

CHAPTER 372**STATE CIVIL SERVICE SYSTEM****SUBCHAPTER 1****STRUCTURE AND AUTHORITY****ARTICLE 1****BUREAU OF HUMAN RESOURCES****§7031. Purpose and mission**

The Legislature finds that State Government is the largest single employer in the State and has a substantial impact, not only upon the growth and development of the State, but also with respect to policies that directly affect Maine citizens. The Legislature further finds that state employees are a valuable human resource who possess valuable skills and knowledge necessary to the effective operation of State Government and to the general health, safety and welfare of Maine citizens. [PL 1985, c. 785, Pt. B, §38 (NEW).]

The Legislature further finds that it is essential to the welfare of all Maine citizens for state employees to undertake their duties and responsibilities in a conscientious and dependable manner. It is also of vast importance to the efficient and effective operation of State Government that all qualified Maine citizens have fair and equal opportunity to enter the service of State Government on the basis of merit and to work free from the forces of favoritism, nepotism and political patronage. Further, it is essential that individuals possessing the knowledge and skills necessary for the effective operation of State Government are hired and retained. [PL 1985, c. 785, Pt. B, §38 (NEW).]

To achieve these goals, it is vital that the personnel administrative organization of State Government recognize and develop the talents, contributions and potential of state employees and applicants for employment. [PL 1985, c. 785, Pt. B, §38 (NEW).]

It is in the public interest and is the policy of the State of Maine to foster and encourage an educational leave program to permit employees of the State to increase knowledge and skills and to improve work techniques and procedures. This would permit the agencies themselves and the citizens of Maine to benefit by what the employee has learned and will impart to others upon return. [PL 2001, c. 519, §3 (NEW).]

It is the intent of the Legislature to establish the Bureau of Human Resources as the agency responsible for the administration of the human resources activities of State Government and that shall act as a service organization to respond quickly and effectively to the needs of state employees and state agencies. It is also the intent of the Legislature that the Bureau of Human Resources operate flexibly to expedite the duties and responsibilities of state employees and state agencies. [PL 2007, c. 240, Pt. HH, §3 (AMD).]

Every employee of the Bureau of Human Resources and any other affected state agency shall act to assure that the provisions of the Civil Service Law are carried out in an open, fair and expeditious manner, with the objective of hiring and retaining the best person for a position as quickly as possible. To this end, all state agencies shall take steps to speed up handling of matters and to reduce and simplify the procedures and paperwork required by the Civil Service Law. [RR 1991, c. 2, §10 (COR).]

It is not the intent of the Legislature in this chapter or any part of it to limit or restrict the rights of state employees to bargain collectively as provided in Title 26. [PL 1985, c. 785, Pt. B, §38 (NEW).]

1. Citizenship. In making appointments to or recruiting for any position on an open competitive basis in the classified service, preference shall be given to citizens of the United States. This requirement may be waived by the director on an individual basis when there exists compelling reasons for the waiver.

[PL 1985, c. 785, Pt. B, §38 (NEW).]

2. Discrimination prohibited. In carrying out this chapter, no discrimination may be made on account of political or religious opinions or affiliations or because of race or national origin, sex or marital status or age or physical disability, unless based upon a bona fide occupational qualification.

[PL 1985, c. 785, Pt. B, §38 (NEW).]

3. Hiring and promoting neutrality. The final decision of whether a person will be hired or promoted by the State may not be made in part or wholly by a person related to the job candidate by consanguinity or affinity within the 4th degree. The director by rules shall insure that this section will not deprive any applicant or employee of full consideration for hiring or promotion.

[PL 1985, c. 785, Pt. B, §38 (NEW).]

4. Employees in military service; substitutes. Whenever any employee, regularly employed in other than a temporary position for a period of at least 6 months by the State or by any department, bureau, commission or office of the State, or by the University of Maine System, community colleges, Maine School Building Authority, Maine Turnpike Authority, Finance Authority of Maine or any other state or quasi-state agency, or by any county, municipality, township or school district within the State shall in time of war, contemplated war, emergency or limited emergency, enlist, enroll, be called or ordered or be drafted into the Armed Forces of the United States or any branch or unit thereof, or shall be regularly drafted under federal manpower regulations, the employee shall not be deemed or held to have thereby resigned from or abandoned employment, nor shall be removable during the period of service. B. [PL 2001, c. 662, §2 (RP).]

