The residents of 2 or more school administrative units may form a regional school unit that is a body politic and corporate pursuant to this section. PL 2007, c. 240, Pt. XXXX, §13 (NEW).

1. Notice of intent. Each school administrative unit shall file with the commissioner a notice of intent to engage in planning and negotiations with other school administrative units for the purpose of developing a reorganization plan to form a regional school unit under this chapter. The commissioner shall respond to each notice of intent providing information regarding the process and whether the intended action complies with the requirements of this chapter. PL 2007, c. 240, Pt. XXXX, §13 (NEW).

2. Reorganization planning committee. The school administrative units that intend to engage in planning and negotiation to create a regional school unit shall form a reorganization planning committee.
   A. For each proposed regional school unit, the commissioner shall provide guidelines for the formation of a reorganization planning committee including representation from the school administrative units included in the notice of intent, member municipalities and members of the general public who are residents of the proposed regional school unit. The guidelines must include roles and responsibilities of the committee, timelines for submission of the plan, the format for reporting the reorganization plan and evaluation criteria for approval of the plan. PL 2007, c. 240, Pt. XXXX, §13 (NEW).
   B. Reorganization planning committees shall hold one or more public meetings to gather input from community members and to determine the sentiment of the public. PL 2007, c. 240, Pt. XXXX, §13 (NEW).

   A. A reorganization plan must include:
      1) The units of school administration to be included in the proposed reorganized regional school unit;
(2) The size, composition and apportionment of the governing body;
(3) The method of voting of the governing body;
(4) The composition, powers and duties of any local school committees to be created;

(8) The disposition of existing school funds and existing financial obligations, including undesignated fund balances, trust funds, reserve funds and other funds appropriated for school purposes;
(9) A transition plan that addresses the development of a budget for the first school year of the reorganized unit and interim personnel policies;
(10) Documentation of the public meeting or public meetings held to prepare or review the reorganization plan;
(11) An explanation of how units that approve the reorganization plan will proceed if one or more of the proposed members of the regional school unit fail to approve the plan;

(13) Such other matters as the governing bodies of the school administrative units in existence on the effective date of this chapter may determine to be necessary. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. In order for the plan to be approved by the commissioner, the governing bodies of school administrative units shall work within the following parameters.

(1) The proposed regional school unit must serve not fewer than 2,500 students, including, for purposes of this paragraph, students attending from the unorganized territory, except where circumstances relating to the following factors justify an exception:
   (a) Geography, including physical proximity and the size of the current school administrative unit;
   (b) Demographics, including student enrollment trends and the composition and nature of communities in the regional school unit;
   (c) Economics, including existing collaborations to be preserved or enhanced and opportunities to deliver commodities and services to be maximized;
   (d) Transportation;
   (e) Population density; or
   (f) Other unique circumstances including the need to preserve existing or developing relationships, meet the needs of students, maximize educational opportunities for students and ensure equitable access to rigorous programs for all students.

When circumstances justify an exception to the size requirement set forth in this subparagraph of 2,500 students, the unit must serve as close to 2,500 students as possible and in no case, except for coastal islands and schools operated by tribal school committees, may it serve fewer than 1,200 students, including, for purposes of this paragraph, students attending from the unorganized territory.
(2) The plan must provide comprehensive programming for all students from kindergarten to grade 12 and must include at least one publicly supported secondary school.

(3) The plan must be consistent with the policies set forth in section 1451.

(4) The plan may not displace teachers or students or close any schools existing and operating during the school year immediately preceding reorganization, except as permitted under section 1512.

(5) The plan must address how the school administrative unit will reorganize administrative functions, duties and noninstructional personnel so that the projected expenditures of the reorganized school administrative unit in the first year of operation during the school year immediately following reorganization for system administration, transportation, special education and facilities and maintenance will not have an adverse impact on the instructional program. [PL 2009, c. 580, §3 (AMD).]

C. Notwithstanding paragraph B, subparagraph (1), the commissioner may approve:

(1) A regional school unit to serve fewer than 1,200 students but not less than 1,000 students in an isolated rural community, including, for purposes of this paragraph, students attending from the unorganized territory, if the proposed regional school unit meets at least one of the following criteria:

   (a) The proposed regional school unit comprises 3 or more school administrative units in existence prior to July 1, 2008;

   (c) The member municipalities of the proposed regional school unit include 2 or more isolated small schools that are eligible for an isolated small school adjustment pursuant to section 15683, subsection 1, paragraph F; and

(2) The formation of a regional school unit if the governing body or bodies of the proposed regional school unit demonstrate, in the notice of intent under subsection 1, that all reasonable and practical means of satisfying the requirements of subparagraph (1) and paragraph B, subparagraph (1) have been exhausted, and that approval is warranted based on the unique or particular circumstances of the unit or units.

In considering a request under this paragraph, the commissioner's decision must be based on, but is not limited to, the specific facts presented in the notice of intent and is applicable only to the specific school administrative units the decision concerns. [PL 2011, c. 251, §1 (AMD); PL 2011, c. 251, §12 (AFF).]

4. Review and approval of plans. If the commissioner finds that a plan for reorganization meets the requirements of this chapter, the commissioner shall notify the municipalities and school administrative units, and they shall proceed with referendum. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

5. Referendum on reorganization plan. The municipal officers of each municipality in a proposed reorganized school administrative unit or alternative organizational structure shall place a warrant article substantially as follows on the ballot of a municipal referendum conducted in accordance with the referendum procedures applicable to the school administrative unit of which the municipality is a member.

"Article: Do you favor approving the school administrative reorganization plan prepared by the (insert name) Reorganization Planning Committee to reorganize (insert names of affected school
administrative units) into a regional school unit or alternative organizational structure, with an effective date of (insert date)?

Yes No" [PL 2007, c. 668, §4 (AMD).]

6. Results of referendum. Each school administrative unit shall report the results of the referendum to the department following the referendum election.

A. A reorganization plan is approved by a kindergarten to grade 12 school administrative district or kindergarten to grade 12 community school district if the majority of votes cast in the district is in favor of approval of the plan. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. A reorganization plan is approved by the member municipalities of a community school district that does not provide public education for the entire span of kindergarten to grade 12 if the majority of votes cast in the member municipalities is in favor of approval of the plan. Approval results in all member municipalities joining the regional school unit for all purposes for kindergarten to grade 12. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

C. A municipal school unit, including a municipal school unit that is a member of a school union, approves a reorganization plan if the majority of the votes cast in that municipality is in favor of approval of the plan. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

D. If a reorganization plan is approved by all of the affected school administrative units, or by the school administrative units considered sufficient under the proposed units' reorganization plan, the commissioner shall file notice of approval of the unit with the state board. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

7. Certificate of organization. If a plan or revised plan for reorganization has been approved by the commissioner and approved by voters at the referendum, the state board shall issue a certificate of organization to the school administrative units that are reorganized into a regional school unit. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

8. Retention of duties pending referendum. Until the approval of a proposed school administrative reorganization plan at a referendum under subsection 5, each participating school administrative unit retains all authority, duties and obligations of the public employer of the employees of the school administrative unit pursuant to Title 26, chapter 9-A, including but not limited to the authority and duty to negotiate a successor collective bargaining agreement that will take effect on or after the operational date of the proposed regional school unit. [PL 2009, c. 107, §1 (NEW).]

SECTION HISTORY

As used in this section, unless the context indicates otherwise, "regional school unit board" means the initial regional school unit board elected pursuant to section 1472-A. From the time of election of the regional school unit board to July 1st of the regional school unit's first operational year, the regional school unit board shall establish interim rules of procedures and shall elect officers who shall serve until officers are elected at a meeting following the operational date of the regional school unit. The regional school unit board's powers and duties during this period are governed by this section. [PL 2007, c. 668, §5 (NEW).]

[PL 2007, c. 668, §5 (NEW).]

2. Budget preparation and approval. Prior to the operational date of the regional school unit, the regional school unit board shall take measures necessary to prepare to meet its obligations as a public employer on and after the operational date pursuant to Title 26, chapter 9-A, including but not limited to negotiating a successor collective bargaining agreement that will take effect on or after the operational date. SECTION HISTORY

§1461-B. Alternative organizational structure

(CONTAINS TEXT WITH VARYING EFFECTIVE DATES)

1. Notice of intent. A school administrative unit may file with the commissioner a notice of intent to engage in planning and negotiations with other school administrative units for the purpose of developing a reorganization plan to form an alternative organizational structure in accordance with this section.

