Employees who were eligible to participate in the Participating Local District Retirement Program under section 18251, subsection 3, section 18252 and section 18252-A, subsection 1 at the beginning of employment but did not join may do so as governed by this section. [PL 2021, c. 286, §5 (NEW).]

1. Delayed election of membership. An employee who was first eligible to participate in the Participating Local District Retirement Program who elects not to join the Participating Local District Retirement Program at the beginning of that employee's employment may become a member at any time up to and including that employee's 5th-year employment anniversary with that employer pursuant to subsection 2. [PL 2021, c. 286, §5 (NEW).]

2. Annual open enrollment period. An employee under this section may elect to join the Participating Local District Retirement Program through an annual open enrollment period from September 1st to November 1st, beginning in 2022.

[PL 2021, c. 286, §5 (NEW).]

3. Creditable service granted. An employee who elects to join the Participating Local District Retirement Program under this section is entitled to creditable service as governed by section 18358.

[PL 2021, c. 286, §5 (NEW).]

4. Member contributions. Member contributions for an employee that joins the Participating Local District Retirement Program under this section are not pick-up contributions.

[PL 2021, c. 286, §5 (NEW).]

SECTION HISTORY

PL 2021, c. 286, §5 (NEW).

§18253. Employment changes affecting membership

1. Reemployment with new employer. Membership of a member who is reemployed with a new employer is governed as follows.

A. Any member of the State Employee and Teacher Retirement Program or the Participating Local District Retirement Program whose service is terminated as a state employee, teacher or participating local district employee and who becomes employed as a state employee, teacher or participating local district employee with a new employer shall, if the member has not previously withdrawn the member's accumulated contributions:

(1) Have the membership transferred to the member's account with the new employer; and

(2) Be entitled to all benefits that:

(a) Are based on creditable service and earnable compensation with the previous employer and the provisions of this Part in effect with respect to the previous employer at the date of termination of service by the member; and

(b) Do not require additional contributions by the new employer. [PL 2007, c. 491, §199 (AMD).]

B. The new employer may elect to include the creditable service and earnable compensation of the member with the previous employer with the creditable service and earnable compensation with the new employer. If that election is made, the new employer shall make, from time to time, whatever contributions are necessary to provide the benefits under the applicable retirement program for the member that have accrued to the member by reason of the member's previous employment and that may accrue to the member by reason of the member's new employment. [PL 2007, c. 491, §200 (AMD).]

C. If the new employer makes the election provided under paragraph B, or the member makes the election provided under paragraph E, all funds in the applicable retirement program contributed by the member's former employer on account of the member's previous employment must be transferred to the account of the new employer and must be used to liquidate the liability incurred by reason of the previous employment. [PL 2007, c. 542, §3 (AMD).]

D. For the purposes of this subsection, an employee of the Maine Public Employees Retirement System who is a member on January 1, 1994 is considered to be reemployed with a new employer. If an employee returns to state service during the period that begins on July 1, 1995 and ends 180 days after the date upon which the initial collective bargaining agreement between the Maine Public Employees Retirement System and the collective bargaining agent that represents the employees of the system becomes effective, all funds transferred to the account of the Maine Public Employees

Retirement System as the new employer on behalf of the employee from the State's account must be returned to the State's account. For the purpose of service, breaks in service and benefit accruals, the employee must be treated as if the employee had remained in state service throughout the period in question. For purposes of this paragraph, "becomes effective" means that the collective bargaining agreement has been signed and ratified by both parties. [PL 2015, c. 385, §10 (AMD).]

E. Notwithstanding paragraph A, a member of the Maine Public Employees Retirement System who is a law enforcement officer as defined in Title 25, section 2801-A, subsection 5, or a municipal firefighter as defined in section 286-M, whose previous membership was based upon employment as a law enforcement officer, a state firefighter or a municipal firefighter, and whose service retirement benefits are not otherwise governed by section 18801, subsection 1, paragraph A, subparagraph 2 may elect to make the contribution necessary to include all or part of the member's creditable service and earnable compensation from the prior plan in the new plan. The retirement system shall establish procedures for determining the contribution necessary for such a member to carry forward all or part of the creditable service and earnable compensation from a prior plan or plans. For purposes of this paragraph, "state firefighter" means a person employed by the State with the primary responsibility of aiding in the extinguishment of fires and includes a member of emergency medical services line personnel as defined in section 286-M, subsection 2, paragraph H. [PL 2007, c. 542, §4 (AMD).]

[PL 2015, c. 385, §10 (AMD).]

2. Purchase of previously rendered creditable service. Notwithstanding any law to the contrary, a member of a participating local district who has served in any participating local district or in any local district, and who did not make an election to decline membership while employed with that district, may purchase, by mutual agreement between the participating local district and the person concerned, service credit for the service previously rendered, upon proper certification that:

A. The service had been rendered; and [PL 1985, c. 801, §§5, 7 (NEW).]

B. The current employer will assume the liability incurred by the granting of the service credit for the previous time served. [PL 1985, c. 801, §§5, 7 (NEW).]

[PL 2011, c. 449, §16 (AMD).]

3. Former employee. Notwithstanding anything to the contrary, a participating local district may grant service credit for creditable service to any former employee who is currently a member of the Participating Local District Retirement Program, as long as the former employee did not make an election to decline membership while employed with that district. The entire actuarial cost of granting the service credit must be fully funded by the district granting the service credit.

§18254. Effect of district's withdrawal

The withdrawal of a participating local district from the Participating Local District Retirement Program has the following effects on an employee of the district and on the district itself. [PL 2007, c. 491, §203 (AMD).]

