[PL 1999, c. 731, Pt. QQQ, §1 (AMD).]

An award of compensation for the benefit of a family or household member is derivative of the claim of the victim. The total compensation paid for all claims arising from the crime against the victim may not exceed $15,000. [PL 1999, c. 731, Pt. QQQ, §2 (AMD).]

Within the limits specified in this section, when a person dies as the direct result of a specified crime, any individual who pays or who is legally responsible for medical, medically related, funeral or burial expenses may seek compensation for those unreimbursed expenses incurred by the individual. A provider of medical or funeral services may not seek reimbursement directly. [PL 1997, c. 378, §9 (AMD).]

The board, in its sole discretion, may disburse funds awarded directly to the claimant or to the individuals or entities who provided the services for which compensation was awarded. In the case of more than one family or household member, the board may apportion the total compensation as the board determines. [PL 1997, c. 378, §9 (AMD).]

§3360-F. Determination of award

1. Hearings. The board may hold a hearing on any claim and the board shall hold a hearing if requested by the claimant. The claimant may address the board at a hearing on the claim and the board may take testimony under oath. [PL 1991, c. 806, §3 (NEW).]

2. Information. In addition to the material and information required by law and by the board, the claimant may provide the board with any other information pertinent to the nature or the amount of the claim. The board shall receive and consider information provided by law enforcement agencies and prosecution authorities and, at its sole discretion, may receive and consider relevant information from any other source. [PL 1997, c. 378, §10 (AMD).]

3. Determination of award. The board shall determine by a preponderance of the evidence whether a specified crime occurred, whether the personal injury or death was the result of that criminal conduct, the amount of eligible expenses and losses suffered by the claimant, whether to award compensation and the amount of the compensation. In determining the amount of compensation to be
paid, the board shall consider the amount available to pay victim compensation claims, the history of claims paid by the board, the number and amount of currently pending claims and the nature and cost of expenses submitted by the claimant.

[PL 1999, c. 360, §8 (AMD); PL 1999, c. 360, §9 (AFF).]

4. Unanimous decision. The board shall determine action on a claim with a quorum participating on that claim, but any award of compensation requires the unanimous concurrence of all members present.

[PL 1991, c. 806, §3 (NEW).]

5. Final decision. The board's final decision must contain reasons for the determination.

[PL 1991, c. 806, §3 (NEW).]

SECTION HISTORY

§3360-G. Appeal

Only a claimant under this chapter may appeal a decision of the board. An appeal of the board's final decisions must be to the Superior Court as provided for other administrative actions under chapter 375, subchapter VII. SECTION HISTORY

§3360-H. Victims' Compensation Fund

There is created a special fund, known as the "Victims' Compensation Fund," for the purpose of providing for the payment of claims arising under this chapter and for the payment of all necessary and proper expenses incurred by the board. The Attorney General shall administer the fund. [PL 1991, c. 806, §3 (NEW).]

Notwithstanding any other law, the court may not waive the imposition of the assessment required by this section. For purposes of collection and collection procedures, this assessment is considered part of the fine. At the time of commitment, the court shall inform the
Department of Corrections or the county sheriff of any unpaid balances on assessments owed by the offender to the Victims' Compensation Fund. All funds collected as a result of these assessments accrue to the Victims' Compensation Fund. [PL 2013, c. 607, §1 (AMD).]

When compensation is awarded from the Victims' Compensation Fund, the amount of any restitution ordered and paid as part of a sentence imposed that, when added to the award from the fund, exceeds the victim's actual loss must be paid to the fund, in an amount not to exceed the amount of the award. Similarly, the amount of any insurance, 3rd-party payment or recovery in a successful civil action against a person responsible for the eligible expenses and losses that, when added to the award from the fund, exceeds the victim's actual loss must be paid to the fund, in an amount not to exceed the amount of the award. [PL 1991, c. 806, §3 (NEW).]

The board may establish a reserve fund approved by the State Auditor and the Treasurer of State. At the end of every quarter, the Treasurer of State shall credit unreserved funds in excess of $2,000,000 to the General Fund. [PL 1991, c. 806, §3 (NEW).]

The Attorney General shall develop a fact sheet for victims with information about the victim advocate and victim compensation programs and shall make copies available to all prosecutors' offices and law enforcement agencies who shall provide that fact sheet for distribution to all victims of crimes and their families. [PL 1993, c. 675, Pt. A, §2 (NEW).]
SECTION HISTORY
PL 1993, c. 675, §A2 (NEW).

§3360-M. Payment for forensic examinations for alleged victims of sexual assault

1. Payment. The board shall pay the costs of forensic examiner training as well as the costs of forensic examinations for alleged victims of sexual assault from the Victims’ Compensation Fund. The board shall track expenditures for forensic examinations separately from all other expenditures. Forensic examination payments are not subject to any other provision of this chapter. For the purposes of this section, “sexual assault” means any crime enumerated in Title 17-A, chapter 11.
[PL 2017, c. 156, §1 (AMD).]

2. Forensic examination; forensic examiner training and education. The board shall determine by rule what a forensic examination may include for purposes of payment. An examination must include at least all services directly related to the gathering of forensic evidence and related testing and treatment for pregnancy and sexually transmitted diseases. The board shall pay a licensed hospital or licensed health care practitioner the actual cost of the forensic examination up to a maximum of $750. The cost of sexual assault forensic examiner training and education provided by the sexual assault forensic examiner program must be paid from the Victims’ Compensation Fund in an amount that may not exceed $50,000 per year.
[PL 2009, c. 79, §4 (AMD).]

3. Process for payment. A licensed hospital or licensed health care practitioner that performs forensic examinations for alleged victims of sexual assault shall submit a bill to the Victims' Compensation Board directly for payment of the forensic examinations. The hospital or health care practitioner that performs a forensic examination shall take steps necessary to ensure the confidentiality of the alleged victim’s identity. The bill submitted by the hospital or health care practitioner may not identify the alleged victim by name but must be assigned a tracking number assigned by the manufacturer of the forensic examination kit. The hospital or health care practitioner that performs the examination may not bill the alleged victim or the alleged victim's insurer, nonprofit hospital or medical service organization or health maintenance organization for payment of the examination. The alleged victim is not required to report the alleged offense to a law enforcement agency.
[PL 2017, c. 156, §1 (AMD).]

4. Other reimbursement. The fact that forensic examinations are paid for separately through the Victims' Compensation Fund does not preclude alleged victims of sexual assault from seeking reimbursement for expenses other than those for the forensic examination. A victim seeking reimbursement from the Victims’ Compensation Fund for expenses other than the forensic examination is subject to all other provisions of this chapter.
[PL 2017, c. 156, §1 (AMD).]

5. Rules. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.
[PL 2017, c. 156, §1 (AMD).]
