§2353. Naloxone hydrochloride

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Health care professional" means a person licensed under Title 32 who is authorized to prescribe naloxone hydrochloride. [PL 2013, c. 579, §1 (NEW).]

B. "Immediate family" has the same meaning as set forth in Title 21-A, section 1, subsection 20. [PL 2013, c. 579, §1 (NEW).]

C. "Opioid-related drug overdose" means a condition including, but not limited to, extreme physical illness, decreased level of consciousness, respiratory depression, coma or death resulting from the consumption or use of an opioid, or another substance with which an opioid was combined, or a condition that a reasonable person would believe to be an opioid-related drug overdose that requires medical assistance. [PL 2013, c. 579, §1 (NEW).]

D. "Pharmacist" means a pharmacist authorized to prescribe and dispense naloxone hydrochloride pursuant to Title 32, section 13815. [PL 2017, c. 364, §1 (AMD).]

E. "Recovery residence" means a shared living residence for individuals recovering from substance use disorder that is focused on peer support, provides to its residents an environment free of alcohol and illegal drugs and assists its residents by connecting the residents to support services or resources in the community that are available to persons recovering from substance use disorder. [PL 2019, c. 292, §2 (NE).] [PL 2019, c. 292, §2 (AMD).]

2. Prescription; possession; administration. The prescription, possession and administration of naloxone hydrochloride is governed by this subsection.

A. A health care professional may directly or by standing order prescribe naloxone hydrochloride to an individual at risk of experiencing an opioid-related drug overdose. [PL 2015, c. 351, §1 (AMD).]

A-1. A pharmacist may prescribe and dispense naloxone hydrochloride in accordance with protocols established under Title 32, section 13815 to an individual of any age at risk of experiencing an opioid-related drug overdose. [PL 2017, c. 417, §1 (RPR).]

A-2. [PL 2017, c. 417, §2 (RP).]

B. An individual to whom naloxone hydrochloride is prescribed or dispensed in accordance with paragraph A or A-1 may provide the naloxone hydrochloride so prescribed or dispensed to a member of that individual's immediate family to possess and administer to the individual if the family member believes in good faith that the individual is experiencing an opioid-related drug overdose. [PL 2015, c. 508, §2 (AMD).]

C. A health care professional may directly or by standing order prescribe naloxone hydrochloride to a member of an individual's immediate family or a friend of the individual or to another person in a position to assist the individual if the individual is at risk of experiencing an opioid-related drug overdose. [PL 2015, c. 351, §1 (AMD).]

C-1. A pharmacist may prescribe and dispense naloxone hydrochloride in accordance with protocols established under Title 32, section 13815 to a person of any age who is a member of an individual's immediate family or a friend of the individual or to another person in a position to assist the individual if the individual is at risk of experiencing an opioid-related drug overdose. [PL 2017, c. 417, §3 (RPR).]

C-2. [PL 2017, c. 417, §4 (RP).]
D. If a member of an individual's immediate family, friend of the individual or other person is prescribed or provided naloxone hydrochloride in accordance with paragraph C or C-1, that family member, friend or other person may administer the naloxone hydrochloride to the individual if the family member, friend or other person believes in good faith that the individual is experiencing an opioid-related drug overdose. [PL 2015, c. 508, §2 (AMD).]

Nothing in this subsection affects the provisions of law relating to maintaining the confidentiality of medical records. [PL 2017, c. 417, §§1-4 (AMD).]