1. Employee eligible to withdraw accumulated contributions. An employee of the district whose membership in the Participating Local District Retirement Program was compulsory under section 18251 must make an election to remain a member under that program or to withdraw accumulated contributions within 90 days of the effective date of the employer withdrawal from the

program under section 18203, subsection 2. An employee who elects to withdraw accumulated contributions under this subsection may not be a member of the program as an employee of that district. Once an election is made under this subsection, the election is irrevocable with respect to all subsequent employment with the same employer when membership in the program is not mandatory if the employer later resumes participation in the program pursuant to section 18254-A unless the employee is electing to rejoin the Participating Local District Retirement Program and:

A. The employee is covered by a plan provided by the employer under section 18252-B with an employee contribution rate that is not lower than the employee contribution rate for the applicable plan under the Participating Local District Retirement Program; and [PL 2021, c. 90, §4 (NEW).]

B. Employee contributions after rejoining the Participating Local District Retirement Program qualify for treatment as pick-up contributions for federal tax purposes and the person's membership otherwise complies with the United States Internal Revenue Code as applicable to governmental qualified defined benefit plans. [PL 2021, c. 90, §4 (NEW).]

[PL 2021, c. 90, §4 (AMD).]

2. Person employed after district withdrawal. A person who begins employment with the district after the effective date of withdrawal of the district from the Participating Local District Retirement Program may not be a member of that program as an employee of that district.

[PL 2007, c. 491, §205 (AMD).]

3. Former employee receiving or eligible for retirement benefits. Except as provided in subsection 5, for a former employee who is receiving retirement benefits or is eligible for retirement benefits, the district continues to be a participating local district and that person is subject to this Part.

[PL 2001, c. 181, §9 (AMD).]

4. Former employee who has not withdrawn accumulated contributions. For a former employee who has not withdrawn accumulated contributions from the Participating Local District Retirement Program, the district continues to be a participating local district and that person is subject to this Part.

[PL 2007, c. 491, §206 (AMD).]

5. Conditions under which withdrawn participating local district is no longer participating local district. A participating local district that has no former employees eligible for retirement benefits under subsection 3 and no former employees covered under subsection 4 is no longer a participating local district when:

A. The participating local district's status as a participating local district is based solely on the existence of a former employee or employees who are retirees receiving retirement benefits or on the existence of current or potential beneficiaries of such retirees who are receiving or potentially entitled to receive benefits; and [PL 2001, c. 181, §10 (NEW).]

B. The district satisfies fully all liabilities as measured by the retirement system for those to whom paragraph A applies:

(1) In accordance with state and federal law; and

(2) According to standards and procedures approved by the board as determined by the board to protect the interests of current and potential benefit recipients and any other affected or potentially affected person or entity. Such procedures may include, but are not limited to, the establishment by purchase or otherwise of an annuity or annuities as a means of satisfying the district's liabilities. [PL 2001, c. 181, §10 (NEW).]

Having satisfied its liabilities in compliance with this subsection, a district is no longer a participating local district, and once the retirement plan is terminated in accordance with federal law, the retirement system must return to it any assets in the district's retirement system account exceeding the amount

necessary to comply. Satisfaction of district liabilities pursuant to this subsection bars any future claim by any person against the retirement system for liability to or responsibility for any retiree, beneficiary or the district, and a retiree, beneficiary or the district is not thereafter subject to this Part. 1. Employer pick-up. The contributions required to be made on behalf of a member under this section shall, after the effective date of this section, be picked up by the employer in lieu of contributions by the employee with a reduction of the member's salary consistent with section 17001, subsection 28-A. [PL 1987, c. 739, §§33, 48 (NEW).]

For payments or repayments made by single annual payments, the board shall designate, by rule, a period of not less than 30 days during which annual direct payments or repayments may be made. §18308. CETA service

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "CETA employee" means an employee enrolled in a program under the United States Comprehensive Employment and Training Act of 1973, as amended. [PL 1985, c. 801, §§5, 7 (NEW).]

B. "Employer" means the State or the participating local district with which the CETA employee is placed for training and employment. [PL 1985, c. 801, §§5, 7 (NEW).]

C. "Prime sponsor" means the CETA prime sponsor, a unit of government responsible for planning and operating all CETA programs within the geographic jurisdiction encompassed by that unit of government. [PL 1985, c. 801, §§5, 7 (NEW).]

[PL 1985, c. 801, §§5, 7 (NEW).]

2. Eligibility for membership. CETA employees are considered eligible for membership in the Participating Local District Retirement Program from the date of their enrollment in a CETA program, whether or not they become members.

[PL 2007, c. 491, §220 (AMD).]

3. Employer's contributions. Employer's contributions are governed as follows.

A. Notwithstanding this chapter and chapter 421, subchapter 4, neither the State nor a participating local district is required to contribute to a retirement program of the Maine Public Employees Retirement System for CETA employees. [PL 2007, c. 491, §220 (AMD).]

B. If an employee elects, under section 18361, to purchase the employee's CETA time for past creditable service, the employee's CETA prime sponsor shall then pay to the applicable retirement program an amount equal to the employer's contribution, plus regular interest, for the employee's CETA time, using only CETA funds. [RR 2023, c. 2, Pt. B, §132 (COR).]

[RR 2023, c. 2, Pt. B, §132 (COR).]

4. Employee's contributions. Employee's contributions are governed as follows.

A. Notwithstanding section 18301, a CETA employee is not required to contribute to a retirement program of the Maine Public Employees Retirement System. [PL 2007, c. 491, §220 (AMD).]

B. A CETA employee may contribute during the employee's period of CETA employment or may defer contributions until the employee's post-CETA employment status is known. [PL 2007, c. 491, §220 (AMD).]

