PL 1985, c. 801, §§5,7 (NEW).

§17051. Nonapplicability of other retirement benefit laws

A law outside of this Part that provides wholly or in part at the expense of the State or of any subdivision of the State for retirement benefits for employees, or for the surviving spouses or other beneficiaries of those employees, may not apply to members or beneficiaries of any of the programs of the retirement system or to the surviving spouses or other beneficiaries of those members or
beneficiaries. A member may not receive service credit toward a benefit under this Part and under another system supported wholly or in part by the State for the same service. [PL 2007, c. 491, §68 (AMD).]

2. Normal retirement age. This section may not be construed to prohibit the use of a normal retirement age, except that normal retirement age and the accrual or awarding of pension or retirement benefits may not be used in any way to require the retirement of an employee or to deny employment to a person. [PL 1985, c. 801, §§ 5, 7 (NEW).]

SECTION HISTORY
PL 1985, c. 801, §§5,7 (NEW).

The right of a person to a retirement allowance, the retirement allowance itself, the refund of a person's accumulated contributions, any death benefit, any other right accrued or accruing to any person under this Part and the money in the various funds created by this Part may not be subject to execution, garnishment, attachment or any other process and shall be unassignable except that:

If the overpayment or excess refund of contributions resulted from a mistake of or incorrect information provided by an employee of the retirement system, or a mistake of the retiree or the recipient of the benefit or life insurance benefit, a penalty or interest may not be assessed by the retirement system. In all cases of
recovery of overpayments through the reduction of a retirement benefit, whether with or without the assessment of interest by the retirement system, the recovery practices must be reasonable and consider the personal economic stability of the retiree in the establishment of the recovery schedule. The executive director may also take action to recover those amounts due from any amounts payable to the individual by any other state agency or by an action in a court of competent jurisdiction. Whenever the executive director makes a decision to recover any amounts under this subsection, that decision is subject to appeal under section 17451.

Employers are responsible for enrolling employees in the correct retirement plan. The retirement system shall provide training, education and information to assist employers in the correct enrollment of employees. If an employee is enrolled in the incorrect retirement plan by the employer through no fault of the employee, the employee may not lose any retirement benefits. The State is not responsible for the employer contribution when the employer is a school district, municipality or county and those contributions and assessed interest, if applicable, must be paid to the retirement system by the school district, municipality or county;

[PL 2011, c. 606, §9 (AMD).]

4. Qualified domestic relations order. The rights of a member, retiree, beneficiary or other payee under this Part are subject to the rights of or assignment to an alternate payee under a qualified domestic relations order in accordance with section 17059; and

C. This subsection does not apply to the home address of a member or a benefit recipient of any of the programs of the retirement system used only for membership recruitment purposes by a nonprofit or public organization established to provide programs, services and representation to Maine public sector retirees unless the retirement system member or benefit recipient has signed a form made available by the retirement system indicating that the individual does not authorize disclosure of that individual's home address. The retirement system may not provide information under this subsection to an organization if the retirement system has determined that the organization obtained information for the purpose of membership recruitment but used the information for a purpose other than membership recruitment. [PL 2007, c. 491, §70 (AMD).]

4. Investment activity information. Disclosure of private market investment activity of the retirement system is governed by this subsection.

A. (1) Notwithstanding any confidentiality provision to the contrary, applications, resumes and letters and notes of reference, other than those letters and notes of reference expressly submitted in confidence, pertaining to the applicant hired are public records after the applicant is hired, except that personal contact information is not a public record as provided in Title 1, section 402, subsection 3, paragraph O.

(2) Telephone numbers are not public records if they are designated as "unlisted" or "unpublished" in an application, resume or letter or note of reference.

(3) This paragraph does not preclude a union representative from access to personnel records, consistent with paragraph D, that may be necessary for the bargaining agent to carry out collective bargaining responsibilities. Any records available to union representatives that are otherwise covered by this paragraph remain confidential and are not open to public inspection; [PL 2011, c. 449, §2 (NEW).]

If disciplinary action is taken, the final written decision relating to that action is no longer confidential after the decision is completed if it imposes or upholds discipline. If an arbitrator completely overturns or removes disciplinary action from an employee personnel file, the final written decision is public except that the employee's name must be deleted from the final written decision and kept confidential. If the employee whose name was deleted from the final written decision discloses that the employee is the person who is the subject of the final written decision, the entire final written decision, with regard to that employee, is public.