C. [PL 2001, c. 662, §2 (RP).]

D. [PL 2001, c. 662, §3 (RP).]

E. When a permanent classified employee is on extended leave, a substitute may be employed, subject to personnel rules, until return or separation of the incumbent. [PL 1985, c. 785, Pt. B, §38 (NEW).]

compensated in the same manner as permanent full-time employees, provided they have been hired in accordance with all applicable laws and procedures. [PL 1987, c. 240, §3 (NEW).]
[PL 1987, c. 240, §3 (AMD).]

6. Temporary and provisional appointments. Whenever it is impossible to certify eligible persons for appointment to a vacancy in the classified service, the appointing authority may nominate a person to the director. B. The director shall establish a policy to protect persons in temporary positions from remaining in a temporary position for an unreasonable period of time that may not exceed one year except that an extension may be granted to an individual by the director when unusual circumstances warrant that extension. [PL 2015, c. 442, §2 (AMD).]

This subsection does not apply to an employee appointed to a major policy-influencing position listed in sections 932 to 953.

Notwithstanding any other provision of law, the head of any institution under the control of the Department of Health and Human Services as the appointing authority may suspend with pay any employee who is charged by indictment with the commission of a criminal offense involving acts alleged to have been perpetrated upon any resident or residents of any such institution. Any suspension with pay may be authorized by the appointing authority only when to permit the employee to remain on duty at the institution would be against the best interest of any one or more of the residents of the institution, and authorization for suspension with pay shall apply only during the pendency of the criminal proceedings in the trial court, but not longer than 30 working days. Sections 7081 to 7084 shall not apply to suspension with pay ordered by the appointing authority under this paragraph. [PL 1987, c. 9, §3 (AMD); PL 1995, c. 560, Pt. §7062. Registers of eligibility

The director, in accordance with policies and procedures established by the director, shall prepare for each class of positions in the classified service registers of persons eligible for appointment to positions in each class. Each eligible register consists of a list of all the persons who have shown by competitive tests, as provided in section 7063, that they possess the qualifications that entitle them to be considered eligible for appointment to any position in the class for which the eligible register is to be prepared, and of employees who have resigned or been dismissed, laid off or granted leaves of absence and whose names have been restored to the eligible register in accordance with this chapter. [PL 1999, c. 668, §18 (AMD).]

§7063. Examinations

Any examinations for positions in the classified service shall relate to those matters which will fairly test the capacity and fitness of the persons examined to discharge the duties of the office or employment for which they apply. For the purpose of sections 7062 and 7063, "competitive test" means any written examination, evaluation of training and experience, service rating, oral board or other

device used to measure an applicant's knowledge, skills and abilities or to provide a relative ranking for certification purposes. [PL 1985, c. 785, Pt. B, §38 (NEW).]

The director shall determine the character, type and content of examination for admission to the classified service; the time and place for holding examinations; the form of application blanks for admission to the examination to be filed by applicants; the minimum requirements for admission to the examination; and the value of each phase of the tests used in determining the average rating of the applicant. The director may adjust initial test results only to eliminate questions that are proven not relevant to the purposes of the test or that have a bias that is prohibited by state or federal law. Once a minimum final earned rating is established for a particular test, it may not be changed. [PL 2007, c. 466, Pt. A, §16 (AMD).]

Public notice of every examination or test shall be given in the manner prescribed by rules drawn up by the director. [PL 1985, c. 785, Pt. B, §38 (NEW).]

1. Examination content. In developing examinations for classifications, the examinations shall be constructed to test the most current knowledge, skills and use of equipment required in each classification.

[PL 1985, c. 785, Pt. B, §38 (NEW).]

2. Administration of tests. The director may establish policies and procedures to allow departments and agencies of State Government to administer the tests and to interview persons taking the tests.

[PL 1985, c. 785, Pt. B, §38 (NEW).]

3. Applicant and examination results. Any applicant, upon the applicant's request, shall be provided with the applicant's strengths, weaknesses and areas in need of improvement as determined from a test score or interview.