C. If an employee who has not contributed during the employee's CETA employment or who has withdrawn the employee's contributions later elects, under section 18361, to purchase the employee's CETA time for past creditable service, the employee shall pay to the applicable retirement program of the Maine Public Employees Retirement System an amount equal to the employee's contributions, plus interest, at a rate, to be set by the board, not to exceed regular interest by 5 or more percentage points. Interest must be computed beginning at the end of the year when those contributions or pick-up contributions would have been made to the date of payment. [PL 2009, c. 474, §41 (AMD).]

D. If an employee or member who has not contributed during that employee's or member's CETA employment or who has withdrawn that employee's or member's contributions later elects, under section 18361, subsection 3, to purchase that employee's or member's CETA time for past creditable service before any retirement benefit becomes effective for that member, that employee or member must pay into the Members' Contribution Fund, by a single direct payment or annual direct payments to the applicable retirement program of the Maine Public Employees Retirement System, an amount that, together with regular interest on that amount, is the actuarial equivalent, at the effective date of the retirement benefit, of the portion of the retirement benefit based on the additional creditable service. Annual payments must be made in accordance with section 18301, subsection 4. Additional amounts paid under this paragraph become a part of the employee's or member's accumulated contributions. If any retirement benefit becomes effective before the completion of the payment under this paragraph, the employee or member is entitled to service credit for a portion of the additional creditable service in the same proportion that the total amount of payments actually made, plus regular interest on those payments to the date the retirement benefit becomes effective, bears to the actuarial equivalent of the total portion of the retirement benefit based on the additional creditable service. [PL 2007, c. 491, §220 (AMD).]

[PL 2009, c. 474, §41 (AMD).]

5. Return of contributions. Any CETA employee who contributed to a retirement program of the Maine Public Employees Retirement System during that employee's CETA employment and who does not meet the requirements of section 18361 must be refunded that employee's employee contributions, plus regular interest, upon request to the retirement system.

Service credit for service in the Armed Forces of the United States is governed as follows. Except as provided in subsection 1, paragraph B, subparagraph (1), service credit under this section is limited to 5 years. [PL 2003, c. 387, §8 (AMD).]

1. Service after becoming a member. A member is entitled to service credit for the period of time during which the member's membership is continued under section 18258, subsection 1, under the following terms and conditions.

A. A member who is otherwise entitled to service credit for military leave may not be deprived of these credits if the member's return to membership service is delayed beyond 90 days after the member's separation from the service in the Armed Forces of the United States, under conditions other than dishonorable, if the delay is caused by an illness or disability incurred in the service in the armed forces. [PL 2003, c. 387, §9 (AMD).]

B. A member may not receive service credit for military leave beyond the end of the period of first enlistment or induction or beyond 5 years from the date of original call to active duty in the armed forces, whichever is less, unless:

(1) The member's return to active duty in the armed forces or the extension of the period of service beyond 5 years is required by some mandatory provision; and

(2) The member presents proof of the return to or extension of service satisfactory to the board. [PL 2003, c. 387, §9 (AMD).]

[PL 2003, c. 387, §9 (AMD).]

2. Service before becoming a member. If a participating local district elects to provide service credit for service in the Armed Forces of the United States under this subsection, a member who served as a full-time active duty member of the Armed Forces of the United States before becoming a member of the Participating Local District Retirement Program is entitled to service credit for the period of time the member served in the armed forces, under the following terms and conditions.

A. Except as provided in paragraph I, on the date of retirement, the member must have at least 15 years of creditable service. [PL 2001, c. 114, §4 (AMD).]

B. [PL 1991, c. 479, §6 (RP).]

C. The member must have separated from the armed forces under conditions other than dishonorable. [PL 1985, c. 801, §§5, 7 (NEW).]

D. Except as provided in paragraph E, the member must have begun membership before January 1, 1976. [PL 1985, c. 801, §§5, 7 (NEW).]

E. Except as provided in paragraph I, a member who served in the armed forces during any federally recognized period of conflict, is entitled to service credit under this subsection. For purposes of this paragraph, "federally recognized period of conflict" means World War I, April 6, 1917 to November 11, 1918 or to March 31, 1920 if service was in Russia; World War II, December 7, 1941 to December 31, 1946; the Korean Conflict, June 27, 1950 to January 31, 1955; the Vietnam

War, August 5, 1964 to May 7, 1975 and the period beginning on February 28, 1961 and ending on May 7, 1975 in the case of a veteran who served in the Republic of Vietnam during that period; and the Persian Gulf War, August 7, 1990 to the date that the United States Government recognizes as the end of the Persian Gulf War. [PL 2007, c. 249, §29 (AMD).]

F. Except for members qualifying under paragraph E, this subsection:

- (1) Applies to all persons, active or retired, but, for those already retired, the effective date of any adjustment must be not earlier than the date on which the time or credit is certified to the retirement system; and
- (2) Does not apply to any member who begins membership on or after January 1, 1976. [PL 2007, c. 491, §230 (AMD).]

G. Upon complete payment of the back contributions under section 18311, the member must be granted service credit for the period of time for which the contributions have been made. Upon making partial payment of the back contributions under section 18311, the member must be granted service credit on a pro rata basis in accordance with rules adopted by the board. [PL 2007, c. 491, §230 (AMD).]

H. A participating local district may elect, with regard to special plans under section 18453, subsections 2 to 9, that service credits under this subsection apply only to additional retirement benefits under section 18453, subsections 10 and 11, and that the service credits not apply to age or service requirements of retirement. Nothing in this paragraph may be construed to affect in any way the rights of public employees to collectively bargain for terms and conditions of employment. [PL 1985, c. 801, §§5, 7 (NEW).]

