§1833. Workers' Compensation Management Fund
The Workers' Compensation Management Fund is established to provide for any expenses related to the resolution of workers' compensation claims including: records and information management; investigation; medical review; representation; rehabilitation; payment of compensation; appropriate medical expenses and other payments required by the Workers' Compensation Board; the settlement of cases; and other necessary expenses. [PL 1991, c. 885, Pt. D, §2 (AMD).]

The fund must be an internal service fund and be under the control of the Commissioner of Administrative and Financial Services and the supervision of the Bureau of Human Resources. The fund must be a continuing fund and may not lapse. The treasurer shall credit interest earned to the fund. [PL 1991, c. 780, Pt. Y, §72 (AMD).]

On or before July 1st of each year, the Department of Administrative and Financial Services, Division of Employee Health and Benefits shall inform the State Budget Officer of quarterly premium charges for the fiscal year. Each department shall allocate the premium charge based on an analysis of the loss experience of each account or subdivision of account within the department. Premiums charged must be sufficient to ensure the continuation of the fund and shall be set by the commissioner.

Funds received from the reserve fund for self-insured retention losses under section 1731 must be repaid to that reserve fund through premiums charged except that, on the request of the commissioner, the Governor may waive repayment to the reserve fund when warranted and necessary.