For purposes of this subparagraph, "final written decision" means:

(a) The final written administrative decision that is not appealed pursuant to a grievance arbitration procedure; or
(b) If the final written administrative decision is appealed to arbitration, the final written decision of a neutral arbitrator.

A final written administrative decision that is appealed to arbitration is no longer confidential 120 days after a written request for the decision is made to the employer if the final written decision of the neutral arbitrator is not issued and released before the expiration of the 120 days.

This paragraph does not preclude a union representative from having access to personnel records that are necessary for the bargaining agent to carry out collective bargaining responsibilities. Any records available to union representatives that are otherwise covered by this paragraph remain confidential and are not open for public inspection; [PL 2011, c. 449, §2 (NEW).]

If the proceeding is open to the public, the confidential information may not be disclosed except exclusively in the presence of the fact finder, the parties and counsel of record and the employee who is the subject of the proceeding and provisions are made to ensure that there is no public access to the confidential information. [PL 2011, c. 449, §2 (NEW).]

C. The retirement system may use this confidential information in proceedings and provide copies to an employee organization if that organization is a party to the proceedings and the information is directly related to those proceedings as defined by the applicable collective bargaining agreement. Confidential personnel records in the possession of the retirement system are not open to public inspection and are not public records. [PL 2011, c. 449, §2 (NEW).]

**SECTION HISTORY**

§17058. **Information for administrative or judicial proceedings**

If information regarding the availability, calculation or value of any benefit is required for an administrative or judicial proceeding, the party seeking the information must file written questions requesting that information with the executive director. The executive director, or the executive director's designee, shall make a certified response to those questions within 30 days and the certified response is admissible as evidence in any administrative or judicial proceeding. A subpoena or other form of discovery directed at obtaining the information may not be issued nor may employees of the retirement system be required to testify on the subjects covered by the certified response unless there is an express finding by an administrative agency or a court that there is a compelling necessity to permit further discovery or to require testimony. [PL 1991, c. 580, §3 (NEW).]

**SECTION HISTORY**

PL 1991, c. 580, §3 (NEW).

§17059. **Qualified domestic relations orders**

1. **Determination by executive director.** The executive director or the executive director's designee has exclusive authority to determine whether a domestic relations order is a qualified domestic relations order under this section. A determination by the executive director or the executive director's designee under this section may be appealed to the board as provided by section 17451. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

2. **No jurisdiction over retirement system.** The retirement system may not be made a party with respect to a divorce or other domestic relations action in which an alternate payee's right to receive all or a portion of the benefits payable to a member or retiree under the retirement system is created or established. A party to such an action who attempts to make the retirement system a party to the action contrary to this subsection is liable to the retirement system for its costs and attorney's fees. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

3. **Benefits and withdrawal of contributions.** For the purposes of this section, benefits payable with respect to a member or retiree under any of the programs of the retirement system include the
types of benefits payable by the retirement system and a withdrawal of contributions from the retirement system.  
[PL 2007, c. 491, §71 (AMD).]

4. Requirements. A domestic relations order is a qualified domestic relations order only if the order:

A. Clearly specifies the name, social security number and last known mailing address, if any, of the member or retiree and the name, social security number and mailing address of each alternate payee covered by the order; [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

B. Clearly specifies the amount or percentage of the member's or retiree's benefits to be paid by the retirement system to each alternate payee or the manner in which the amount or percentage is to be determined; [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

C. Clearly specifies the number of payments or the period to which the order applies; [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

D. Clearly specifies that the order applies to the retirement system; [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

E. Does not require the retirement system to provide a type or form of benefit or an option not otherwise provided by the retirement system; [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

F. Does not require the retirement system to provide increased benefits determined on the basis of actuarial value; [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

G. Does not require the payment of benefits to an alternate payee that are required to be paid to another alternate payee under another order previously determined to be a qualified domestic relations order; and [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

H. Does not require the payment of benefits to an alternate payee before the retirement of a member other than when the payee reaches the member's normal retirement age, the distribution of a withdrawal of contributions to a member or other distribution to a member required by law. [PL 2015, c. 322, §1 (AMD).]