I. A member who fails to meet one or more of the terms and conditions required under paragraphs A, D and E may purchase service credit as provided in this paragraph. The member must have at least 5 years of creditable service and, before any retirement benefit becomes effective for that member, must pay into the Members' Contribution Fund, by a single direct payment or annual direct payments to the Participating Local District Retirement Program, an amount that, together with regular interest on that amount, is the actuarial equivalent, at the effective date of the retirement benefit, of the portion of the retirement benefit based on the additional creditable service. Annual direct payments must be made in accordance with section 17701, subsection 4. Any member who purchases service credit under this paragraph who subsequently, without inclusion of the purchased service credit and prior to retirement, meets the terms and conditions of paragraphs A, D and E is entitled to purchase the service credit under section 18311, subsection 2 and to receive a refund of the amount paid under this paragraph that exceeds the cost to purchase the service credit under section 18311. [PL 2007, c. 491, §230 (AMD).]

C. The person, within 90 days of becoming a non-CETA employee, signified in writing to the retirement system the person's intention to purchase time credit under section 18308, subsection 4; [RR 2023, c. 2, Pt. B, §133 (COR).]

D. The person has not received a return of any contributions made under section 18308, subsection 4 or has deposited the person's contributions within 18 months of obtaining non-CETA employment with the employer under section 18308, subsection 4; and [RR 2023, c. 2, Pt. B, §134 (COR).]

E. The employer contribution required by section 18308, subsection 3, has been paid. [PL 1985, c. 801, §§5, 7 (NEW).]
[RR 2023, c. 2, Pt. B, §§133, 134 (COR).]

2. Retirement benefit effective before completion of payment. If any retirement benefit becomes effective before the completion of the deposit under section 18308, subsection 4, the person is entitled to credit for that portion of the person's CETA time that the amount of the deposit actually made bears to the total amount that would have been required to purchase the person's entire CETA time.

[RR 2023, c. 2, Pt. B, §135 (COR).]

3. Service credit allowed. Service credit for the period of CETA employment occurring before July 1, 1979 must be granted to any person who satisfies the following conditions:

§18362. Teachers in private, parochial and other schools

1. Parochial school or public or private academy. A member who taught in a parochial school or in a public or private academy may purchase up to 10 years of service credit for that service under the following conditions.

A. The member must have taught in a school approved by the Department of Education or the education department of another state while holding an appropriate teaching certificate. [PL 1989, c. 78, §4 (NEW); PL 1989, c. 700, Pt. A, §27 (AMD).]

B. The member must have 20 years of creditable service as a member of the participating local district. [PL 1991, c. 558, §2 (AMD).]

C. The member must, before any retirement benefit becomes effective for the member, make contributions into the Members' Contribution Fund, for the years of private or parochial school teaching on the same basis as the member would have made contributions had the service been as a state employee or teacher in this State, including interest at a rate to be set by the board not to exceed regular interest by 5 or more percentage points. The member's earnings for the years of private or parochial school teaching must be assumed to have been the same as the average salary for teachers in this State as determined by the Department of Education for each of the years when the private or parochial school teaching took place. Interest must be computed beginning at the end of the year when those contributions would have been made, if the service had been as a state employee or teacher in this State, to the date of payment. Payment must be made by a single direct

payment or annual direct payments to the Participating Local District Retirement Program in accordance with section 18301, subsection 4. [PL 2007, c. 491, §231 (AMD).]

D. The member must have begun membership before January 1, 1976. [PL 1991, c. 558, §2 (NEW).]

E. The member's last 10 years of creditable service before the date of retirement must be as a member of the participating local district. [PL 1991, c. 558, §2 (NEW).]

F. Upon complete payment of the contributions under paragraph C, the member must be granted service credit for the period of time for which the contributions have been made. Upon making partial payment of the contributions under paragraph C, the member must be granted service credit on a pro rata basis in accordance with rules adopted by the board. [PL 1991, c. 558, §2 (NEW).] [PL 2007, c. 491, §231 (AMD).]

1-A. Alternative. In the determination of the retirement benefit under this Part, if service credit for private or parochial school teaching is not allowed under subsection 1 based upon the member not meeting the requirements of subsection 1, paragraph B or D, additional service credit for private or parochial school teaching is allowed for any member who meets the requirements of subsection 1, paragraphs A and E, if the member, before any retirement benefit becomes effective for that member, pays into the Members' Contribution Fund by a single direct payment or annual direct payments to the Participating Local District Retirement Program an amount that, together with regular interest on that amount, is the actuarial equivalent at the effective date of the retirement benefit of the portion of the retirement benefit based on the additional creditable service.

Annual payments must be made in accordance with section 18301, subsection 4.

A. Additional amounts paid under this subsection become a part of the member's accumulated contributions. [PL 1993, c. 387, Pt. A, §19 (NEW).]

B. If any retirement benefit becomes effective before the completion of the payment under this subsection, the member is entitled to service credit for that portion of the additional creditable service that the total amount of payments actually made, plus regular interest on those payments to the date the retirement benefit becomes effective, bears to the actuarial equivalent of the total portion of the retirement benefit based on the additional creditable service. [PL 1993, c. 387, Pt. A, §19 (NEW).]

[PL 2007, c. 491, §232 (AMD).]

2. Other schools and programs. A member who terminates service in the State and teaches under the Volunteers in Service to America Program, the Fulbright Exchange Program or the Peace Corps, foreign or domestic, or teaches children of United States Foreign Corps personnel outside the continental limits of the United States is entitled to service credit for that service under the following conditions.

A. The service credit may not exceed 2 years. [PL 1989, c. 78, §4 (NEW).]

B. The member must return to active service as a member of the Participating Local District Retirement Program within one year of the completion of the teaching outside of the State described in this section. [PL 2007, c. 491, §233 (AMD).]

