§2456. NEGLIGENTLY CAUSING DEATH; ADMINISTRATIVE SUSPENSION

1. Suspension. The Secretary of State shall immediately suspend the license of a person who negligently operates a motor vehicle in a manner as to cause the death of a person:

   A. While under the influence of intoxicants: [1993, c. 683, Pt. A, §2 (NEW); 1993, c. 683, Pt. B, §5 (AFF).]

   B. While having an alcohol level of more than 0.08 grams per 100 milliliters of blood or 210 liters of breath; or [2009, c. 447, §51 (AMD).]

   C. Who subsequently fails to submit to a test subject to penalty under section 2521. [1993, c. 683, Pt. A, §2 (NEW); 1993, c. 683, Pt. B, §5 (AFF).]

   [2009, c. 447, §51 (AMD).]

2. Period of suspension. The period of suspension is 3 years, consecutive to any suspension imposed by the Secretary of State for failure to take a test. If a suspended license is subsequently revoked under section 2454 on charges arising out of the same occurrence, the length of suspension actually served under this section is deducted from the period of revocation imposed pursuant to that section.

3. Hearing issues. A person whose license has been suspended under this section may request a hearing pursuant to section 2483. The scope of the hearing must include whether:

   A. The person operated a motor vehicle; [1993, c. 683, Pt. A, §2 (NEW); 1993, c. 683, Pt. B, §5 (AFF).]

   B. The person, at that time, had an excessive alcohol level, or was under the influence of intoxicants or may be penalized for failure to submit to required chemical testing; and [2009, c. 447, §52 (AMD).]

   [2009, c. 447, §52 (AMD).]

4. Civil proceeding. On receipt of a certified copy of the civil tort judgment that the person did not negligently cause the death of the other person, the Secretary of State shall terminate the suspension.