[PL 2009, c. 580, §5 (NEW).]

2. Organization: procedures and parameters. An alternative organizational structure must be organized in accordance with the procedures and parameters applicable to regional school units as set forth in section 1461.
3. **Submission, review and approval of plans for an alternative organizational structure.** A school administrative unit may submit a reorganization plan to the commissioner to form an alternative organizational structure in order to comply with this chapter.

A. The commissioner may designate a school administrative unit as part of an alternative organizational structure if the commissioner finds that the proposed alternative organizational structure will result in:

1. Consolidation of system administration;
2. Consolidation of special education administration, transportation administration and administration of business functions, including accounting, reporting, payroll, financial management, purchasing insurance and auditing;
3. Adoption of a core curriculum and procedures for standardized testing and assessment aligned with the system of learning results established in section 6209;
4. Adoption of a plan for both consistent school policies and school calendars; and
5. Adoption of a plan for consistent collective bargaining agreements. [PL 2009, c. 580, §5 (NEW).]

B. **(TEXT EFFECTIVE UNTIL 6/30/20)** A plan for an alternative organizational structure may include a collaborative agreement under chapter 114 and must include an interlocal agreement under Title 30-A, chapter 115. The plan must include procedures for conducting a kindergarten to grade 12 budget approval pursuant to paragraph C. [PL 2009, c. 580, §5 (NEW).]

B. **(TEXT EFFECTIVE 6/30/20)** A plan for an alternative organizational structure must include an interlocal agreement under Title 30-A, chapter 115. The plan must include procedures for conducting a kindergarten to grade 12 budget approval pursuant to paragraph C. [PL 2017, c. 284, Pt. VVVVV, §2 (AMD); PL 2017, c. 284, Pt. VVVVV, §14 (AFF).]

C. The budget procedures of member entities of an alternative organizational structure must conform to the format and referendum procedures set forth in sections 1485 and 1486 for regional school units. The budget of the alternative organizational structure must be approved at a meeting of the voters of all of the member entities conducted in accordance with the procedures applicable to a regional school unit budget meeting except as provided in paragraph D. The budget of an alternative organizational structure is not subject to a separate budget validation referendum as described in section 1486. [PL 2011, c. 485, §1 (AMD).]

D. The governing body of an alternative organizational structure, by majority vote, may authorize a change in the alternative organizational structure budget approval procedures in paragraph C to require a budget approval by the governing body of the alternative organizational structure instead of a meeting of the voters of all of the member entities of the alternative organizational structure. The change in procedure must be authorized by a majority of the total number of voters of all of the member entities in the alternative organizational structure at the next regular election or at a special referendum election of the voters called for that purpose by a majority vote of the governing body of the alternative organizational structure. The article to be voted on at the next regular or special election must be in substantially the following form:

"Article: Do you favor changing the (name of alternative organizational structure) budget approval procedure from a meeting of the voters to a vote by the governing body of the alternative organizational structure? Yes No" [PL 2015, c. 286, §1 (AMD).]
If approved by the voters, the budget approval procedure changes to a majority vote of the
governing body of the alternative organizational structure at a budget meeting. This procedure
must remain in effect for at least 3 budget years before the alternative organizational structure may
return to the requirement that a budget be approved at a meeting of the voters of all of the member
entities of the alternative organizational structure.

An article to consider reinstatement of the budget approval procedure in which the budget is
approved at a meeting of the voters of all of the member entities may be placed on a warrant
for referendum vote by either a majority vote of the governing body of the alternative
organizational structure or by a written petition to the governing body of the alternative
organizational structure signed by a number of voters of member entities of the alternative
organizational structure equal to at least 10% of the voters who voted in the last gubernatorial
election in the member entities of the alternative organizational structure. The governing body
of the alternative organizational structure shall place the article on the next scheduled warrant
or an earlier one if determined appropriate by the governing body of the alternative
organizational structure. The article to be voted upon must be in substantially the following
form:

"Article: Do you favor changing the (name of alternative organizational structure) budget
approval procedure from a vote by the governing body of the alternative organizational
structure to a meeting of the voters?

Yes No"

If approved by a majority of the total number of voters of all of the member entities in the alternative
organizational structure, the budget approval procedure changes to a meeting of the voters of all of
the member entities of the alternative organizational structure beginning in the next budget year or
the following budget year if the approval occurs less than 90 days before the start of the next budget
year. Once approved by the voters, this procedure may not be changed for at least 3 budget years.

A referendum authorized by this section must be called and conducted in accordance with the
procedures for calling and conducting a referendum in a regional school unit under section 1502,
but not including subsection 2, and section 1503, except that the duties of the board of directors of
the regional school unit must be performed by the governing body of the alternative organizational
structure. [PL 2015, c. 286, §1 (AMD).]

Upon the review and approval of the commissioner and the approval of the voters at a referendum, the
commissioner may approve a plan to form an alternative organizational structure that meets the
requirements set forth in this chapter.
[PL 2015, c. 286, §1 (AMD); PL 2017, c. 284, Pt. VVVVV, §2 (AMD); PL 2017, c. 284, Pt. VVVVV, §14 (AFF).]

4. Recognition as discrete school administrative units for subsidy purposes. In fiscal year
2011-12 and subsequent fiscal years, the member entities of an alternative organizational structure are
recognized as discrete school administrative units for purposes of chapter 606-B, unless the member
entities of the alternative organizational structure include in the reorganization plan under subsection 3
their decision to be recognized by the department as a single school administrative unit for purposes of
chapter 606-B.
[PL 2009, c. 580, §5 (NEW).]

5. Recognition as school administrative unit for subsidy purposes; change. This subsection
governs the procedure to alter the recognition of a school administrative unit that is an alternative
organizational structure for subsidy purposes.

A. Notwithstanding the provisions of a reorganization plan under subsection 3 or interlocal
agreement under Title 30-A, chapter 115, the governing body of an alternative organizational
structure that began operation on or before June 30, 2010 may vote to have its member entities recognized as discrete school administrative units for purposes of chapter 606-B. Such a vote must be approved by the governing body of the alternative organizational structure and the commissioner prior to June 1st of the year prior to the allocation year. [PL 2009, c. 580, §5 (NEW).]

B. If the member entities of an alternative organizational structure that requested in their reorganization plan to be recognized as a single school administrative unit pursuant to subsection 4 vote to be recognized as discrete school administrative units for purposes of chapter 606-B, such a change must be approved by the governing body of the alternative organizational structure and the commissioner prior to June 1st of the year prior to the allocation year. [PL 2009, c. 580, §5 (NEW).]

6. Withdrawal of a member entity. Notwithstanding chapter 103-A, subchapter 2, for an alternative organizational structure approved by the commissioner and approved by the voters, the withdrawal provisions for member entities that were adopted as part of the reorganization plan under subsection 3 and interlocal agreement under Title 30-A, chapter 115 govern the withdrawal of a member entity.

A. [PL 2011, c. 251, §2 (RP); PL 2011, c. 251, §12 (AFF).]

B. [PL 2011, c. 251, §3 (RP); PL 2011, c. 251, §12 (AFF).]

C. [PL 2011, c. 251, §4 (RP); PL 2011, c. 251, §12 (AFF).]

Upon the formation of a regional school unit pursuant to this subchapter, the transfer of school property and assets is governed by this section. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

1. Board of directors. The directors of the board of each regional school unit established in this chapter shall determine what school property of the municipal school units in existence prior to the operational date of the new regional school unit and of the school administrative units in existence prior to the operational date of the new regional school unit is necessary to carry out the functions of the regional school unit and shall request in writing that the board of each such school administrative unit or the municipal officers transfer title of their school property and buildings to the regional school unit board of directors. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

2. Transfer. The municipal officers and boards contacted pursuant to subsection 1 shall make the transfer of property and assets notwithstanding any other provision in the charter of the school administrative unit or municipality. After the operational date of a regional school unit, if a transfer of property by a prior regional school unit, school administrative district or community school district has not occurred in accordance with the reorganization plan, the regional school unit board may act as the successor to the school board of the prior regional school unit, school administrative district or community school district for purposes of transferring the title to the property by deed to the regional school unit or other transferee in accordance with the terms of the reorganization plan. [PL 2011, c. 655, Pt. C, §1 (AMD).]