5. Additional criteria. The board may also require by rule that a qualified domestic relations order meet one or more of the following requirements.

A. The order must provide for a proportional reduction of the amount awarded to an alternate payee in the event of the retirement of the member before normal retirement age. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

B. The order may not purport to require the designation of a particular person as the recipient of benefits in the event of a member's or retiree's death. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

C. The order may not purport to require the selection of a particular benefit payment plan or option. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

D. The order must provide clearly for each possible benefit distribution under plan provisions. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

E. The order may not require any action on the part of the retirement system contrary to its governing laws or plan provisions other than the direct payment of the benefit awarded to an alternate payee or the direct payment of the benefit awarded to an alternate payee before the retirement of a member and when the payee reaches the member's normal retirement age. [PL 2015, c. 322, §2 (AMD).]
F. The order may not make the award of an interest contingent on any condition other than those conditions resulting in the liability of the retirement system for payments under its plan provisions. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

G. The order may not purport to award any future benefit increases that are provided or required by the Legislature. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

H. The order must provide for a proportional reduction of the amount awarded to an alternate payee in the event that benefits available to the retiree or member are reduced by law. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

6. Determination. The executive director or the executive director's designee, upon receipt of a certified copy of a domestic relations order and written request for a determination, shall determine whether the order is a qualified domestic relations order and shall notify the member or retiree and each alternate payee of the determination.

A. If the order is determined to be a qualified domestic relations order, it is presumed to be in compliance with all requirements of this Part. The retirement system shall pay benefits in accordance with the order and shall give effect to the plain meaning of its terms notwithstanding any failure of the order to cite or reference statutory or rule provisions. A beneficiary or recipient of a right or benefit provided for or awarded in a qualified domestic relations order may not be deprived of that right or benefit, or any part of that right or benefit, by a subsequent act or omission of the member, another claimant or beneficiary or the retirement system, notwithstanding any provision of law to the contrary or any policy or procedure the retirement system employs in the implementation of this Part. [PL 2005, c. 560, §2 (AMD); PL 2005, c. 560, §5 (AFF).]

B. If the order is determined not to be a qualified domestic relations order, the member or retiree or any alternate payee named in the order may appeal the executive director's determination in the manner specified in section 17451 or may petition the court that issued the order to amend the order so that it is qualified. Except as otherwise provided by law, the court that issued the order or that otherwise would have jurisdiction over the matter has jurisdiction to amend the order so that it will be qualified even though all other matters incident to the action or proceeding have been fully and finally adjudicated. [PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

7. Interim accounting. During any period in which the issue of whether a domestic relations order is a qualified domestic relations order is being determined by the executive director, the executive director's designee, the board, a court of competent jurisdiction or otherwise, the retirement system shall account separately for the amounts, in this section referred to as the "segregated amounts," that would have been payable to the alternate payee during that period if the order had been determined to be a qualified domestic relations order.

[PL 1991, c. 746, §9 (NEW); PL 1991, c. 746, §10 (AFF).]

8. Payment of segregated amounts. If a domestic relations order is determined to be a qualified domestic relations order, the retirement system shall pay the segregated amounts to the person or persons entitled to the segregated amounts and shall thereafter pay benefits pursuant to the order.

A decision of the hearing officer must be based upon the record as a whole. The board shall accept the recommended decision of the hearing officer unless the recommended decision is not supported by the record as a whole, the retirement system is advised by the Attorney General that the hearing officer has made an error of law or the decision exceeds the authority or jurisdiction conferred upon the hearing officer. §17151. Legislative findings and intent

1. Findings. The Legislature finds that the State owes a great debt to its retired employees for their years of faithful and productive service.

   A. Part of that debt is repaid by the benefits provided to retirees through the State Employee and Teacher Retirement Program. [PL 2007, c. 491, §83 (AMD).]

   B. Retirees, who depend heavily on these benefits, and current employees, who will one day retire and receive benefits, are concerned about the financial viability of the retirement program. [PL 2007, c. 491, §83 (AMD).]

