[PL 1983, c. 459, §7 (NEW).]

3. Grants. The commissioner may make grants of funds to any state or local governmental unit, or branch of a governmental unit, or to a person, unincorporated association or nonstock corporation, which applies for the funds, to be used in the conduct of its mental health services.

A. The programs administered by the person or entity shall provide for adequate standards of professional services in accordance with state statutes. [PL 1983, c. 580, §8 (RPR).]

[PL 1983, c. 580, §8 (NEW).]

D. Beyond the commissioner's assuring through program monitoring and auditing activities that an equitable distribution of the funds committed by contract or agreement to assist in the financing of mental health services are actually provided, it shall be the prerogative of the person or entity providing services to apportion other nonstate funds in an appropriate manner in accordance with its priorities, service contracts and applicable provisions of law. [PL 1983, c. 580, §8 (NEW).]

E. Any new contract must be awarded through a request-for-proposal procedure and any contract of \$500,000 per year or more that is renewed must be awarded through a request-for-proposal procedure at least every 8 years, except for the following.

(3) The provider is inefficient or ineffective in the delivery of services and is unable or unwilling to improve its performance within a reasonable time; or

[PL 1997, c. 381, §2 (AMD).]

4. Cooperative planning required; grant recipients and correctional authorities. As a condition for receipt of state mental health funding, providers of community mental health services to persons with serious mental illness shall develop with state and local correctional authorities cooperative plans for the provision of services to those persons. These plans must include at least the following:

[PL 1995, c. 431, §3 (NEW).]

Providers of community mental health services and other public providers of comprehensive services to persons with serious mental illness that fail to participate in the development of plans to serve this population are not eligible for state funding for the provision of mental health services.