3. Financing assumed debts. A regional school unit shall assume the outstanding indebtedness of a school administrative unit in existence prior to the operational date of the new regional school unit
for school construction projects approved for subsidy under chapter 609 and pursuant to section 1506. If a regional school unit board of directors has assumed the outstanding indebtedness of a school administrative unit in existence prior to the operational date of the new regional school unit, the directors of the regional school unit board may, notwithstanding any other statute or any provision of any trust agreement, use any sinking fund or other money set aside by the school administrative unit in existence prior to the operational date of the new regional school unit to pay off the indebtedness for which the money was dedicated. A regional school unit board of directors is not required to assume the outstanding indebtedness of a school administrative unit in existence prior to the operational date of the new regional school unit in its regional school unit for nonstate-funded projects pursuant to section 15905-A and pursuant to section 1481.

[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

The balance from each of the former municipal school unit, school administrative district, community school district or regional school unit must be used to reduce that unit's or district's local contribution to the regional school unit. Payment may be made in equal monthly installments during the implementation year.

[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

Except as limited by subsection 2, the regional school unit shall assume all of the legal obligations and duties that the participating school administrative units owed to their employees, including but not limited to those obligations and duties arising under federal law, state law, collective bargaining agreements and individual employment contracts. It is the intent of this chapter to neither decrease nor increase the rights and benefits of transferred employees or the employer. The regional school unit shall also maintain and honor any agreements, contracts or policies regarding the rights and benefits of retirees and former employees created by a participating school administrative unit that is dissolved as a result of its inclusion within a regional school unit.
A. Teachers or other employees whose employment terminates by application of law or contract or by action of a participating school administrative unit before the date in subsection 1 may not be transferred. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. Teachers and other employees who are transferred to the regional school unit prior to the completion of the applicable probationary period for their position have the length of their probationary period calculated from the date of their most recent date of employment by the participating school administrative unit. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

The contracts between the superintendents and school administrative units within the regional school unit are transferred on the date established pursuant to subsection 1 to the regional school unit board of directors. SECTION HISTORY

§1464. Collective bargaining

1. Assumption of obligations, duties, liabilities and rights. On the operational date established pursuant to section 1463, subsection 1, the regional school unit board of directors shall assume all of the obligations, duties, liabilities and rights of the participating school administrative units for all purposes under Title 26, chapter 9-A. The regional school unit is considered a single employer. Notwithstanding any other provision of law, the responsibilities of the regional school unit include:

A. Continued recognition of all bargaining agents that represented any bargaining units of employees who were employed by a participating school administrative unit, pending completion of merger proceedings described in this section; [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. Assumption and continued observance of all collective bargaining agreements between such bargaining agents and a participating school administrative unit, which agreements continue in effect for the remainder of their unexpired terms unless the bargaining agent and regional school unit mutually agree otherwise; and [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

C. Collective bargaining for an initial or successor collective bargaining agreement in any bargaining unit in which a collective bargaining agreement is not in effect on the operational date and for any interim agreement that may be required to align expiration dates in a regional school unit-wide bargaining unit, as described in this section. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

2. Structure of bargaining units. As early as possible after reorganization, all bargaining units must be structured on a regional school unit-wide basis. Bargaining units that existed in the participating school administrative units shall merge in accordance with the procedures and criteria in this section. Merger into regional school unit-wide bargaining units is not subject to approval or disapproval of employees.

A. Merger into regional school unit-wide bargaining units must be completed according to the schedule contained in this section and, except as required by paragraph H, no later than the latest expiration date of any collective bargaining agreement that was in effect on the operational date established pursuant to section 1463, subsection 1 that covered any employees in the merged unit. [PL 2007, c. 566, §1 (AMD).]

B. There must be one unit of teachers and, to the extent they are on the effective date of this section included in bargaining units, other certified professional employees, excluding principals and other administrators. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]
C. Any additional bargaining units in a regional school unit must be structured as follows:

   (1) In the initial establishment of such units, units must be structured primarily on the basis of the existing pattern of organization, maintaining the grouping of employee classifications into bargaining units that existed prior to the creation of the regional school unit and avoiding conflicts among different bargaining agents to the extent possible; and

   (2) In the event of a dispute regarding the classifications to be included within a regional school unit-wide bargaining unit, the current bargaining agent or agents or the regional school unit may petition the Maine Labor Relations Board to determine the appropriate unit in accordance with this section and Title 26, section 966, subsections 1 and 2. [PL 2007, c. 240, Pt. XXXX, §13 (NEW)].

D. When there is the same bargaining agent in all bargaining units that will be merged into a regional school unit-wide bargaining unit, the units must be merged as of the operational date established pursuant to section 1463, subsection 1, and the regional school unit shall recognize the bargaining agent as the representative of the merged unit. [PL 2007, c. 240, Pt. XXXX, §13 (NEW)].

E. When all bargaining units that will be merged into a regional school unit-wide bargaining unit are represented by separate local affiliates of the same state labor organization, the units must be merged as of the operational date established pursuant to section 1463, subsection 1. The identity of the single affiliate that will be designated the bargaining agent for the merged unit must be selected by the existing bargaining agents and the state labor organization. Upon completion of the merger and designation of the bargaining agent and notification by the state labor organization to the regional school unit, the regional school unit shall recognize the designated bargaining agent as the representative of employees in the merged unit. If necessary, the parties will then execute a written amendment to any collective bargaining agreement then in effect to change the name of the bargaining agent to reflect the merger.

Prior to the operational date of the regional school unit, the single affiliate that is designated as the bargaining agent for the merged unit shall take measures necessary to prepare to meet its obligations as the bargaining agent on and after the operational date pursuant to Title 26, chapter 9-A, including, but not limited to, the authority and duty to negotiate a successor collective bargaining agreement that will take effect on or after the operational date. Until the operational date of the regional school unit, each existing bargaining agent retains all other authority, duties and obligations of the bargaining agent of the employees of the school administrative unit pursuant to Title 26, chapter 9-A. [PL 2009, c. 107, §3 (AMD)].

F. When there are bargaining units that will be merged into a regional school unit-wide bargaining unit in which there are employees who are not represented by any bargaining agent and other employees who are represented either by the same bargaining agent or separate local affiliates of the same state labor organization, the units must be merged as of the operational date pursuant to section 1463, subsection 1 as long as a majority of employees who compose the merged unit were represented by the bargaining agent prior to the merger. The procedures for merger of separate local affiliates of the same state labor organization described in paragraph E must be followed if applicable. If prior to the merger a bargaining agent did not represent a majority of employees who compose the merged unit, a bargaining agent election must be conducted by the Maine Labor Relations Board pursuant to paragraph H, except that the petition for an election must be filed not more than 90 days prior to the expiration date of the agreement having the latest expiration date among the bargaining units that will be merged into the regional school unit-wide bargaining unit. [PL 2007, c. 566, §2 (AMD)].

G. When there are unexpired collective bargaining agreements with different expiration dates in the merged bargaining units described in paragraphs D, E and F, all contracts must be honored to
their expiration dates unless mutually agreed to otherwise by the public employer and the
bargaining agent. Collective bargaining agreements must be bargained on an interim basis in any
merged bargaining unit so that all collective bargaining agreements expire on the same date. [PL
2007, c. 240, Pt. XXXX, §13 (NEW).]

H. When bargaining units with different bargaining agents must be merged into a single regional
school unit-wide bargaining unit pursuant to this section, the bargaining agent of the merged
bargaining unit must be selected in accordance with Title 26, section 967 except as modified in this
section.

1. A petition for an election to determine the bargaining agent must be filed with the Maine
Labor Relations Board by any of the current bargaining agents or the regional school unit.

2. The petition must be filed not more than 90 days prior to the first August 31st occurring
after the 3rd anniversary date of the operational date of the regional school unit established
pursuant to section 1463, subsection 1.

3. The election ballot may contain only the names of the bargaining agents of bargaining units
that will be merged into the regional school unit-wide bargaining unit and the choice of "no
representative," but no other choices. No showing of interest is required from any such
bargaining agent other than its current status as representative.

4. The obligation to bargain with existing bargaining agents continues from the operational
date established pursuant to section 1463, subsection 1 until the determination of the bargaining
agent of the regional school unit-wide bargaining unit under this section; but in no event may
any collective bargaining agreement that is executed after the operational date extend beyond
the first August 31st occurring after the 3rd anniversary date of the operational date of the
regional school unit.

5. The Maine Labor Relations Board shall expedite to the extent practicable all petitions for
determination of the bargaining agent in the regional school unit-wide bargaining unit filed
pursuant to this section.