2. Intent. It is the intent of the Legislature that there must be appropriated and transferred annually to the retirement system the funds necessary to meet the State Employee and Teacher Retirement Program's long-term and short-term financial obligations based on the actuarial assumptions established by the board upon the advice of the actuary. The amount of the unfunded liability attributable to state employees and teachers as of July 1, 2004, as certified by the board or as that amount may be revised in accordance with the terms of the certification, must be retired in no more than 23 years from June 30, 2005. For fiscal year 2004-05, the Legislature must appropriate or allocate and there must be transferred to the retirement system funds necessary to institute, as of July 1, 2005, the 23-year amortization schedule. For each fiscal year starting with the fiscal year that begins July 1, 2005, the Legislature shall appropriate or allocate and transfer to the retirement system the funds necessary to meet the 23-year requirement set forth in this subsection, unless the Legislature establishes a different amortization period. Funds that have been appropriated must be considered assets of the retirement system.

   A. The goal of the actuarial assumptions is to achieve a fully funded retirement program. [PL 2007, c. 491, §83 (AMD).]

   B. The State Employee and Teacher Retirement Program's unfunded liability for persons formerly subject to the Maine Revised Statutes of 1944, chapter 37, sections 212 to 220 must be repaid to the system from annual appropriations over the funding period of the program. [PL 2007, c. 491, §83 (AMD).]

   C. This section may not be construed to require the State to appropriate and transfer funds to meet the obligations of participating local districts to the retirement system. [PL 1985, c. 801, §§5, 7 (NEW).]

3. Intent.
§17152. Funds

The board may combine the assets of the State Employee and Teacher Retirement Program with the assets of other retirement programs of the retirement system for investment purposes. The assets of the State Employee and Teacher Retirement Program may not be combined with the assets of another retirement program for benefit purposes or for administrative expenses. sound basis, except that for fiscal year 1991-92 the annual appropriation must be $73,500,000 less than
the amount that would otherwise be applied toward the repayment of the unfunded liability of
the State Employee and Teacher Retirement Program.  [PL 2007, c. 491, §84 (AMD).]

c. 801, §§5, 7 (NEW).]

11. Payment of actuarial cost of excess increase in earnable compensation. Notwithstanding the other provisions of this section, the employer may pay to the retirement system the cost of the actuarial liability resulting from any increase in earnable compensation for any year within the 3-year period used in determining average final compensation that exceeds the prior year's earnable compensation by more than 5% or, if it would result in a lesser additional actuarial liability, any increase in earnable compensation over a total increase of 10% during the 3-year period. The retirement system shall calculate the cost of the additional actuarial liability for each member when calculating the retirement benefit for that member at retirement. The cost must be paid in accordance with this subsection.
A. For state employees, the State Controller shall establish an account from which payments required by section 17001, subsection 13, paragraph C must be made. At the time any collective bargaining agreement is funded, funds must be appropriated to this account to pay for the anticipated cost of any increases over the limits established in section 17001, subsection 13, paragraph C that may result from the provisions of that agreement. When the additional actuarial liability is incurred with respect to a retiring state employee, the retirement system shall bill the State Controller for the cost and the State Controller shall transfer to the retirement system the amount billed. [PL 1993, c. 410, Pt. L, §27 (NEW).]

B. For teachers, the cost must be paid by the school administrative unit that provides an increase over the limits established in section 17001, subsection 13, paragraph C. If the school administrative unit has agreed to pay the cost of the additional actuarial liability, the retirement system shall bill the school administrative unit for the cost, which must be paid by the school administrative unit within 60 days of its receipt of the bill. If the retirement system does not receive payment within 60 days, the system shall notify the State Controller, who shall immediately reduce the school administrative unit's general purpose aid by the amount billed plus interest applied as of the 60th day and transfer the total amount of the reduction to the retirement system. If the general purpose aid payable at the time to the school administrative unit is insufficient to pay the entire amount of the reduction, general purpose aid payable to the school administrative unit in the future must be reduced until the entire amount of the reduction, plus any additional accrued interest, has been transferred to the retirement system. [PL 1993, c. 410, Pt. L, §27 (NEW).]

C. The retirement system shall provide information with the bill to the employer stating the basis on which the cost billed was calculated and showing the calculations. If the State Controller or school administrative unit questions the cost, its basis or the calculations, the retirement system shall promptly respond and, if necessary, meet with the State Controller or school administrative unit to resolve any dispute. [PL 1993, c. 410, Pt. L, §27 (NEW).]