3. Authorized administration of naloxone hydrochloride by law enforcement officers, corrections officers and municipal firefighters. A law enforcement agency as defined in Title 25, section 3701, subsection 1, a regional or county jail, a correctional facility as defined in Title 34-A, section 1001, subsection 6 or a municipal fire department as defined in Title 30-A, section 3151, subsection 1 is authorized to obtain a supply of naloxone hydrochloride to be administered in accordance with this subsection. A law enforcement officer as defined in Title 17-A, section 2, subsection 17, in accordance with policies adopted by the law enforcement agency, a corrections officer who possesses a current and valid certificate issued by the Board of Trustees of the Maine Criminal Justice Academy pursuant to Title 25, section 2803-A, in accordance with policies adopted by the jail or correctional facility, and a municipal firefighter as defined in Title 30-A, section 3151, subsection 2, in accordance with policies adopted by the municipality, may administer intranasal naloxone hydrochloride as clinically indicated if the officer or firefighter has received medical training in accordance with protocols adopted by the Medical Direction and Practices Board established in Title 32, section 83, subsection 16-B. The Medical Direction and Practices Board shall establish medical training protocols for law enforcement officers, corrections officers and municipal firefighters pursuant to this subsection. [PL 2017, c. 220, §1 (AMD).]

4. Community-based drug overdose prevention programs; standing orders for naloxone hydrochloride. Acting under standing orders from a licensed health care professional authorized by law to prescribe naloxone hydrochloride, a public health agency that provides services to populations at high risk for a drug overdose may establish an overdose prevention program in accordance with rules adopted by the department and the provisions of this subsection.

A. Notwithstanding any other provision of law, an overdose prevention program established under this subsection may store and dispense naloxone hydrochloride without being subject to the provisions of Title 32, chapter 117 as long as these activities are undertaken without charge or compensation. [PL 2015, c. 351, §2 (NEW).]

B. An overdose prevention program established under this subsection may distribute unit-of-use packages of naloxone hydrochloride and the medical supplies necessary to administer the naloxone hydrochloride to a person who has successfully completed training provided by the overdose prevention program that meets the protocols and criteria established by the department, so that the person may possess and administer naloxone hydrochloride to an individual who appears to be experiencing an opioid-related drug overdose. [PL 2015, c. 351, §2 (NEW).]

The department shall adopt rules to implement this subsection. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [RR 2015, c. 1, §19 (COR).]

4-A. Recovery residences; standing orders for naloxone hydrochloride. Acting under standing orders from a licensed health care professional authorized by law to prescribe naloxone hydrochloride, a recovery residence shall operate in accordance with rules adopted by the department and the provisions of this subsection.
A. Notwithstanding any provision of law to the contrary, a recovery residence shall store and dispense naloxone hydrochloride and is not subject to the provisions of Title 32, chapter 117. The recovery residence shall store on site at least 2 units of naloxone hydrochloride for each floor of the recovery residence. [PL 2019, c. 292, §3 (NEW).]

B. A recovery residence shall provide training in administration of naloxone hydrochloride that meets the protocols and criteria established by the department, and residents of the recovery residence, employees of the recovery residence and all other persons involved in the administration of a recovery residence shall successfully complete the training. [PL 2019, c. 292, §3 (NEW).]

C. A licensed health care professional authorized by law to prescribe naloxone hydrochloride shall distribute unit-of-use packages of naloxone hydrochloride and the medical supplies necessary to administer the naloxone hydrochloride to a recovery residence that has provided training described in paragraph B so that the recovery residence may possess and administer naloxone hydrochloride to an individual who appears to be experiencing a drug-related overdose. [PL 2019, c. 292, §3 (NEW).]

The department shall adopt rules to implement this subsection. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2019, c. 292, §3 (NEW).]

5. Immunity. The following provisions provide immunity for actions taken in accordance with this section.

A. A health care professional or a pharmacist, acting in good faith and with reasonable care, is immune from criminal and civil liability and is not subject to professional disciplinary action for storing, dispensing or prescribing naloxone hydrochloride in accordance with this section or for any outcome resulting from such actions. [PL 2015, c. 508, §4 (NEW).]

B. A person, acting in good faith and with reasonable care, is immune from criminal and civil liability and is not subject to professional disciplinary action for possessing or providing to another person naloxone hydrochloride in accordance with this section or for administering naloxone hydrochloride in accordance with this section to an individual whom the person believes in good faith is experiencing an opioid-related drug overdose or for any outcome resulting from such actions. [PL 2015, c. 508, §4 (NEW).]

[PL 2015, c. 508, §4 (NEW).]