6. The bargaining units must be merged into a regional school unit-wide bargaining unit as
of the date of certification of the results of the election by the Maine Labor Relations Board or
the expiration of the collective bargaining agreements in the unit, whichever occurs later.

7. Until the first August 31st occurring after the 3rd anniversary date of the operational
date of the regional school unit, existing bargaining agents shall continue to represent the bargaining
units that they represented on the day prior to the operational date of the regional school unit.
If necessary, each bargaining agent and the regional school unit must negotiate an interim
collective bargaining agreement to expire on the first August 31st occurring after the 3rd
anniversary date of the operational date of the regional school unit.

8. When there are 2 or more bargaining units in which there are employees who are
represented either by the same bargaining agent or by separate local affiliates of the same state
labor organization that will be merged into a regional school unit-wide bargaining unit with
one or more other bargaining units pursuant to the election procedures described in this
paragraph, the bargaining units that are represented either by the same bargaining agent or by
separate local affiliates of the same state labor organization must merge as of the operational
date. The procedures for merger of separate local affiliates of the same state labor organization
described in paragraph E must be followed if applicable. [PL 2009, c. 580, §6 (AMD).]

[PL 2009, c. 580, §6 (AMD).]

3. Agent to engage in collective bargaining. After the merger of bargaining units into a regional
school unit-wide bargaining unit, the bargaining agent of a regional school unit-wide bargaining unit
and the regional school unit shall engage in collective bargaining for a collective bargaining agreement
for the regional school unit-wide bargaining unit. In the collective bargaining agreement for each
regional school unit-wide bargaining unit, the employment relations, policies, practices, salary
schedules, hours and working conditions throughout the regional school unit must be made uniform
and consistent as soon as practicable.

In the event that the parties are unable to agree upon an initial regional school unit-wide collective
bargaining agreement, the parties must use the dispute resolution procedures pursuant to Title 26,
section 965 to resolve their differences.

[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

4. Application of collective bargaining agreements. On or after the operational date of a regional
school unit established pursuant to section 1463, subsection 1 but before the completion of negotiations
for a single regional school unit-wide collective bargaining agreement for the regional school unit-wide
bargaining unit as described in subsection 3, the wages, hours and working conditions of an employee
of the regional school unit who is in a bargaining unit and who is reassigned to a different position that
is or, upon the completion of the merger of bargaining units, will be included in the same regional
school unit-wide bargaining unit are determined by the terms of the existing collective bargaining
agreement that applies to the position to which the employee is reassigned, except as provided in this
subsection.

A. If the application of the existing collective bargaining agreement would cause a reduction in
the employee's wage or salary rate, the employee's wage or salary rate must be maintained at the
rate the employee was paid immediately prior to the reassignment until the completion of
negotiations for a single regional school unit-wide collective bargaining agreement for the regional
school unit-wide bargaining unit as described in subsection 3 or the applicable collective bargaining
agreement or any interim successor agreement requires a higher wage or salary rate for the
employee, whichever occurs sooner. [PL 2007, c. 668, §6 (NEW).]

B. If the application of the existing collective bargaining agreement would cause a reduction in the
amount that is paid by the regional school unit for premiums for health insurance for the employee
and the employee's dependents, the regional school unit's payment must be maintained at the
amount that was paid immediately prior to the reassignment until the completion of negotiations
for a single regional school unit-wide collective bargaining agreement for the regional school unit-
wide bargaining unit as described in subsection 3 or the applicable collective bargaining agreement
or any interim successor agreement requires a higher payment, whichever occurs sooner. [PL
2007, c. 668, §6 (NEW).]

C. If the application of the existing collective bargaining agreement provides for coverage under a
different health insurance plan, the employee may elect to retain coverage under the health
insurance plan in which the employee was enrolled immediately prior to reassignment if the
eligibility provisions of the plan permit until the completion of negotiations for a single regional
school unit-wide collective bargaining agreement for the regional school unit-wide bargaining unit
as described in subsection 3. [PL 2007, c. 668, §6 (NEW).]

[PL 2007, c. 668, §6 (NEW).]

5. Bargaining units of employees of school unions. For purposes of section 1463, subsection 4
and this subsection, a school union that employed public employees, within the meaning of Title 26,
section 962, subsection 6, who were represented by a bargaining agent on the day prior to the
operational date of a regional school unit board of directors is considered to be a school administrative
unit.
[PL 2009, c. 580, §7 (NEW).]

SECTION HISTORY

§1464-A. Collective bargaining in alternative organizational structures

1. Assumption of obligations, duties, liabilities and rights. On and after the operational date of an alternative organizational structure, teachers and other employees whose positions are transferred from a school administrative unit or school union to the alternative organizational structure and were included in a bargaining unit represented by a bargaining agent continue to be included in the same bargaining unit and represented by the same bargaining agent pending completion of the bargaining agent and bargaining unit merger procedures and bargaining for initial alternative organizational structure collective bargaining agreements covering alternative organizational structure employees, as described in this section. After employees become employees of the alternative organizational structure, the alternative organizational structure has the obligations, duties, liabilities and rights of a public employer pursuant to Title 26, chapter 9-A with respect to those employees. [PL 2009, c. 580, §8 (NEW).]

2. Structure of bargaining units. All bargaining units of alternative organizational structure employees must be structured on an alternative organizational structure-wide basis. Teachers and other school employees who are employed by the alternative organizational structure to provide consolidated services must be removed from the existing bargaining units of teachers and other employees who are employed by each member school unit and merged into units of alternative organizational structure employees. Merger into alternative organizational structure-wide bargaining units is not subject to approval or disapproval of employees. Formation of alternative organizational structure-wide bargaining units must occur in accordance with this subsection.

A. In each alternative organizational structure, there must be one unit of teachers if any teachers are employed by the alternative organizational structure, and, to the extent they are on the effective date of this paragraph included in bargaining units, other certified professional employees, excluding principals and other administrators. [PL 2009, c. 580, §8 (NEW).]

B. Any additional bargaining units in an alternative organizational structure must be structured as follows.

(1) In the initial establishment of such units, units must be structured primarily on the basis of the existing pattern of organization, maintaining the grouping of employee classifications into bargaining units that existed prior to the creation of the alternative organizational structure and avoiding conflicts among different bargaining agents to the extent possible.

(2) In the event of a dispute regarding the classifications to be included within an alternative organizational structure-wide bargaining unit, the current bargaining agent or agents or the alternative organizational structure may petition the Maine Labor Relations Board to determine the appropriate unit in accordance with this section and Title 26, section 966, subsections 1 and 2. [PL 2009, c. 580, §8 (NEW).]

C. When there is the same bargaining agent in all bargaining units that will be merged into an alternative organizational structure-wide bargaining unit, the units must be separated and merged on the operational date or the date represented employees are transferred to the alternative organizational structure, whichever is applicable, and the alternative organizational structure shall recognize the bargaining agent as the representative of the merged unit. [PL 2009, c. 580, §8 (NEW).]

D. When all bargaining units that will be separated and merged into an alternative organizational structure-wide bargaining unit are represented by separate local affiliates of the same state labor organization, the units must be separated and merged on the operational date or the date represented employees are transferred to the alternative organizational structure, whichever is applicable. The identity of a single affiliate that will be designated the bargaining agent for the merged unit must be selected by the existing bargaining agents and the state labor organization. Upon completion of the merger and designation of the bargaining agent and notification by the state labor organization.
to the alternative organizational structure, the alternative organizational structure shall recognize
the designated bargaining agent as the representative of employees in the merged unit. If necessary,
the parties shall then execute a written amendment to any collective bargaining agreement then in
effect to change the name of the bargaining agent to reflect the merger. [PL 2009, c. 580, §8
(NEW).]

E. When there are bargaining units that will be separated and merged into an alternative
organizational structure-wide bargaining unit in which there are employees who are not represented
by any bargaining agent and other employees who are represented either by the same bargaining
agent or separate local affiliates of the same state labor organization, the units must be separated
and merged on the operational date or the date represented employees are transferred to the
alternative organizational structure, whichever is applicable, as long as a majority of employees
who compose the merged unit were represented by the bargaining agent prior to the merger. The
procedures for separation and merger of separate local affiliates of the same state labor organization
described in paragraph D must be followed if applicable. If prior to the merger a bargaining agent
did not represent a majority of employees who compose the merged unit, a bargaining agent
election must be conducted by the Maine Labor Relations Board pursuant to paragraph F. [PL
2009, c. 580, §8 (NEW).]

