SECTION HISTORY

§5115. Coordinated community programs

Coordinated community programs are authorized to be provided by the office through grants to each area agency with a plan approved under section 5118 for paying part of the cost, pursuant to the last 2 paragraphs of this section, of the preparation, development and administration of a plan by each area agency designated pursuant to section 5116, subsection 1, paragraph B for a coordinated community program consistent with section 5118 and the evaluation of activities carried out under such plan; and the development and provision of coordinated community programs for the delivery of social services. [RR 2011, c. 2, §28 (COR).]

From the sums appropriated for any fiscal year, each area agency shall be allotted an amount which bears the same ratio to such sum as the population aged 60 or over in such geographical boundaries of the area served by the area agency bears to the population aged 60 or over in the entire State. [PL 1973, c. 630, §1 (NEW).]

The number of persons aged 60 or over in the geographical boundaries of the area served by any area agency and in the entire State must be determined by the commissioner on the basis of the most recent and satisfactory data available to the commissioner. [PL 2015, c. 494, Pt. D, §6 (AMD).]

Whenever the commissioner determines that any amount allotted to an area agency for a fiscal year under this section will not be used by such agency for carrying out the purpose for which the allotment was made, the commissioner shall make such amount available for carrying out such purpose to one or more other area agencies to the extent the commissioner determines such other area agencies will be able to use such additional amount for carrying out such purpose. Any amount made available to an area agency from an appropriation for a fiscal year pursuant to the preceding sentence must, for purposes of this section, be regarded as part of such agency's allotment, as determined under the preceding provisions of this section for such year. [PL 2015, c. 494, Pt. D, §6 (AMD).]

From such agency's allotment under this section for a fiscal year, such amount as the state agency determines, but not more than 15% thereof, shall be available for paying such percentage as the state agency determines, but not more than 75% of the cost of administration of area plans; and such amount as the state agency determines, but not more than 20% thereof, shall be available for paying such percentage as the state agency determines, but not more than 50%, of the cost of social services which
are not provided as a part of a coordinated community program in program areas for which there is an area plan approved by the state agency. [PL 1973, c. 630, §1 (NEW).]

The remainder of such allotment shall be available to the area agency only for paying such percentage as the state agency determines, but not more than 75% of the cost of social services provided in the area as a part of a coordinated community program in a service area in which there is an area plan approved by the state agency. [PL 1973, c. 630, §1 (NEW).]

B. The state agency must, in accordance with regulations of the commissioner, designate an area agency as the sole area agency to:

(1) Develop the area plan to be submitted to the commissioner for approval under section 5118;
(2) Administer the area plan within such area;
(3) Be primarily responsible for the coordination of all area activities related to the purposes of this Act; and

Provide for the establishment and maintenance of information and referral sources in sufficient numbers to assure that all older persons within the planning and service area covered by the plan will have reasonably convenient access to such sources. For purposes of this paragraph, an information and referral source is a location where a public or private agency or organization:

      (1) Maintains current information with respect to the opportunities and services available to older persons, and develops current lists of older persons in need of services and opportunities; and

      (2) Render appropriate technical assistance to providers of social services in the planning and service area covered by the area plan;

      (4) Take into account, in connection with matters of general policy arising in the development and administration of the area plan, the recommendations of older people in need of or served by social services provided under such plan;

      (5) When possible, enter into arrangements with organizations providing children services so as to provide opportunities for older persons to aid or assist, on a voluntary basis, in the delivery of such services to children; and
(6) Establish an advisory council, which may be the board of directors or a subcommittee thereof, of the area agency consisting of at least 65% older people representatives of the target population and the general public, to advise the area agency on all matters relating to the administration of the plan and operations conducted thereunder. [PL 2015, c. 494, Pt. D, §8 (AMD).]

F. Provide that the area agency will make such reports, in such form and containing such information as the commissioner may from time to time require, and comply with such requirements as the commissioner may impose to assure the correctness of these reports; [PL 2015, c. 494, Pt. D, §8 (AMD).]

G. Establish objectives consistent with the purposes of this Title toward which activities under the plan will be directed, identify obstacles to the attainment of those objectives and indicate how it proposes to overcome those obstacles; [PL 2015, c. 494, Pt. D, §8 (AMD).]

Provide that no social service will be directly provided by the state agency or an area agency, except when, in the judgment of the state agency, provision of that service by the state agency or an area agency is necessary to assure an adequate supply of that service; and [PL 2015, c. 494, Pt. D, §8 (AMD).]

I. Provide that preference must be given to persons aged 60 or over for any staff positions, full-time or part-time, in area agencies for which these persons qualify. [PL 2015, c. 494, Pt. D, §8 (AMD).]

[PL 2015, c. 494, Pt. D, §8 (AMD).]

2. Approval of area plan. The commissioner shall approve any area plan that the commissioner finds fulfills the requirements of subsection 1, paragraphs A to I. [PL 2015, c. 494, Pt. D, §8 (AMD).]

3. Notice and opportunity for hearing. The commissioner may not make a final determination disapproving any area plan, or any modification thereof, or make a final determination that an area agency is ineligible under section 5116, without first affording the area agency reasonable notice and opportunity for a hearing. [PL 2015, c. 494, Pt. D, §8 (AMD).]

4. Findings. Whenever the director, after reasonable notice and opportunity for hearing to the area agency, finds that:

A. The area agency is not eligible under section 5116; [PL 1981, c. 470, Pt. A, §117 (NEW).]

B. The area plan has been so changed that it no longer complies with subsection 1, paragraphs A to I; or [PL 1981, c. 470, Pt. A, §117 (NEW).]

C. In the administration of the plan, there is a failure to comply substantially with any provision of subsection 1, paragraphs A to I, the commissioner shall notify the area agency that no further payments from its allotments under section 5115 and Section 306 of the federal Older Americans Act of 1965, 42 United States Code, Section 3026 will be made to the agency or, in the commissioner's discretion, that further payments to the agency will be limited to projects under or portions of the area plan not affected by the failure, until the commissioner is satisfied that there
will no longer be any failure to comply. Until the commissioner is so satisfied, further payments may not be made to the agency from its allotments under section 5115, or payments may be limited to projects under or portions of the area plan not affected by the failure. The commissioner shall, in accordance with rules adopted by the commissioner, disburse funds so withheld directly to any public or nonprofit private organization or agency of the area, submitting an approved plan in accordance with section 5116. Any payment or payments must be matched in the proportions specified in section 5116. [PL 2015, c. 494, Pt. D, §8 (AMD).]

5. Final action; dissatisfaction. An agency that is dissatisfied with a final action under subsection 2, 3 or 4 may appeal to the commissioner by filing a petition with the commissioner within 60 days after final action. The judgment of the commissioner affirming or setting aside, in whole or in part, any action is final.