[PL 1985, c. 785, Pt. B, §38 (NEW).]

4. Objectives of testing. In addition to determining the merit of applicants for positions in the classified service on a fair and just basis, it shall also be an objective to administer tests as often as possible to establish registers of eligible persons with sufficient numbers of names of persons who are currently interested in employment in each classification and thereby reduce to a minimum the length of time to fill positions.

[PL 1985, c. 785, Pt. B, §38 (NEW).]

5. Educational requirements; experience. No application for a position in State Government may be rejected solely because the applicant lacks educational qualifications. Acceptable equivalent combinations of appropriate experience, including verifiable uncompensated experience, or education may be substituted for formal educational qualifications, except where the educational qualifications are reflected in necessary registrations, such as to practice law, medicine or engineering or where the educational requirements are set as standards by federal agencies making grants-in-aid or otherwise contributing to state programs.

§7064. Filling of positions

Positions in the classified service must be filled by original appointment, promotion, transfer, reinstatement or demotion in accordance with policies and procedures developed by the director. These policies and procedures must provide for the direct hire of positions in the classified service where appropriate. [PL 2007, c. 466, Pt. A, §17 (AMD).]

1. Objective. In developing policies and procedures for filling positions, the director must be guided by the principle of filling each position as efficiently and expeditiously as possible. The director shall strive to fill each position in 30 days and no later than 45 days from the date a request to fill a position has been received from a state agency.

[PL 2007, c. 466, Pt. A, §18 (AMD).]

2. Eligibility of unclassified employees for classified service. In addition to any other provisions in this chapter, unclassified employees listed in section 931, subsection 1, paragraph H, and other unclassified employees, except those cited in section 931, subsection 1, paragraphs A to G, and paragraphs I and J, and in sections 932 to 953, are eligible for appointment to the classified service on the same basis as other members of the classified service.

[PL 2003, c. 177, §1 (AMD).]

Notwithstanding any provision of this section to the contrary, a permanent, classified employee who accepts appointment to a major policy-influencing position listed in section 931 and in sections 932 to 952 retains, for the duration of the appointment, promotion, transfer and demotion rights consistent with this section. §7065. Compensation plan

The director shall, as soon as practicable after the adoption of the classification plan, submit to the Legislature a proposed plan of compensation developed by the director showing for each class or position in the classified service minimum and maximum salary rates and such intermediate rates as the director considers desirable. [PL 2007, c. 466, Pt. A, §19 (AMD).]

1. Salary reductions. When the compensation plan has become effective through its adoption by the Legislature, it shall constitute the official schedule of salaries for all classes or positions in the classified service, except that, if the adoption of a compensation plan results in the reduction of salary of an employee, the director shall certify to the proper fiscal officer of the State that the employee's salary shall not be subject to any reduction for a period of one year from the effective date of adoption of the plan.

[PL 1985, c. 785, Pt. B, §38 (NEW).]

2. Salary limits. No position may be assigned a salary greater than the maximum or less than the minimum rates fixed in the compensation plan except as provided by subsection 2-D.

2-B. Limitations on recruitment and retention adjustment.

[PL 1989, c. 418, §§2, 4 (RPR); PL 1991, c. 591, Pt. III, §19 (AMD); MRSA T. 5 §7065, sub-§2-B (RP).]

2-C. Recruitment and retention adjustment process.

[PL 1989, c. 418, §3 (NEW); PL 1991, c. 591, Pt. III, §20 (AMD); MRSA T. 5 §7065, sub-§2-C (RP).]

2-D. Recruitment and retention adjustments. Subject to this subsection, the director, with the agreement of the bargaining agent, if applicable, may approve payment of recruitment and retention

adjustments when the payment of a labor market adjustment is required to recruit and retain an adequate work force.

A. Payment of a recruitment and retention adjustment may be authorized only when justified by the following conditions.

- (1) High turnover exists or long-term vacancies exist within State Government in the relevant occupational classifications or job series.
- (2) The relevant occupational classification or job series has a clear, geographically definable labor market within which the State must compete.
- (3) All appropriate recruitment and retention efforts have been attempted and have proven ineffective at the current levels of compensation.
- (4) Comprehensive, verifiable documentation of labor market compensation levels for the relevant occupation has been compiled to determine competitive pay levels within the defined labor market. This documentation must demonstrate that a labor market disparity exists and that the disparity represents a long-term, not transitory or seasonal, problem. [PL 1993, c. 705, §2 (NEW).]