F. When bargaining units with different bargaining agents must be merged into a single alternative
organizational structure-wide bargaining unit pursuant to this section, the bargaining agent of the
merged bargaining unit must be selected in accordance with Title 26, section 967 except as
modified in this section.

1. A petition for an election to determine the bargaining agent must be filed with the Maine
Labor Relations Board by any of the current bargaining agents or the alternative organizational
structure.

2. The petition must be filed not more than 90 days prior to the first August 31st occurring
after either the 3rd anniversary date of the operational date of the alternative organizational
structure or the date on which positions are transferred from member school units to the
alternative organizational structure, whichever is later.

3. The election ballot may contain only the names of the bargaining agents of bargaining units
that will be merged into the alternative organizational structure-wide bargaining unit and the
choice of "no representative," but no other choices. A showing of interest is not required from
any such bargaining agent other than its current status as representative.

4. The obligation to bargain with existing bargaining agents continues from the operational
date of the alternative organizational structure or the date on which positions are transferred
from member school units to the alternative organizational structure, whichever is later, until
the determination of the bargaining agent of the alternative organizational structure-wide
bargaining unit under this section; but in no event may any collective bargaining agreement
that is executed after the operational date extend beyond the first August 31st occurring after
either the 3rd anniversary date of the operational date of the alternative organizational structure
or the date on which positions are transferred from member school units to the alternative
organizational structure, whichever is later.

5. The Maine Labor Relations Board shall expedite to the extent practicable all petitions for
determination of the bargaining agent in the alternative organizational structure filed pursuant
to this section.

6. The bargaining units must be merged into an alternative organizational structure-wide
bargaining unit as of the date of certification of the results of the election by the Maine Labor
Relations Board or the expiration of the collective bargaining agreements in the unit, whichever
occurs later.
(7) Until the first August 31st occurring after either the 3rd anniversary date of the operational date of the alternative organizational structure or the date on which positions are transferred from member school units to the alternative organizational structure, whichever is later, existing bargaining agents shall continue to represent the bargaining units that they represented on the day prior to the operational date of the alternative organizational structure. If necessary, each bargaining agent and the alternative organizational structure must negotiate interim collective bargaining agreements to expire the first August 31st occurring after either the 3rd anniversary date of the operational date of the alternative organizational structure or the date on which positions are transferred from member school units to the alternative organizational structure, whichever is later.

(8) When there are 2 or more bargaining units in which there are employees who are represented either by the same bargaining agent or by separate local affiliates of the same state labor organization that will be merged into an alternative organizational structure-wide bargaining unit with one or more other bargaining units pursuant to the election procedures described in this paragraph, the bargaining units that are represented either by the same bargaining agent or by separate local affiliates of the same state labor organization must merge as of the operational date. The procedures for merger of separate local affiliates of the same state labor organization described in paragraph D must be followed if applicable. [PL 2009, c. 580, §8 (NEW).]

3. Agent to engage in collective bargaining. After the merger of bargaining units in an alternative organizational structure, the bargaining agent of an alternative organizational structure-wide bargaining unit and the alternative organizational structure shall engage in collective bargaining for a collective bargaining agreement for the alternative organizational structure-wide bargaining unit. In the collective bargaining agreement for each alternative organizational structure-wide bargaining unit, the employment relations, policies, practices, salary schedules, hours and working conditions throughout the alternative organizational structure must be made uniform and consistent as soon as practicable. In the event that the parties are unable to agree upon an initial alternative organizational structure-wide collective bargaining agreement, the parties must use the dispute resolution procedures pursuant to Title 26, section 965 to resolve their differences. [PL 2009, c. 580, §8 (NEW).]

4. Application of collective bargaining agreements. On and after the operational date of an alternative organizational structure, but before the completion of negotiations for a single alternative organizational structure-wide collective bargaining agreement for the alternative organizational structure-wide bargaining unit, the wages, hours and working conditions of an employee of the alternative organizational structure who is in a bargaining unit and who is reassigned to a different position that is in a different bargaining unit but that upon the completion of the merger of bargaining units will be included in the same alternative organizational structure-wide bargaining unit must be determined by the terms of the collective bargaining agreement that applies to the position to which the employee is reassigned, except as provided in this subsection.

A. If the application of the collective bargaining agreement that applies to the position to which the employee is reassigned would cause a reduction in the employee's wage or salary rate, the employee's wage or salary rate must be maintained at the rate the employee was paid immediately prior to the reassignment until the completion of negotiations for a single alternative organizational structure-wide collective bargaining agreement for the alternative organizational structure-wide bargaining unit or the applicable collective bargaining agreement requires a higher wage or salary rate for the employee, whichever occurs sooner. [PL 2009, c. 580, §8 (NEW).]

B. If the application of the existing collective bargaining agreement that applies to the position to which the employee is reassigned would cause a reduction in the amount that is paid by the
alternative organizational structure for premiums for health insurance for the employee and the employee's dependents, the alternative organizational structure's payment must be maintained at the amount that was paid immediately prior to the reassignment until the completion of negotiations for a single alternative organizational structure-wide collective bargaining agreement for the alternative organizational structure-wide bargaining unit or the applicable collective bargaining agreement requires a higher payment, whichever occurs sooner. [PL 2009, c. 580, §8 (NEW).]

C. If the application of the existing collective bargaining agreement that applies to the position to which the employee is reassigned provides for coverage under a different health insurance plan, the employee may elect to retain coverage under the health insurance plan in which the employee was enrolled immediately prior to reassignment if the eligibility provisions of the plan permit until the completion of negotiations for a single alternative organizational structure-wide collective bargaining agreement for the alternative organizational structure-wide bargaining unit. [PL 2009, c. 580, §8 (NEW).]

To be included in the warrant, a petition must be received by the regional school unit board at least 15 days before the date set for the budget meeting. When placed on the warrant, the articles must be considered before action relating to the appropriation of money for the operation of schools may be taken.

**SECTION HISTORY**

§1486. **Budget validation referendum**

After January 31, 2008, the procedure for approval of the annual budget of a regional school unit must be in accordance with this section and section 1485. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

1. **Budget validation.** Following development of the annual regional school unit budget and approval at a regional school unit budget meeting as provided in section 1485, a referendum must be held in the regional school unit as provided in this section to allow the voters to validate or reject the total budget adopted at the regional school unit budget meeting.

Every 3 years, the voters in a regional school unit shall consider continued use of the budget validation referendum process. The warrant at the budget validation referendum in the 3rd year following adoption or continuation of the referendum process must include an article by which the voters of the school administrative unit may indicate whether they wish to continue the process for another 3 years. The warrant for the referendum to validate the fiscal year 2010-11 budget is deemed the 3rd-year warrant. A vote to continue retains the process for 3 additional years. A vote to discontinue the process ends its use beginning with the following budget year and prohibits its reconsideration for at least 3 years.
An article to consider reinstatement of the budget validation referendum process may be placed on a warrant for a referendum vote by either a majority vote of the regional school unit board or a written petition filed with the regional school unit board by at least 10% of the number of voters voting in the last gubernatorial election in the municipalities in the school administrative unit. The regional school unit board shall place the article on the next scheduled warrant or an earlier one if determined appropriate by the regional school unit board. If adopted by the voters, the budget validation referendum process takes effect beginning in the next budget year or the following budget year if the adoption occurs less than 90 days before the start of the next budget year. Once approved by the voters, the budget validation referendum process may not be changed for 3 years.

[PL 2011, c. 171, §3 (AMD).]

2. Validation referendum procedures. The budget validation referendum must be held on or before the 30th calendar day following the scheduled date of the regional school unit budget meeting. The referendum may not be held on a Sunday or legal holiday. The vote at referendum is for the purpose of approving or rejecting the total regional school unit budget approved at the regional school unit budget meeting. The regional school unit board shall provide printed information to be displayed at polling places to assist voters in voting. That information is limited to the total amounts proposed by the regional school unit board for each cost center summary budget category article, the amount approved at the regional school unit budget meeting, a summary of the total authorized expenditures and, if applicable because of action on an article under section 15690, subsection 3, paragraph A, a statement that the amount approved at the regional school unit budget meeting includes locally raised funds that exceed the maximum state and local spending target pursuant to section 15671-A, subsection 5. If the legislative body of the regional school unit at the regional school unit budget meeting approves an article pursuant to section 1485, subsection 5, the substance of the article must be included in the printed information displayed at polling places for the budget validation referendum.

