A. In order to reduce litigation and establish more certainty and uniformity in the rating of permanent impairment, the board shall establish by rule a schedule for determining the existence and degree of permanent impairment based upon medically or scientifically demonstrable findings. The schedule must be based on generally accepted medical standards for determining impairment and may incorporate all or part of any one or more generally accepted schedules used for that purpose, such as the American Medical Association's "Guides to the Evaluation of Permanent Impairment." 9. Audit and enforcement. The executive director shall establish an audit, enforcement and monitoring program by July 1, 1998, to ensure that all obligations under this Act are met, including the requirements of section 359. The functions of the audit and enforcement program include, but are not limited to, auditing timeliness of payments and claims handling practices of insurers, self-insurers, the Maine Insurance Guaranty Association and 3rd-party administrators; determining whether insurers, self-insurers, the Maine Insurance Guaranty Association and 3rd-party administrators are unreasonably contesting claims; and ensuring that all reporting requirements to the board are met.
