

§302. Additional information required for application for cultivation facility license

In addition to the information required to be submitted to the department pursuant to subchapter 2 and the rules relating to licensure of a cultivation facility adopted pursuant to this chapter, an applicant for a cultivation facility license shall submit to the department the following information. [PL 2017, c. 409, Pt. A, §6 (NEW).]

1. Operating plan. The applicant shall submit an operating plan demonstrating the proposed size and layout of the cultivation facility; plans for wastewater and waste disposal for the cultivation facility; plans for providing electricity, water and other utilities necessary for the normal operation of the cultivation facility; plans for securing the proposed facility and otherwise meeting applicable security requirements under this chapter and the rules adopted pursuant to this chapter; and plans for compliance with applicable building code and federal and state environmental requirements.

[PL 2017, c. 409, Pt. A, §6 (NEW).]

2. Cultivation plan. The applicant shall submit a cultivation plan demonstrating the proposed size and layout of the cultivation areas at the cultivation facility and designating:

A. The total amount of plant canopy or, in the case of a plant-count-based tier 1 cultivation facility license, the number of mature marijuana plants proposed under the license; [PL 2017, c. 409, Pt. A, §6 (NEW).]

B. The total percentage or square footage of plant canopy designated under paragraph A, or, in the case of a plant-count-based tier 1 cultivation facility license, the areas within the cultivation facility within which the applicant proposes to cultivate mother plants, seedlings and immature marijuana plants. If the applicant does not intend to cultivate mother plants, seedlings or immature marijuana plants at any time within any portion of the plant canopy designated under paragraph A, the applicant shall state that intent on the cultivation plan and shall include in the plan information regarding the approximate square footage of the cultivation areas outside of the plant canopy but within the proposed licensed premises of the cultivation facility in which the applicant intends to cultivate mother plants, seedlings and immature marijuana plants; and [PL 2017, c. 409, Pt. A, §6 (NEW).]

C. The total percentage or square footage of plant canopy designated under paragraph A, or, in the case of a plant-count-based tier 1 cultivation facility license, the areas within the cultivation facility within which the applicant proposes to cultivate mature marijuana plants. An applicant for a nursery cultivation facility license shall meet the requirements of this paragraph by designating on the cultivation plan the areas within the cultivation facility within which the applicant proposes to cultivate mature marijuana plants, demonstrating the physical separation of such areas from the areas in which immature marijuana plants and seedlings are to be cultivated in accordance with section 501, subsection 3, paragraph B. [PL 2019, c. 501, §13 (AMD).]

[PL 2019, c. 501, §13 (AMD).]