[PL 2015, c. 463, §2 (AMD).]

3. Budget validation referendum voting. The method of calling and voting at a budget validation referendum is as provided in sections 1502 and 1503, except as otherwise provided in this subsection or as is inconsistent with other requirements of this section.

A. A public hearing is not required before the vote. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. [PL 2007, c. 668, §20 (RP).]

C. The warrant and absentee ballots must be delivered to the municipal clerk no later than the day after the date of the regional school unit budget meeting. [PL 2007, c. 668, §20 (AMD).]

D. Absentee ballots received by the municipal clerk may not be processed or counted unless received on the day after the conclusion of the regional school unit budget meeting and before the close of the polls. [PL 2007, c. 668, §20 (AMD).]

E. All envelopes containing absentee ballots received before the day after the conclusion of the regional school unit budget meeting or after the close of the polls must be marked "rejected" by the municipal clerk. [PL 2007, c. 668, §20 (AMD).]

F. The article to be voted on must be in the following form:

(1) "Do you favor approving the (name of regional school unit) budget for the upcoming school year that was adopted at the latest (name of regional school unit) budget meeting? Yes No" [PL 2009, c. 415, Pt. B, §7 (RPR).]

[PL 2009, c. 571, Pt. E, §4 (AMD).]

4. Failure to approve budget. If the voters do not validate the budget approved in the regional school unit budget meeting at the budget validation referendum vote, the regional school unit board
shall hold another regional school unit budget meeting in accordance with this section and section 1485 at least 10 days but no longer than 45 days after the referendum to vote on a budget approved by the regional school unit board. The budget approved at the regional school unit budget meeting must be submitted to the voters for validation at referendum in accordance with this section. The process must be repeated until a budget is approved at a regional school unit budget meeting and validated at referendum. If a budget is not approved and validated before July 1st of each year, section 1487 applies. [PL 2011, c. 678, Pt. B, §1 (AMD).]

SECTION HISTORY

§1487. Failure to pass budget

If a budget for the operation of a regional school unit is not approved prior to July 1st, the latest budget approved at a regional school unit budget meeting and submitted to the voters for validation at a referendum in accordance with section 1486 is automatically considered the budget for operational expenses for the ensuing year until a final budget is approved, except that, when the regional school unit board delays the regional school unit budget meeting, the operating budget must be approved within 30 days of the date the commissioner notifies the regional school unit board of the amount allocated to the regional school unit under section 15689-B, or the latest budget submitted by the regional school unit board becomes the operating budget for the next school year until a budget is approved at a regional school unit budget meeting and validated at a referendum. If the budget of a regional school unit is not approved and validated before July 1st and the officers of any affected municipality determine that the property taxes must be committed in a timely manner to the collector pursuant to Title 36, section 709, the municipal assessor or assessors may commit the property taxes on the basis of the latest budget approved at a regional school unit budget meeting and submitted to the voters for validation at a referendum in accordance with section 1486. [PL 2007, c. 668, §21 (AMD).]

SECTION HISTORY

§1488. Special budget meeting

The regional school unit board may call a special budget meeting when it declares that an emergency exists. The voters of the regional school unit may authorize the regional school unit board at a special regional school unit budget meeting to expend additional funds from the regional school unit's undesignated fund balance or to pledge the credit of the regional school unit to obtain additional money for the operation of schools. A special budget meeting held on or after July 1, 2008 must be conducted in accordance with sections 1485 and 1486. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

SECTION HISTORY

§1489. Regional school unit assessments

Regional school unit assessments must follow the procedures set out in this section. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

1. Warrant. In accordance with the budget approved by the voters at an annual budget meeting and in substantially the same form as the warrant of the Treasurer of State for taxes, the regional school unit board shall issue its warrants to the assessors of each member municipality requiring them to assess upon the taxable estates within the municipality an amount that is that municipality's share of the regional school unit's costs.
2. **Commitment.** The municipal assessors shall commit the assessment to the constable or collector. Constables and collectors have the authority and powers to collect the regional school unit's taxes as is vested in them by law to collect state, county and municipal taxes.

3. **Installments.** The regional school unit board shall notify the member municipalities of the monthly installments that will become payable during the fiscal year.

4. **Payment.** A municipal treasurer shall pay the amount of the tax assessed in the fiscal year against the municipality to the treasurer of the regional school unit. The payments must be paid in monthly installments on or before the 20th of each month.

5. **Gifts.** A municipality may use the proceeds from gifts or trust funds allocated for educational purposes to pay its share of the assessment.

6. **Enforcement.** If a municipal treasurer fails to pay the installment due, or any part, on the dates required, to initiate collection procedures, the treasurer of the regional school unit may notify the municipal treasurer of the failure to pay. Interest accrues on each unpaid installment at the rate established under Title 36, section 186 beginning on the 60th day after the date the installment is due under subsection 4. If payment of an installment is not made within 60 days after the due date, the treasurer of the regional school unit may initiate an action in Superior Court to compel payment of the delinquent installment. The court shall determine the amount owed by the municipality to the regional school unit and shall order the municipal treasurer to pay all delinquent installments, accrued interest and any court costs and reasonable attorney's fees incurred by the regional school unit. To ensure prompt payment of the delinquent installments, the court may require that amounts due to the municipality from the State under Title 30-A, section 5681 and Title 36, sections 578 and 685 be paid to the regional school unit until the amount determined by the court is satisfied. The court shall promptly notify the disbursing state agency of the determination and direct the agency to make the required change in payee and the amounts to be paid. If additional funds are needed to satisfy the amount determined by the court to be paid to the regional school unit, the court may order the attachment or trustee process and sale of real or personal property owned by the municipality or the attachment of the municipality's bank accounts or require property tax payments to the municipality to be turned over to the court and may pay the amount owed the regional school unit from the proceeds and return any excess to the municipality.

§1490. **Power to borrow money**

1. **Regional school unit board.** A regional school unit board may borrow money to pay for:
   A. Current operating expenses of the regional school unit if the loans are repaid within 13 months of the date of borrowing and are limited to an amount reasonably required for current operating expenses; [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]
   B. School construction projects as defined in section 15901; and [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]
   C. Minor capital costs as defined in section 15672, subsection 20-A. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]
2. **Voter approval.** Bonds or notes for school construction purposes must first be approved by a majority of voters of the regional school unit voting at an election called by the regional school unit board and held as provided in this chapter, except as is otherwise provided in this section.

A. Each bond or note must have inscribed upon its face the name of the regional school unit, the date it was issued, the amount of the bond or note and the annual interest rate, payable semiannually. Each bond or note must be in the form and be sold in the manner, at public or private sale, as the regional school unit board determines in accordance with state law. Bonds may not be sold for less than par. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. Notes or bonds issued by a regional school unit must be signed by the treasurer or assistant superintendent and countersigned by the chair of the regional school unit board. If coupon bonds are issued, each coupon must be attested by a facsimile signature of the treasurer. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

C. Each issue of bonds must mature in substantially equal annual installments so that the first installment is payable not later than 2 years and the last installment not later than 25 years after the date of issue. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

D. Notwithstanding paragraph C, bonds issued by a regional school unit for a non-state-funded school construction project under section 15905-A that is 100% locally funded may be repaid using a level debt payment structure only if the payment structure results in lower costs for the regional school unit throughout the life of the issue of the bonds. For purposes of this paragraph, "level debt payment structure" means a debt service structure in which the combined annual principal and interest payments remain approximately the same throughout the life of the issue of the bonds with increasing principal amounts and decreasing interest amounts each year. [PL 2015, c. 181, §1 (NEW).]

3. **Temporary notes.** Prior to issuing authorized school construction bonds or notes, the regional school unit board may borrow in anticipation of their sale by issuing temporary notes and renewal notes subject to this subsection.

A. The total face value amount of the temporary notes and renewal notes may not exceed at any one time the authorized outstanding amount of the school construction bonds or notes. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. If the proceeds of an issue of bonds are used in whole or in part to fund temporary notes, the period during which the issue of bonds is outstanding plus the period of the loan represented by the temporary notes or renewal notes may not exceed 25 years. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

C. Temporary notes mature not later than 3 years from the date the first temporary note is issued. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

D. Temporary notes and renewal notes are legal obligations of the regional school unit. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

E. A regional school unit board that has received a certificate of approval of a school construction project pursuant to former Title 20, section 3458 to be paid in accordance with the alternate method prescribed in former Title 20, section 3460 may borrow in anticipation of unpaid portions of state aid and may issue temporary and renewal notes. [PL 2019, c. 398, §10 (AMD).]