C. The member must, before any retirement benefit becomes effective for the member, pay into the Members' Contribution Fund, by a single direct payment or annual direct payments to the Participating Local District Retirement Program, an amount that, together with regular interest on that amount, is the actuarial equivalent, at the effective date of the member's retirement benefit, of the portion of the member's retirement benefit based on the additional creditable service. Annual payments must be made in accordance with section 18301, subsection 4. [PL 2007, c. 491, §234 (AMD).]

§18363. Law enforcement service

Service credit for service in law enforcement is governed as follows. [PL 2019, c. 459, §3 (NEW).]

1. Service before becoming member. A member who served as a full-time law enforcement officer with a federal, state, county or local law enforcement agency before becoming a member is entitled under this subsection to purchase service credit for the period of time that the member served as a law enforcement officer if the member has at least 15 years of creditable service at the time of retirement by complying with the terms and conditions of this subsection and the applicable provisions of subsection 2. Service credit purchased under this section is limited to 4 years. Notwithstanding anything to the contrary, a member for which service credit under this section is to be granted must provide a certified statement from the appropriate retirement system that the service credit to be granted has not been and will not be used to obtain other retirement benefits.

[PL 2019, c. 459, §3 (NEW).]

2. Members qualified for credit at actuarial cost. A member qualified under subsection 1 to purchase service credit at the cost set forth in this subsection is entitled to service credit if the member pays an amount that, together with regular interest on that amount, is the actuarial equivalent, at the effective date of the retirement benefit, of the portion of the retirement benefit based on the additional creditable service.

A. Payment must be made before any retirement benefit becomes effective for that member. [PL 2019, c. 459, §3 (NEW).]

B. Payment may be made to the retirement system by a single direct payment or by annual direct payments in accordance with section 17701, subsection 4. [PL 2019, c. 459, §3 (NEW).]

§18403. Election of methods of payment

1. Definition. As used in this article, unless the context otherwise indicates, the term "qualifying member" means:

A. A member; or [PL 1985, c. 801, §§5, 7 (NEW).]

B. A former member who is receiving a disability retirement benefit. [PL 1985, c. 801, §§5, 7 (NEW).]

[RR 2023, c. 2, Pt. B, §136 (COR).]

3. Time and manner of election. A qualifying member must elect a method of payment before the beginning of payment of a service retirement benefit. This election must be by written notice to the chief executive officer stating the date on which the qualifying member desires to retire.

[RR 2023, c. 2, Pt. B, §136 (COR).]

4. Change of election. A qualifying member may revoke the qualifying member's election of benefits and may elect another method of payment by giving written notice to the chief executive officer at any time before the first payment of the service retirement benefit.

§18404. Methods of payment

Except as provided in subsection 6, payment of a service retirement benefit shall begin on the first day of the month following the month in which the qualifying member becomes eligible to receive payment of the member's service retirement benefit under section 18451 or 18507. A full month's benefit shall be paid to the beneficiary or estate of the recipient for the month in which the member dies. A qualifying member may select payments in one of the following methods. [PL 1989, c. 95, §16 (AMD).]

1. Full benefits. All retirement benefits shall be payable for life in equal monthly installments with no further payment made after the month in which the retiree dies. If a participating local district adopts section 18454, the benefits set forth in section 18454 will be considered full benefits for purposes of this section.

[PL 1987, c. 256, §32 (AMD).]

2. Option 1. The qualifying member may elect to have a reduced retirement benefit payable to the qualifying member while alive and at the qualifying member's death to have the excess, if any, of the qualifying member's accumulated contributions at the time of retirement over the portion of the total retirement benefit payments actually made to the qualifying member while alive, which is the actuarial equivalent amount to the accumulated contributions, paid in a lump sum to the beneficiary the

qualifying member has nominated by written designation duly acknowledged and filed with the chief executive officer or, if no one has been nominated as beneficiary, to the qualifying member's estate. Contributions deducted from the compensation of a teacher before July 1, 1947 or required of a teacher for service credit before July 1, 1947 may not be included in the accumulated contributions.

[RR 2023, c. 2, Pt. B, §137 (COR).]

3. Option 2. The qualifying member may elect to have a reduced retirement benefit payable to the qualifying member while alive and at the qualifying member's death to have the benefit continued in the same amount for the life of the beneficiary the qualifying member has nominated by written designation duly acknowledged and filed with the chief executive officer at the time of retirement, if the beneficiary survives the qualifying member.

[RR 2023, c. 2, Pt. B, §138 (COR).]

4. Option 3. The qualifying member may elect to have a reduced retirement benefit payable to the qualifying member while alive and at the qualifying member's death to have the benefit continued at 1/2 the amount for the life of the beneficiary the qualifying member has nominated by written designation duly acknowledged and filed with the chief executive officer at the time of retirement, if the beneficiary survives the qualifying member.

[RR 2023, c. 2, Pt. B, §139 (COR).]

5. Option 4.

[PL 1999, c. 744, §12 (RP); PL 1999, c. 744, §17 (AFF).]

5-A. Option 4. The qualifying member may elect to have a reduced retirement benefit payable to the qualifying member while alive and at the qualifying member's death to have some benefit other than that available under subsection 3 or 4 payable to the beneficiary that the qualifying member has designated, if the beneficiary survives the qualifying member. The total value of the benefit paid to the qualifying member during the qualifying member's life plus the benefit paid after the qualifying member's death is the actuarial equivalent of the benefit that the qualifying member would have received without optional modification. The method used to determine the benefit must be approved by the board, and the beneficiary must be designated by written designation, duly acknowledged and filed with the chief executive officer on a form provided or specified by the retirement system.

[PL 2021, c. 548, §37 (AMD).]