B. The labor market adjustment must be reviewed at least every 2 years and adjusted to changes in the labor market or the overall relation of the standard pay policy to the specialized labor market. If the subsequent review provided in this paragraph results in the adjustment being decreased or discontinued, an employee receiving the recruitment and retention adjustment may not be subject to a reduction in pay. [PL 1993, c. 705, §2 (NEW).]

C. To assist the director in making a determination under paragraphs A and B, a committee must be formed to evaluate each request from an agency or bargaining agent for a recruitment or retention adjustment. The committee must be composed of a representative of the bureau, a representative of the employing agency or agencies and a representative of the bargaining agent, if applicable. The committee shall evaluate the request against the criteria specified in paragraphs A and B and shall conduct studies as the committee considers necessary to evaluate the request. The committee shall, by majority vote, provide the director, the agency and the bargaining agent, if applicable, with a report recommending and documenting adjustments authorized under this subsection. The director, the agency and the bargaining agent, if applicable, shall act on this report. If a funding request is necessary to implement an approved adjustment, the director shall submit the cost items for inclusion in the Governor's next operating budget within 10 days after action on the report. [PL 1993, c. 705, §2 (NEW).]

[PL 1993, c. 705, §2 (NEW).]

3. Salary increases based on merit. Salary advancements within an established range shall not be automatic, but shall be dependent upon specific recommendation of the appointing officer and approval of the commissioner. The recommendation shall be based upon standards of performance as indicated by merit ratings or other pertinent data. No advancements in salary may be made until the employee has completed the probationary period.

[PL 1985, c. 785, Pt. B, §38 (NEW).]

4. Compensation above the minimum step. In hiring any employee, the director or appointing authority may employ a person who is new to a state job classification above the minimum level established for that classification in order to compensate that person for the experience or outstanding qualifications that the person may possess. The director shall establish a policy to reflect the intent of this subsection.

1. Papers relating to applications, examinations or evaluations of applicants. Except as provided in this subsection, applications, resumes, letters and notes of reference, working papers, research materials, records, examinations and any other documents or records and the information they contain, solicited or prepared either by the applicant or the State for use in the examination or evaluation of applicants for positions as state employees.

A. Notwithstanding any confidentiality provision other than this subsection, applications, resumes and letters and notes of reference, other than those letters and notes of reference expressly submitted in confidence, pertaining to the applicant hired are public records after the applicant is hired, except that personal contact information is not a public record as provided in Title 1, section 402, subsection 3, paragraph O. [PL 2007, c. 597, §5 (AMD).]

B. Telephone numbers are not public records if they are designated as "unlisted" or "unpublished" in an application, resume or letter or note of reference. [PL 1989, c. 402, §1 (NEW).]

C. This subsection does not preclude union representatives from access to personnel records, consistent with subsection 4, which may be necessary for the bargaining agent to carry out its collective bargaining responsibilities. When there is a work requirement for public access to personal information under this paragraph that is not otherwise protected by law, that information may be made public. The Director of the Bureau of Human Resources, upon the request of the employing agency, shall make the determination that the release of certain personal information not otherwise protected by law is allowed; and [PL 2019, c. 451, §1 (RPR).]

4. Disclosure of certain information for grievance and other proceedings. The Director of Human Resources may release specific information designated confidential by this section to be used in negotiations, mediation, fact-finding, arbitration, grievance proceedings and other proceedings in which the State is a party. For the purpose of this subsection, "other proceedings" means unemployment compensation proceedings, workers' compensation proceedings, human rights proceedings and labor relations proceedings.

[PL 1987, c. 673, §1 (NEW).]

The State may use this confidential information in proceedings and provide copies to the employee organization that is a party to the proceedings, provided the information is directly related to those proceedings as defined by the applicable collective bargaining agreement. Confidential personnel records in the possession of the Bureau of Human Resources may not be open to public inspection and may not be "public records," as defined in Title 1, section 402, subsection 3.

[PL 2007, c. 240, Pt. HH, §12 (AMD).]