F. If the temporary or renewal notes in anticipation of state aid exceed the aggregate amount of state aid actually received by the regional school unit, the unexpended balance of those notes must be used for the repayment. If an outstanding balance remains, it must be included in the next annual
budget and is not subject to change at the regional school unit budget meeting. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]
[PL 2019, c. 398, §10 (AMD).]

4. Early redemption. Bonds or notes issued on behalf of a regional school unit may be made subject to call for redemption, with or without premium, at the election of the regional school unit board before the date fixed for final payment of those bonds or notes. When these bonds or notes are issued, they must contain provisions setting forth the method by which the option to call may be exercised, the procedure for payment in the event of call and the legal effect of making the call.
[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

5. Regional school unit status. Notes and bonds, and loans to pay current operating expenses and contracts, are legal obligations of the regional school unit. The regional school unit is a quasi-municipal corporation within the meaning of Title 30-A, section 5701, and all the provisions of that section apply to it.
[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

6. Debt limit. The aggregate principal amount of outstanding bonds or notes issued by a regional school unit for school construction purposes may not exceed, at any one time, 10% of the total of the last preceding state valuation of all the municipalities within the regional school unit plus an amount not to exceed 4% of that total regional school unit valuation set by the state board at the time of the initial approval of the school construction project.

A. Indebtedness in excess of 10% incurred under the law as it existed prior to April 1, 1974 is validated. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. Outstanding school indebtedness assumed by the regional school unit must be included in its limit of indebtedness, excluding contracts and notes in anticipation of state aid issued pursuant to subsection 3. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

C. The percentage limit of the indebtedness for bonds or notes for school construction purposes authorized after April 27, 1967 must be fixed as of the time of authorization by the voters or, if no regional school unit meeting is held to authorize those bonds or notes, upon the expiration of 35 days following passage of a resolution of the regional school unit board as described in subsection 7. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

D. If the issuance of bonds or notes together with all outstanding indebtedness included within the regional school unit's limit of indebtedness would cause the regional school unit's indebtedness to exceed 10% of the total of the last preceding state valuation of all the municipalities within the regional school unit, the regional school unit board may not issue those bonds or notes until it has received a certificate of approval pursuant to former Title 20, section 3458. [PL 2019, c. 398, §11 (AMD).]

E. If a certificate of approval under former Title 20, section 3458 indicates that the state board has authorized state aid to be paid in accordance with the alternate method prescribed by former Title 20, section 3460, the total estimated amount of state aid payable on account of the school construction project described in the certificate of approval must be treated as outstanding school indebtedness for the purpose of computing the borrowing capacity of the regional school unit to finance that project by issuing its bonds or notes. State aid is determined by applying the applicable percentage of state aid to the total estimated cost of the project, as set forth in the certificate of approval. [PL 2019, c. 398, §11 (AMD).]

[PL 2019, c. 398, §11 (AMD).]

7. Bonds and notes under 1% of valuation. The regional school unit board may issue bonds or notes not to exceed 1% of the last preceding state valuation of all the municipalities within the regional school unit:
A. By calling a regional school unit meeting to approve the issuance of those bonds or notes; or [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. By passing a resolution to that effect, setting forth the amount of the proposed issue and the purposes for which the proceeds will be used and meeting the following requirements.

(1) The secretary of the regional school unit board shall, within 5 days of the date of the passage of the resolution, cause attested copies of the resolution to be posted in 3 public and conspicuous places within each of the municipalities within the regional school unit. The secretary shall make a return of the posting stating its time and place. The return must be kept with the records of the regional school unit, and a copy of the return must be mailed to each of the municipal officers of each municipality within the regional school unit.

(2) If, within 35 days of the date of the passage of the resolution, petitions with signatures of at least 10% of the residents in the regional school unit eligible to vote on the date that the resolution was adopted are filed with the secretary requesting a vote of the regional school unit to approve or disapprove the issuance of the bonds or notes, the secretary of the regional school unit board shall immediately notify the regional school unit board. The regional school unit board shall call a referendum for that purpose as set forth in this chapter.

(3) The regional school unit board may not authorize bonds or notes by resolution if the amount of the proposed issue, together with the amount of any other bonds or notes authorized solely by resolution and that are for the same purpose, exceeds 1% of the total of the last state valuation of all the participating municipalities. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

§1491. Reserve fund

1. Establishment. A regional school unit may establish a reserve fund for school construction projects, financing the acquisition or reconstruction of a specific or type of capital improvement or financing the acquisition of a specific item or type of capital equipment by including a request in the regional school unit budget and receiving voter approval. The regional school unit board is the trustee of the reserve fund. The reserve fund must be deposited or invested by the treasurer of the regional school unit under the direction of the regional school unit board. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

2. Deposit or investment. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

3. Expending money from reserve funds. The regional school unit board may expend the sum in the reserve fund when authorized to do so by a vote of the regional school unit at a regional school unit meeting or a regional school unit budget meeting when an article for that purpose is set out in the warrant calling the meeting. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

§1492. Bid procedure
**1. Written bids.** Bids must be in writing, sealed with the outside envelope or wrapper plainly marked "Bid, not to be opened until (appropriate date)" and mailed to or filed with the superintendent. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

SECTION HISTORY

§1504. Reconsideration

The procedure to reconsider votes taken at a regional school unit referendum is as set out in this section. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

1. Time limit. The regional school unit board shall, within 60 days, initiate a new regional school unit referendum to reconsider the vote of the previous referendum if, within 7 days of the first referendum, at least 10% of the number of voters voting for the gubernatorial candidates in the last gubernatorial election in the municipalities within the regional school unit petition to reconsider a prior regional school unit referendum vote. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

2. Required quorum. A reconsideration referendum is not valid unless the number of persons voting in that referendum is at least equal to the number who voted in the prior regional school unit referendum. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]
3. **Bond.** If the margin of the vote being reconsidered was between 10% and 25%, the petitioners shall post a bond with the petition equal to the actual and reasonable costs of the new referendum. If the margin of the vote being reconsidered exceeded 25%, the petitioners shall post an additional bond equal to the actual and reasonable costs that may be incurred as a result of the delay of an authorization or approval granted in the prior regional school unit referendum. If the petitioners are successful, the bonds must be canceled.  
[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

### SECTION HISTORY

§1505. Bonds; notes; other

All bonds, notes or other evidences of indebtedness issued for regional school unit purposes by a regional school unit for major capital expenses, bus purchases or current operating expenses, including tax or other revenue anticipation notes, are general obligations of the regional school unit.  
[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

1. **Tax assessments.** The municipal officers or regional school unit board shall require the sums that are necessary to meet in full the principal of and interest on the bonds, notes or other evidences of indebtedness issued pursuant to this section payable in each year to be assessed and collected in the manner provided by law for the assessment and collection of taxes.  
[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

2. **Reduction.** The sums to be assessed and collected under subsection 1 must be reduced by the amount of an allocation of funds appropriated by the Legislature to pay the principal and interest owed by the regional school unit in a given year as certified to the regional school unit by the commissioner. The commissioner shall certify the amount due to the regional school unit within 30 days of its appropriation by the Legislature.  
[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

3. **Collection.** After assessment and reduction under subsection 2, the remaining sum must be paid from ad valorem taxes, which may be levied without limit as to rate or amount upon all the taxable property within the regional school unit.  
[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

### SECTION HISTORY

§1506. Debt liability

1. **Definitions.** As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

   A. "Existing debt" means any bond, note, loan agreement, lease-purchase agreement or other debt instrument issued prior to July 1st of the first operational year of the new unit for the purposes of funding public schools and career and technical education regions, or for refinancing such debt, that remains outstanding at the time of a reorganization pursuant to this chapter. "Existing debt" does not include routine payables or commercial contract obligations.  
   [PL 2007, c. 668, §22 (AMD).]

   B. "Original education unit" means:

   (1) A previous education unit that has existing debt;

   (2) A municipality that has existing debt incurred on behalf of a previous education unit; or
(3) A previous education unit within a career and technical education region as defined by section 8301-A that has existing debt. [PL 2007, c. 668, §23 (AMD).]

C. "New unit" means a regional school unit created or established pursuant to this chapter. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

[PL 2007, c. 668, §§22, 23 (AMD).]