5-B. Option 5. The qualifying member may elect to have a reduced retirement benefit payable in part to the qualifying member and in part to the beneficiary, who must be the sole beneficiary, while both are alive and, at the death of either, to have the higher benefit paid to the survivor for the survivor's life. The total value of the benefit paid to the qualifying member and beneficiary, during the qualifying member's life, plus the benefit to be paid after the death of either is the actuarial equivalent of the benefit that the qualifying member would have received without optional modification. The method used to determine the benefit must be approved by the board, and the beneficiary must be designated by written designation, duly acknowledged and filed with the chief executive officer on a form provided or specified by the retirement system.

[PL 2021, c. 548, §38 (AMD).]

5-C. Option 6. The qualifying member may elect to have a reduced retirement benefit payable to the qualifying member while alive and, at the qualifying member's death, to have the benefit continued in the same amount for the life of the beneficiary, who must be the sole beneficiary, that the qualifying member has designated by written designation, duly acknowledged and filed with the chief executive officer on a form provided or specified by the retirement system, if the beneficiary survives the qualifying member. If the qualifying member's beneficiary predeceases the qualifying member, the qualifying member's benefit must be changed, effective the first day of the month following the date of the beneficiary's death, to be the actuarial equivalent of the benefit that the qualifying member would have received without optional modification. The reduced retirement benefit must be actuarially

calculated to reflect the fact that the benefit may be changed to the larger amount should the beneficiary predecease the member.

[PL 2021, c. 548, §39 (AMD).]

5-D. Option 7. The qualifying member may elect to have a reduced retirement benefit payable to the qualifying member while alive and, at the qualifying member's death, to have the benefit continued at 1/2 that amount for the life of the beneficiary, who must be the sole beneficiary, that the qualifying member has designated by written designation, duly acknowledged and filed with the chief executive officer on a form provided or specified by the retirement system, if the beneficiary survives the qualifying member. If the qualifying member's beneficiary predeceases the qualifying member, the qualifying member's benefit must be changed, effective the first day of the month following the date of the beneficiary's death, to the actuarial equivalent of the benefit that the qualifying member would have received without optional modification. The reduced retirement benefit must be actuarially calculated to reflect the fact that the benefit may be changed to the larger amount should the beneficiary predecease the member.

[PL 2021, c. 548, §40 (AMD).]

5-E. Option 8. The qualifying member may elect to have a reduced retirement benefit payable to the qualifying member while alive and at the qualifying member's death to have some benefit other than that available under subsection 3 or 4 payable to the beneficiary, who must be the sole beneficiary, that the member has designated, if the beneficiary survives the qualifying member. The total value of the benefit paid to the qualifying member plus the benefit paid after the qualifying member's death is the actuarial equivalent of the benefit that the qualifying member would have received without optional modification. If the qualifying member's beneficiary predeceases the qualifying member, the qualifying member's benefit must be changed, effective the first day of the month following the date of the beneficiary's death, to be the actuarial equivalent of the benefit that the qualifying member would have received without optional modification. The reduced retirement benefit must be actuarially calculated to reflect the fact that the benefit may be changed to the larger amount should the beneficiary predecease the member.

[PL 2001, c. 118, §8 (AMD).]

5-F. Change of beneficiary. If the recipient of a service retirement benefit has elected an optional method of payment under subsection 3, 4, 5, 5-A, 5-B, 5-C, 5-D or 5-E and has designated someone other than a spouse or ex-spouse as sole beneficiary, the recipient is permitted a one-time change in the designated beneficiary except as provided in paragraph D, but may not change the already elected payment option or the amount of the benefits under that option, by filing a written designation of the new beneficiary, duly acknowledged with the chief executive officer on a form provided or specified by the retirement system. The change of beneficiary permitted by this subsection may only be made prior to the death of the prior designated beneficiary.

A. The benefit payable to the recipient and the new beneficiary must be paid under the same payment option. The amount of the recipient's benefit may not change, and the amount of the new beneficiary's benefit must be the same as the amount of the prior beneficiary's benefit. [PL 1999, c. 744, §13 (NEW); PL 1999, c. 744, §17 (AFF).]

B. The effective date of the designation of the new beneficiary is the date the designation is received by the chief executive officer. As of the first day of the month following the effective date of the designation of the new beneficiary, the prior beneficiary is no longer entitled to any benefit payment and, if concurrent payment under subsection 5-B has been elected, the new beneficiary's benefit must become effective on the same date. [PL 2021, c. 548, §41 (AMD).]

C. The new beneficiary's entitlement to benefits ceases on the earlier of:

- (1) The date of the new beneficiary's death; or

(2) The date established when the amount of the prior beneficiary's benefit was established, which is the initial commencement date of benefits to the retiree increased by the life expectancy of the prior beneficiary computed in years and months using actuarial equivalence assumptions recommended by the system's actuary.

Payment of benefits to the new beneficiary must cease as of the first day of the month following the earlier of subparagraphs (1) and (2). [PL 2021, c. 548, §41 (AMD).]

D. A recipient who exercises a one-time option under this subsection may revert back to the original designated beneficiary, who will be treated as the new beneficiary for purposes of paragraphs A to C. [PL 2007, c. 523, §3 (NEW).]

[PL 2021, c. 548, §41 (AMD).]

6. Monthly payment of \$10 or less. If the monthly benefit payable to a qualifying member or the beneficiary of a qualifying member is \$10 or less, there shall be paid, in lieu of those payments, a lump sum which is the actuarial equivalent, on the date the first monthly payment would otherwise be paid, of the benefit to which the qualifying member or beneficiary is entitled. A beneficiary who receives a lump sum payment under this subsection shall not forfeit any other benefit to which the beneficiary would be entitled if the beneficiary were receiving a monthly benefit payment.

[PL 1989, c. 95, §17 (NEW).]