This subsection does not apply to excess increases resulting from compensation paid prior to July 1, 1993, from compensation paid in accordance with an individual employment contract executed prior to July 1, 1993 or collective bargaining agreement executed or ratified in its final form by final vote of one party to the agreement prior to July 1, 1993 for the initial term of that contract or agreement or from other action by the governing body of the school administrative unit in effect on July 1, 1993. In addition, this subsection does not apply to increases granted to state employees during fiscal years 1993-94 and 1994-95. [PL 1993, c. 580, §2 (AMD); PL 1993, c. 580, §3 (AFF).]

[PL 1995, c. 541, §3 (NEW).]

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Early retirement" means retirement before normal retirement age with a reduced retirement benefit as provided by section 17851-A, subsection 4, section 17852, subsection 3 or 3-A or subsection 10, paragraph C or C-1; section 17857, subsection 3-A; section 18452, subsection 3; or section 18462, subsection 3. [PL 1995, c. 541, §3 (NEW).]

2. Criteria for identifying an early retirement incentive. A payment or award in connection with retirement is an incentive for early retirement for which the employer offering the incentive is responsible for the additional costs pursuant to section 17154, subsection 10 if all the criteria established in this subsection are met:

A. The payment or award is intended to induce the member's early retirement; [PL 1995, c. 541, §3 (NEW).]

B. The payment or award is a one-time, time-limited or occasional offer outside the employer's regular benefit program; [PL 1995, c. 541, §3 (NEW).]

C. The payment or award is not part of a longevity-based employee retention program; and [PL 1995, c. 541, §3 (NEW).]

D. The payment or award is not made pursuant to a collective bargaining agreement for the initial term of that agreement if that agreement is executed or ratified in its final form by final vote of at least one of the parties to the agreement prior to July 1, 1993. [PL 1995, c. 541, §3 (NEW).]

3. Employer provides information. If a member retires prior to normal retirement age and receives a significant monetary or nonmonetary payment or award in connection with the retirement, prior to the effective date of the member's retirement or, if a payment or award that was not known or anticipated prior to retirement is given after retirement, within 7 business days of the date upon which the payment or award is given, the employer must provide the following information to the retirement system:

A. Documents demonstrating that any of the criteria established in subsection 2 is not met. By way of example and not limitation, such documents include collective bargaining agreements, whether principal agreements, side agreements or memoranda of agreement or understanding; records of official actions by the employer; relevant rules or policies of the employer; records of prior or contemporaneous relevant retirements of employees of the employer; notices, memoranda

B. Certification on a form provided by the retirement system and signed by the employer, or the responsible officer of the employer on the employer's behalf, that the payment or award does not meet the criteria established in subsection 2 and is not an action or practice causing or encouraging early retirement. [PL 1995, c. 541, §3 (NEW).]

5. Panel determinations.

6. Panel decision.

7. Reconsideration; final decision.

8. Employer payment for costs resulting from early retirement incentives. Employer payment for costs resulting from early retirement incentives are governed by this section pursuant to section 17154, subsection 10.

A. The additional actuarial costs that result from the early retirement of a member who has received an early retirement incentive must be paid to the retirement system by the employer as provided in this paragraph.

(1) The retirement system shall determine the additional actuarial costs for which the employer is liable in individual situations as follows:

(a) First, the annual retirement benefit payable to the member upon the member's early retirement date must be calculated in accordance with the governing provisions of the retirement system statutes and rules;

(b) Second, the annual retirement benefit that would be payable to the member on a fully actuarially reduced basis must be calculated in accordance with the actuarial equivalent early retirement reduction factors prescribed by the retirement system's consulting actuary and approved by the board;

(c) Third, the retirement benefit calculated in division (b) must be subtracted from the retirement benefit calculated in division (a); and

(d) Fourth, a present-value factor must be applied to the amount determined in division (c) to convert the annual benefit amount to a lump sum present-value dollar amount. This amount represents the additional actuarial cost resulting from the early retirement of a member who has been offered a retirement incentive.

(2) The retirement system shall bill the employer of retiring members who will receive or have received early retirement incentives for the additional actuarial costs as determined by the retirement system in subparagraph (1). The bill must be accompanied by a statement of the basis of the costs identified in the bill and the supporting calculations.