2. Liability remains with original unit. Existing debt held by an original education unit remains the obligation of that original education unit after reorganization pursuant to this chapter. An original education unit may not be finally dissolved while any existing debt held by the original education unit remains outstanding. All aspects of an original education unit's administrative or political organization may be merged into a new unit or otherwise modified to accomplish the purposes of this chapter but its existing debt and its right to secure payment of such debt from income streams that existed at the time of the issuance of such debt may not be affected or altered except as authorized by this section.

A. A new unit may agree to pay the existing debt of an original education unit that is included within the new unit. If the new unit pays the existing debt, the original education unit is relieved of paying that debt, but, in the event that the new unit fails to pay any amount of the existing debt, the original education unit remains responsible for the deficiency. The original education unit shall ensure that timely payments of existing debt are made, regardless of whether the new unit has agreed to make the debt payments. An original education unit may contract with a new unit for the administration of, transfer or delegate to and a new unit may accept and exercise on behalf of the original education unit for the remaining term of any existing debt all those powers and duties reasonable and necessary for the payment of existing debt of the original education unit. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. Notwithstanding any other provision of law or any provision of any trust agreement, a new unit may use any sinking fund or other money set aside by the original education unit to pay an existing debt to pay that debt. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

C. A new unit may issue bonds or other debt instruments for the purpose of refinancing or retiring the existing debt of an original education unit. The issuance of such bonds or other debt must be in accordance with applicable procedural requirements, including the procedural requirements of section 1490. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

3. No impact on state debt subsidies. A change in any administrative or political organization resulting from the creation of a new unit may not affect any state subsidy with respect to existing debt or the relative portion of any such debt paid or reimbursed by the State except as provided in this subsection.

A. The original education unit may continue to pay its existing debt obligations in due course as though no new unit had been created and its choice to do so may not reduce or otherwise affect the level of state assistance or subsidy with respect to that existing debt. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

B. If the original education unit and the new unit choose to refinance the existing debt, the state subsidy or assistance with respect to the debt must be determined as of the date of the new issuance and must be based on that refinancing and not on any previous subsidy or assistance calculation related to the existing debt. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

[PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

4. Debt of original education units. After July 1st of the first operational year of the new unit for each original education unit with existing debt that has reorganized into a new unit, if the new unit has not agreed to assume liability to pay that existing debt, the regional school unit board shall serve as agent for purposes of that existing debt and has full authority to:
A. Sue and be sued in the name of the original education unit with respect to the existing debt; [PL 2011, c. 691, Pt. A, §18 (RPR).]

B. Determine the debt service due each fiscal year on any existing debt; [PL 2011, c. 691, Pt. A, §18 (RPR).]

C. As applicable, allocate to each member of the original education unit the member's share of the annual debt service for the existing debt of the original education unit in addition to each member's share of costs of the new unit; [PL 2011, c. 691, Pt. A, §18 (RPR).]

D. Collect the allocation for debt service on the existing debt from the original education unit or, as applicable, from each member of the original education unit in addition to each member's share of costs of the new unit; [PL 2011, c. 691, Pt. A, §18 (RPR).]

E. Pay the debt service on the existing debt of the original education unit when due; and [PL 2011, c. 691, Pt. A, §18 (RPR).]

F. Take all other actions necessary and proper with respect to the existing debt. [PL 2011, c. 691, Pt. A, §18 (RPR).]

Allocations between members of the original education unit to pay the debt service for the existing debt must be made on the basis of the cost-sharing formula of the original education unit in effect on July 1, 2007, as applied to the year of allocation. In the case of state-subsidized debt service, the provisions of subsection 3 apply. Amounts to pay the debt service on the existing debt of the original education units must be included in the budget that the regional school unit board of a new unit submits for approval. If the original education unit is divided between different new units that have not agreed to assume liability to pay the existing debt, the commissioner shall require that the reorganization plan of one of those new units provide for that new unit to serve as agent for purposes of the existing debt of the original education unit. That new unit, as agent, has the authority provided by this subsection, except that the new unit shall notify the other new units containing members of the original education unit of the amounts they must assess and collect from their members who were members of the original education unit, and those other new units shall perform the functions in paragraphs C and D with respect to their members, and shall pay the appropriate amounts over to the new unit serving as agent. [PL 2011, c. 691, Pt. A, §18 (RPR).]

5. Bonds to complete school construction and renovation. If the legislative body of an original education unit has authorized the issuance of bonds for a school construction project or a minor capital project, but that original education unit has not yet issued all of the authorized permanent bonds for that project, the board of the new unit that includes all the members of the original education unit shall issue bonds or notes necessary to finance the completion of that project and to refund temporary notes that the original education unit issued in anticipation of permanent bonds for that project. No further action by the legislative body of the new unit is required. The bonds at any time outstanding for the project may not exceed the amount authorized by the legislative body of the original education unit except to the extent necessary to refund temporary notes on a current basis. Bonds or notes issued by the regional school unit board to complete projects of an original education unit and to refund temporary project notes of an original education unit must be issued in the name of the original education unit and otherwise must be in the form and be subject to the procedural requirements provided by section 1490 except as provided by this subsection. Upon issuing debt in accordance with this subsection, the regional school unit board shall serve as agent of the original education unit for purposes of that debt and has the same authority as is provided in subsection 4 for existing debt. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

SECTION HISTORY

SUBCHAPTER 6

SCHOOLS

§1511. Supermajority vote to close school in the regional school unit

A school operated within the regional school unit may not be closed for lack of need unless closure of the school is approved at a regular or special meeting of the regional school unit board by an affirmative vote of 2/3 of the elected membership or voting power of those serving on the regional school unit board at the time of the vote. A regional school unit must proceed in accordance with section 1512 for elementary schools or for secondary schools if the regional school unit has more than one secondary school. For regional school units with only one member municipality, section 1512 does not apply and the regional school unit must proceed in accordance with section 4102, subsection 4, paragraph B-1. [PL 2011, c. 678, Pt. K, §1 (AMD).]

SECTION HISTORY

§1512. Closing school

1. Vote; cost of election. A school in a member municipality of a regional school unit may not be closed unless the voters in the member municipality vote on the article in accordance with the referendum procedure set forth in this chapter.

"Article: Do you favor authorizing the board of directors of (name of regional school unit) to close ............................................. (name of school)?

Yes No

The additional cost of keeping the school open has been estimated by the regional school unit board to be $ ..........."

The election must be conducted within that member municipality only, pursuant to department rule, and the costs of the election are borne by the regional school unit. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

2. Expense of keeping the school open. If the voters vote by a majority vote to keep the school open, the member municipality is liable for some additional expense for actual local operating costs and transportation operating costs as defined in section 15672. The determination of costs is subject to the approval of the commissioner. The cost to be borne by the municipality voting to keep a school open is the amount that would be saved if the school were closed. Any additional costs that must be borne by the member municipality must be part of the article presented to the voters at the meeting to determine whether the school should remain open. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

3. Costs and procedures during subsequent years. During any year subsequent to the year during which a school remains open contrary to the regional school unit board's vote to close that school as a result of a municipal referendum, the school will be open without any additional cost to the municipality except as described in paragraphs A and B.

A. If the regional school unit board again votes to close the school and the voters of the member municipality again vote to keep the school open, as described in this subsection, then the school will remain open and the member municipality will be obligated to pay the additional costs as described in subsection 2. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]
B. If the regional school unit board again votes to close the school and the voters of the member municipality fail to vote to keep the school open, then the school is closed. In this event, the school may be reopened only if the regional school unit board votes to reopen the school. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

4. Definition of school closing. For purposes of this section, a school closing is any action by the regional school unit board that has the effect of providing no instruction for any students at that school. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

5. Method of payment by liable municipality. If a municipality is liable for additional expenses as determined in subsection 3, paragraph A, then the amount of this additional expense must be subtracted from the regional school unit budget before each member municipality's assessment is computed. This additional expense must be paid by the member municipality that is liable in equal monthly amounts, unless the regional school unit and that member municipality mutually agree to another method of payment. [PL 2007, c. 240, Pt. XXXX, §13 (NEW).]

6. Multiple municipalities. If a school proposed for closure is a school that serves students from more than one municipality, the article set forth in subsection 1 must be submitted to the voters in each of the municipalities that sent all students from that municipality to the school. If a majority of the voters in each of the municipalities vote to keep the school open, the school is not closed and the municipalities share in the costs under this section in the same proportion as they share the current operating costs of the school. [PL 2009, c. 213, Pt. OOOO, §1 (AMD).]