7. Notice to spouse. A qualifying member who is married on the effective date of retirement, who elects the method of payment under subsection 1, or who elects a method of payment other than that provided under subsection 1 and who designates a beneficiary other than the qualifying member's spouse must notify the spouse that the spouse is not the beneficiary. Proof that the spouse has been notified must be provided:

A. By written certification of the spouse, duly acknowledged and filed with the chief executive officer, on a form provided or specified by the retirement system, indicating that notice has been received from the qualifying member; or [PL 2021, c. 548, §42 (AMD).]

B. When notice has been given but certification by the spouse has not been provided, by written certification of the qualifying member, duly acknowledged and filed with the chief executive officer, on a form provided or specified by the retirement system, indicating that notice has been given to the spouse. [PL 2021, c. 548, §43 (AMD).]

Payment of the qualifying member's service benefit may not commence until certification has been received by the chief executive officer.

[PL 2021, c. 548, §§42, 43 (AMD); PL 2021, c. 548, §45 (REV).]

1. Retirement system. The retirement system's liability for payment of benefits is governed as follows.

A. The retirement system is not liable for the payment of any benefits to employees or retirees of any participating local district for which reserves have not been previously created from funds contributed by the participating local district or its employees for those benefits. [PL 1985, c. 801, §§ 5, 7 (NEW).]

A. By the amount the liabilities exceed the reserve funds; or [PL 1985, c. 801, §§ 5, 7 (NEW).]

§18407. Cost-of-living adjustment to retirement benefit

Cost-of-living adjustments to the retirement benefits being paid to retired participating local district employees shall be governed as follows. [PL 1985, c. 801, §§5, 7 (NEW).]

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Covered district" means a participating local district that provides coverage under the United States Social Security Act for its employees. [PL 1985, c. 801, §§5, 7 (NEW).]

B. "Noncovered district" means a participating local district that does not provide coverage by the United States Social Security System for its employees. [PL 1985, c. 801, §§5, 7 (NEW).]
[PL 1985, c. 801, §§5, 7 (NEW).]

2. Noncovered districts. Notwithstanding section 18202 and except as provided in this subsection, subsections 3 to 5 apply to all retired employees of noncovered districts and to beneficiaries of those retired employees.

A. A noncovered district that has withdrawn from participation in the Participating Local District Retirement Program on or before June 30, 1987, under section 18203 is not required to provide cost-of-living adjustments for its retired employees or their beneficiaries. [PL 2007, c. 491, §236 (AMD).]

B. A noncovered district which, on or after September 19, 1985, engages in collective bargaining or has in force a collective bargaining agreement under Title 26, chapter 9-A, with some or all of the district's members is not required by this section to provide cost-of-living adjustments for its retired employees or their beneficiaries. When the district subsequently agrees through the collective bargaining process to provide the cost-of-living adjustment under this section, the adjustment shall apply to all the district's retired employees or their beneficiaries receiving retirement allowances. [PL 1985, c. 801, §§5, 7 (NEW).]
[PL 2007, c. 491, §236 (AMD).]

3. Covered districts. A covered district may provide cost-of-living adjustments for its retired employees or their beneficiaries by application to the board of trustees supplying the necessary information. Upon acceptance of such a plan, the district shall supply a certified copy of its action and a statement of agreement of payment and costs.
[PL 1985, c. 801, §§5, 7 (NEW).]

4. Determination of adjustment for participating local districts not covered by chapter 427. The cost-of-living adjustment is determined as follows.

A. Except as provided in paragraph A-1, whenever there is a percentage increase in the Consumer Price Index from July 1st to June 30th, the board shall automatically make an equal percentage increase in retirement benefits, beginning in September, up to a maximum annual increase of 4%. [PL 2009, c. 473, §5 (AMD).]

A-1. If there is a percentage decrease in the Consumer Price Index from July 1st to June 30th, the board shall set the percentage change at 0% for that September. The adjustment for the following year must be set based on the actuarially compounded Consumer Price Index for both years in a cost-neutral manner. If the Consumer Price Index in the subsequent year or years is not sufficient to allow for the adjustment to be cost-neutral for the 2 years, then the adjustment needed for cost-neutrality must continue to be applied to following years until such time as the cost-neutrality requirement is met. [PL 2009, c. 473, §6 (AMD).]

B. Whenever the annual percentage change in the Consumer Price Index from July 1st to June 30th exceeds 4%, the board shall make whatever adjustments in the retirement benefits are necessary to reflect an annual increase of 4% and shall report that adjustment and the actual increase in the

Consumer Price Index to the Legislature by February 1st of the following year. [PL 2013, c. 391, §6 (AMD).]

C. Notwithstanding any other provision of this section, the amount of annual retirement benefit otherwise payable under this Part may not be less than the retired member received on the effective date of the member's retirement or on July 1, 1977, whichever amount is greater. [RR 2023, c. 2, Pt. B, §141 (COR).]
[RR 2023, c. 2, Pt. B, §141 (COR).]

5. Cost. The board shall determine the costs of the adjustments under this section and shall include those costs in the annual valuation.
[PL 1985, c. 801, §§5, 7 (NEW).]

6. Eligibility. Cost-of-living adjustments under subsection 4 must be applied to the retirement benefits of all retirees who have been retired for at least 6 months before the date that the adjustment becomes payable. Beneficiaries of deceased retirees and members are eligible for the cost-of-living adjustment at the same time the deceased retiree would have become eligible.
[PL 2013, c. 391, §7 (AMD).]

7. Determination of adjustment for participating local districts covered by chapter 427. The plan provisions adopted by rule pursuant to section 18801 govern any cost-of-living adjustment.

- A. [PL 2017, c. 392, §6 (RP).]
 - B. [PL 2017, c. 392, §6 (RP).]
 - C. [PL 2017, c. 392, §6 (RP).]