(3) All determinations of additional actuarial costs are subject to recalculation upon the actual retirement of the member and upon any subsequent recalculation of the member's early retirement benefit due to misreporting of member-specific information, error or any direction
by the board to recalculate a member's benefit. Any resulting change in additional actuarial costs must be paid or refunded, as appropriate, to the employer. Any administrative costs for recalculation of additional actuarial costs that is caused by actions of the employer must be paid by the employer. [PL 1995, c. 541, §3 (NEW)].

B. The reasonable administrative costs that result from the early retirement of a member who has received a retirement incentive must be paid to the retirement system by the employer as provided in this paragraph.

(1) Subject to review and approval by the board, the executive director shall establish and may revise from time to time an administrative processing fee to determine the member-specific additional actuarial costs relating to an early retirement incentive for which the employer is liable. The fee must be based on the time required for making such determinations, must be reasonable and may not be set at a level that requires the retirement system's members and employers as a whole to subsidize the cost of a determination. The fee must be paid before the retirement system determines the member-specific additional actuarial costs.

(2) The employer must pay any additional actual administrative costs for member-specific information at an hourly administrative cost rate for the retirement system plus the retirement system's actual costs related to actuarial and legal services. Subject to review and approval by the board, the executive director shall establish and may from time to time revise the administrative cost rate.

(3) The employer must be billed for any actual administrative costs beyond the processing fee. If the member is already receiving a retirement benefit or preliminary benefit when the employer is billed for administrative costs, the employer must also be charged interest as a cost and must pay interest retroactive to the member's effective date of retirement. The bill must be accompanied by a statement of the basis of the administrative costs. [PL 1995, c. 541, §3 (NEW)].

C. For early retirement incentives granted between July 1, 1993 and March 15, 1996, the employer must pay the amount calculated under paragraphs A and B plus interest due to the retirement system in accordance with a payment schedule not to exceed 10 years. For early retirement incentives granted after March 15, 1996, the employer must pay the amount calculated under paragraphs A and B to the retirement system within 30 days of receipt of the bill. [PL 1995, c. 541, §3 (NEW)].

D. If the employer or the member disputes the determination that additional actuarial costs must be paid by the employer, the amount of the additional actuarial costs or the amount of actual administrative costs, an appeal may be brought pursuant to section 17451 and Chapter 702 of the board's rules. [PL 1995, c. 541, §3 (NEW)].

E. Interest must be charged by the retirement system and must be paid by the employer on all overdue amounts pertaining to the processing fee, additional actuarial costs and administrative costs. In addition, an employer who fails to pay is liable for penalties on a case-by-case basis as recommended by the executive director and approved by the board and shall pay all of the retirement system's costs associated with collection of amounts overdue and enforcement of the provisions of this section. [PL 1995, c. 541, §3 (NEW)].

[PL 1995, c. 541, §3 (NEW)].

SECTION HISTORY

§17160. Minimum level of employer contribution
1. **Portion of employer contribution.** Beginning in fiscal year 2002-03 and continuing until the unfunded liabilities of the State Employee and Teacher Retirement Program attributable to state employees and teachers, as defined in the Constitution of Maine, Article IX, Section 18-B, are retired, within the term provided in Section 18-B or within any shorter term provided by statute, the portion of the employer contribution amount devoted to paying the unfunded liabilities of the program attributable to state employees and teachers may not be less than the amount paid for that purpose during the immediately preceding fiscal year.

A. In circumstances in which the unfunded liability amount to be paid in a given year would be less than the amount paid in the immediately preceding year, the Board of Trustees of the Maine Public Employees Retirement System shall request the system's actuary to recommend a methodology to adjust program funding in order to realize payment of the required amount. The methodology for adjustment must be actuarially sound in itself and may not jeopardize the actuarial soundness of the program or its funding. [PL 2007, c. 491, §87 (AMD).]

B. If the system's actuary determines pursuant to paragraph A that no methodology meeting the requirements of this subsection can be identified, then the requirement that the unfunded liability payment in a given year may not be less than the amount paid in the immediately preceding fiscal year applies only to the General Fund portion of the unfunded liability payment. A General Fund appropriation in the amount of the difference between the General Fund portions of the unfunded liability payment in the 2 years in question must be sought.
