[PL 2015, c. 462, §2 (AMD).]

3. Authority. The commission shall adopt rules to implement this section and may require voice network service providers using numbers placed in service for the State's numbering plan area from the North American Numbering Plan Administrator or its successor to contribute to a state universal service fund to support programs consistent with the goals of applicable provisions of this Title and the federal Telecommunications Act of 1996, Public Law 104-104, 110 Stat. 56. A voice network service provider is not required to contribute to the state universal service fund for telephone numbers that are acquired by the provider but are not placed in service. Prior to requiring that voice network service providers contribute to a state universal service fund, the commission shall assess the telecommunications needs of the State's consumers and establish the level of support required to meet those needs. If the commission establishes a state universal service fund pursuant to this section, the commission shall contract with an appropriate independent fiscal agent that is not a state entity to serve as administrator of the state universal service fund. Funds contributed to a state universal service fund are not state funds. Rules and any state universal service fund requirements established by the commission pursuant to this section must:

- A. Be reasonably designed to maximize federal assistance available to the State for universal service purposes; [PL 1997, c. 692, §1 (NEW).]
- B. Meet the State's obligations under the federal Telecommunications Act of 1996, Public Law 104-104, 110 Stat. 56; [PL 2011, c. 623, Pt. B, §14 (AMD).]

- D. Ensure that any requirements regarding contributions to a state universal service fund be nondiscriminatory and competitively neutral; [PL 2017, c. 422, §2 (AMD); PL 2017, c. 422, §12 (AFF).]
- E. [PL 2011, c. 623, Pt. B, §14 (RP).]
- F. [PL 2011, c. 623, Pt. B, §14 (RP).]
- G. Require, if a voice network service provider recovers its contributions under this section by means of a charge placed on a bill issued to a customer, explicit identification on that bill of any charge imposed under this section; and [PL 2017, c. 422, §3 (AMD); PL 2017, c. 422, §12 (AFF).]
- H. Ensure that any fees or surcharges established by or pursuant to this section are not imposed on revenues received from or on prepaid wireless telecommunications service transactions supported by federal universal service support funds pursuant to 47 Code of Federal Regulations, Part 54. This paragraph does not prohibit the imposition of fees or surcharges with respect to revenues received from consumers for optional services that are not supported by federal universal service support funds. [PL 2017, c. 422, §4 (NEW); PL 2017, c. 422, §12 (AFF).]

Rules adopted under this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. The commission may investigate a voice network service provider to ensure compliance with this section.

[PL 2023, c. 144, §2 (AMD).]

3-A. Determination of amount of prepaid wireless telecommunications service fee. The commission shall determine by rule the amount of the fee on prepaid wireless telecommunications service that is required to be contributed to a state universal service fund established under subsection 3. The fee is a fixed amount per retail transaction established by multiplying \$25 by a percentage that is determined by the commission for purposes of calculating contributions to the state universal service fund by providers of intrastate telecommunications services. The fee must be rounded to the nearest penny. The fee may not be adjusted by the commission more frequently than once every 24 months. The collection of the fee is governed by section 7104-C. 6. Public-interest pay phone support. The commission may require contributions to a state universal service fund established pursuant to this section in an amount sufficient to collect up to \$50,000 each year to fund public-interest pay phones pursuant to section 7508. The commission shall maintain an accounting of all funds contributed to the state universal service fund pursuant to this subsection and all funds expended pursuant to section 7508. Funds contributed to the state universal service fund pursuant to this subsection may be expended only for the purposes of section 7508.

[PL 2005, c. 131, §1 (NEW).]

7. Telecommunications relay services support. In order to ensure the affordability of telecommunications relay services throughout the State, the commission shall establish funding support for telecommunications relay services, including related outreach programs, within the state universal service fund established pursuant to subsection 3.

A. In establishing the total level of support for the state universal service fund, the commission shall include funding levels for telecommunications relay services as requested by the Telecommunications Relay Services Council, as established in section 8704, pursuant to the submission of an annual budget in accordance with section 8704, subsection 6. The commission shall transfer funds requested by the council, up to a maximum of \$600,000 annually, in quarterly installments to the Telecommunications Relay Services Council Fund established in section 8704, subsection 2-A.
