**18 §4161. AUTHORIZATION**

A bank or trust company organized and doing business under the laws of any state or territory of the United States of America, including the District of Columbia, and a national bank, duly authorized so to act, may be appointed and may serve in this State as trustee, whether of a corporate or personal trust, executor, administrator, guardian, conservator or committee for an incompetent person, or in any other fiduciary capacity, whether the appointment is by will, deed, court order or decree, or otherwise, when and to the extent that the state, territory or district in which such bank or trust company is organized grants authority to serve in like fiduciary capacities to a bank or trust company organized and doing business under the laws of this State and authorized to serve in like fiduciary capacities. [1979, c. 690, §1 (REEN).]

**18 §4162. APPLICATION**

Before qualifying or serving in this State in any fiduciary capacity, as defined in section 4161, the bank or trust company shall file an application for authority with the Secretary of State in the same form and subject to the same fees as required by Title 13-C, chapter 15. The application must be accompanied by a certificate, made within 90 days of filing, from the official having supervision of banks and trust companies where the bank was organized or is domiciled, indicating that it is duly authorized or presently existing, that it has authority to act in the fiduciary capacity for which it is qualifying and that the jurisdiction grants authority to serve in like fiduciary capacities to a bank or trust company organized under the laws of this State and authorized to serve in like fiduciary capacities. If the person supervising banks and trust companies cannot certify to reciprocity, it must be done by the attorney general of its state of domicile. In addition, the application must designate the Secretary of State as the person upon whom all notices and processes issued by or to any court of this State must be served in any action or proceeding relating to any trust, estate or matter within this State in which that bank or trust company is acting in any fiduciary capacity with like effect as personal service on that bank or trust company, the designation is irrevocable as long as any liability

remains outstanding against that bank or trust company in this State. Upon receipt of the notice or process, the Secretary of State shall forthwith forward the same by registered mail to that bank or trust company at the address stated in the application. [2001, c. 2, Pt. B, §58 (AFF); 2001, c. 2, Pt. B, §36 (COR).]
