32 §1099. ENDORSEMENT

The board may at its discretion, without examination, issue a license to an applicant to practice dental hygiene who furnishes proof satisfactory to the board that the dental hygienist has been duly licensed for at least 3 years to practice in another state or a Canadian province after full compliance with the requirements of its dental laws, except that the professional education may not be less than is required in this State. The board may require letters of reference as to ability. Applicants for licensure by endorsement who meet the requirements of this section must be interviewed in person by the Subcommittee on Dental Hygienists, as established in section 1079 prior to being issued a license. Every license so given must state upon its face that it was granted on the basis of endorsement. The fee for that license must be determined by the board, but may not be more than \$175.
