 578, §4 (NEW).]

B. For which the State is immune and for which the Legislature has granted special authorization to proceed within a specified limit; [PL 1977, c. 578, §4 (NEW).]

the award of damages, including costs, against both the State and its employee shall not exceed the limit established by the Legislature. If, however, it is found that the act or omission occurred outside
the course or scope of employment, the award of damages against that employee may exceed the limit specified by the Legislature.
[PL 1977, c. 578, §4 (NEW).]

6. This action shall not in any way impair, limit or modify the rights and obligations of any insurer under any policy of insurance.
[PL 1977, c. 578, §4 (NEW).]

7. Independent contractors; leases. A governmental entity may, in its discretion, assume the defense of and may indemnify any person who is providing services to the governmental entity pursuant to a written contract or with whom the governmental entity has entered into an agreement for the lease of premises.
[PL 1977, c. 578, §4 (NEW).]

8. Liability under section 8104-D. A governmental entity shall purchase insurance or self-insure on behalf of its employees to insure them against their personal liability to the limit of their liability under section 8104-D and, to the extent that insurance coverage is not available, shall assume the defense of and indemnify those employees to the limit of their liability under section 8104-D.
[PL 1987, c. 740, §14 (NEW).]

9. Certain suits arising out of use of motor vehicles. A governmental entity is not required to assume the defense of or to indemnify an employee of that governmental entity who uses a privately owned vehicle, while acting in the course and scope of employment, to the extent that applicable liability insurance coverage exists other than that of the governmental entity. In such cases, the employee of the governmental entity and the owner of the privately owned vehicle may be held liable for the negligent operation or use of the vehicle but only to the extent of any applicable liability insurance, which constitutes the primary coverage of any liability of the employee and owner and of the governmental entity. To the extent that liability insurance other than that of the governmental entity does not provide coverage up to the limit contained in section 8105, the governmental entity remains responsible for any liability up to that limit.

SECTION HISTORY

§8113. Liability not expanded, other remedies are exclusive

1. Liability not expanded unless chapter expressly provides. Except as expressly provided herein, nothing in this chapter shall enlarge or otherwise adversely affect the liability of an employee or a governmental entity. Any immunity or other bar to a civil lawsuit under Maine or federal law shall, where applicable, remain in effect.
[PL 1977, c. 2, §2 (NEW).]

2. Effect of other statutes concerning immunity. When any other statute expressly provides a waiver of governmental, sovereign or official immunity, the provisions of that statute shall be the exclusive method for any recovery of funds in any fact situation to which that statute applies.
[PL 1977, c. 2, §2 (NEW).]

SECTION HISTORY

§8114. Judgment against governmental entity or employee; effect
1. **Separate action against governmental employee.** Any judgment against a governmental entity shall constitute a complete bar to a separate action for damages by the claimant, by reason of the same subject matter, against any public employee whose act or omission gave rise to the claim. [PL 1977, c. 2, §2 (NEW).]

2. **Separate action against governmental entity.** Any judgment against any public employee whose act or omission gave rise to the claim shall constitute a complete bar to a separate action for injury by the claimant, by reason of the same subject matter, against a governmental entity. [PL 1977, c. 2, §2 (NEW).]

3. **Joinder.** Nothing contained in this section shall be construed as preventing the joinder of any governmental entity or employee of such governmental entity in the same action. [PL 1977, c. 2, §2 (NEW).]

### §8115. Payment of claims or judgments when no insurance

1. **Payment from next appropriation.** In the event no insurance has been procured by the State to pay a claim or judgment arising under this chapter, and no appropriated funds are reasonably available, as determined by the Commissioner of Administrative and Financial Services, the claim or judgment must be paid from the next appropriation to the state instrumentality whose action or omission, or the action or omission of whose employee, gave rise to the claim. [PL 1991, c. 780, Pt. Y, §115 (AMD).]

2. **Subdivision's plan for payment.** In the event that a political subdivision has not procured insurance, the trial judge may accept a reasonable plan for the payment of the amount of the judgment. A payment plan may not exceed 5 years and may include interest at the rate provided in section 1602 -C. [PL 2003, c. 460, §8 (AMD).]

### §8116. Liability insurance

The legislative or executive body or any department of the State or any political subdivision may procure insurance against liability for any claim against it or its employees for which immunity is waived under this chapter or under any other law. If the insurance provides protection in excess of the limit of liability imposed by section 8105, then the limits provided in the insurance policy shall replace the limit imposed by section 8105. If the insurance provides coverage in areas where the governmental entity is immune, the governmental entity shall be liable in those substantive areas but only to the limits of the insurance coverage. Reserve funds, excess insurance or reinsurance contracts maintained by a governmental entity, by an insurer providing liability insurance or by a public self-funded pool to meet obligations imposed by this Act shall not increase the limits of liability imposed by section 8105. [PL 1987, c. 740, §15 (AMD).]

A governmental entity or a public self-funded pool, which self-insures against the obligations and liabilities imposed by this Act, shall designate funds set aside to meet such obligations and liabilities as self-insurance funds. Any such governmental entity which self-insures under this Act or any entity that is a member of a public self-funded pool shall maintain as part of its public records a written statement which shall include a provision setting forth the financial limits of liability assumed by the governmental entity, those limits to be no less than the limits imposed in this Act, and a provision
setting forth the scope of the liability assumed by the governmental entity, or the pool, that scope to be no less than that imposed in this Act. [PL 1985, c. 713, §2 (AMD).]

A governmental entity may purchase insurance or may self-insure on behalf of its employees to insure them against any personal liability for which a governmental entity is obligated or entitled to provide defense or indemnity under section 8112. [PL 1987, c. 740, §16 (RPR).]

Any insurance purchased by the State under this section must be purchased through the Department of Administrative and Financial Services, Risk Management Division.

SECTION HISTORY

§8117. Prior claims

This chapter does not apply to any claim against any governmental entity or employee arising before its effective date. Any such claim may be presented and enforced to the same extent and be subject to the same defenses and limitations on recovery as if this chapter had not been adopted and as though any statute repealed by this chapter had remained in effect, and as though the doctrines of sovereign, governmental and official immunity had remained in full force and effect. Nothing herein shall be construed as denying a governmental entity the right or authority to defend or settle any claim either against it or against any of its employees pending at the time of the effective date of this chapter. [PL 1977, c. 2, §2 (NEW).]

SECTION HISTORY

§8118. Eleventh amendment

Nothing in this chapter or any other provision of state law shall be construed to waive the rights and protections of the State under the Eleventh Amendment of the United States Constitution, except where such waiver is explicitly stated by law and actions against the State for damages shall only be brought in the courts of the State in accordance with this chapter. [PL 1977, c. 2, §2 (NEW).]