 - E. [PL 2017, c. 392, §6 (RP).]

(3) If any funds remain after allocation under subparagraph (2), then for the benefit of members with at least 10 years of creditable service who are not then receiving benefit payments, to the extent of the actuarial value of their retirement allowances not provided by their accumulated contributions, allocating the funds on the basis of the oldest ages first; and

(4) If any funds remain after allocation under subparagraph (3), then for the benefit of members in service with the district on the date of the cessation with less than 10 years of creditable service, who are not then receiving benefit payments, to the extent of the actuarial value of their retirement allowances not provided by their accumulated contributions, allocating the funds on the basis of the oldest ages first. [PL 1985, c. 801, §§ 5, 7 (NEW).]

[PL 2007, c. 491, §238 (AMD).]

2. Manner of payment. The allocation of the funds under subsection 1, as decided by the board, may be carried out through the continuance of the benefit payments or the funds may be distributed in one lump sum to the persons entitled to the benefits under subsection 1.

[PL 1985, c. 801, §§ 5, 7 (NEW).]

§18505. Computation of benefit

When a member qualified under section 18504 retires, the member is entitled to receive a disability retirement benefit equal to 59% of the member's average final compensation. The 59% level must be reviewed for cost-neutral comparability as a part of the actuarial investigation provided under section 17107, subsection 2, paragraph E, beginning with the investigation made January 1, 1997 and every 6 years thereafter. The review that takes place every 6 years must compare actual experience under the disability plans with actuarial assumptions regarding election and costs of benefits under the new options elected and identify possible options for compliance with the federal Older Workers Benefit Protection Act that protect benefits for employees without additional cost to the State and participating local districts. [PL 1995, c. 643, §18 (AMD).]

A member who by election remains covered, as to qualification for benefits, under section 18504 as written prior to its amendment by Public Law 1991, chapter 887, section 12, qualifies for a disability retirement benefit on meeting the requirements of section 18504, subsection 1, paragraphs C and D. When a member so qualified retires after approval for disability retirement by the chief executive officer in accordance with this Article, the member is entitled to receive a disability retirement benefit equal to 66 2/3% of the member's average final compensation. [PL 1997, c. 384, §11 (NEW); PL 2021, c. 548, §45 (REV).]

§18506. Reduction in amount of benefit

1. Excess compensation. If the compensation received from engaging in any gainful occupation by a beneficiary of a disability retirement benefit exceeds \$20,000 in calendar year 2000 or in any subsequent calendar year exceeds that amount cumulatively increased by the same percentage adjustments granted under section 18407:

A. The excess must be deducted from the disability or service retirement benefits during the next calendar year, the deductions to be prorated on a monthly basis in an equitable manner prescribed by the board over the year or part of the year for which the benefits are received; and [PL 2001, c. 443, §3 (AMD); PL 2001, c. 443, §7 (AFF).]

B. The beneficiary shall reimburse the retirement system for any excess payments not deducted under paragraph A. [PL 1985, c. 801, §§5, 7 (NEW).]
[PL 2013, c. 391, §14 (AMD).]

2. Disability payments under other laws. The reduction of disability retirement benefits because of disability benefits received under other laws is governed as follows.

A. The amount of any disability retirement benefit payable under this article must be reduced by any amount received by the beneficiary for the same disability under either or both of the following:

- (1) The workers' compensation or similar law, except amounts that may be paid or payable under former Title 39, section 56-B or Title 39-A, section 212, subsection 3; or
- (2) The United States Social Security Act, if the employment for which creditable service with the employer is allowed was also covered under that Act at the date of disability retirement. [PL 1993, c. 680, Pt. A, §17 (AMD).]

B. Disability retirement benefits shall be calculated as follows:

- (1) The initial disability retirement benefit shall be reduced if necessary so that the benefit plus any benefits under paragraph A do not exceed 80% of the beneficiary's average final compensation;
- (2) Subsequent cost-of-living adjustments applied to any benefit listed under paragraph A shall be excluded from the calculations under subparagraph (1);
- (3) Adjustments under section 18407 shall be applied to that portion of disability retirement benefits calculated under subparagraph (1); and
- (4) If a beneficiary receives a benefit under paragraph C, the 80% limit under subparagraph (1) shall not include adjustments under section 18407. [PL 1987, c. 458, §2 (RPR).]

C. The disability retirement benefit may not be reduced below the amount of the retirement benefit that is the actuarial equivalent of the member's accumulated contributions at the time of the member's retirement. [RR 2023, c. 2, Pt. B, §151 (COR).]

D. Lump-sum settlements of benefits that would reduce the disability retirement benefit under this subsection must be prorated on a monthly basis in an equitable manner prescribed by the board.

- (1) These prorated lump-sum settlements may not include any part of the lump-sum settlement attributable to vocational rehabilitation, attorneys' fees, physicians, nurses, hospital, medical, surgical or related fees or charges or any amount paid or payable under former Title 39, section 56-B or Title 39-A, section 212, subsection 3.

(2) These prorated lump-sum settlements must reduce the disability retirement benefit in the same manner and amount as monthly benefits under this subsection. [PL 1993, c. 680, Pt. A, §18 (AMD).]

E. Any dispute about amounts paid or payable under workers' compensation or about the amount of the lump-sum settlement and its attributions must be determined, on petition, by a single member of the Workers' Compensation Board, in accordance with Title 39-A. These determinations may be appealed under Title 39-A, section 322. [PL 1991, c. 885, Pt. E, §14 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

[RR 2023, c. 2, Pt. B, §151 (COR).]

3. Restoration to service. If any recipient of a disability retirement benefit is restored to service, and if the total of the recipient's monthly retirement benefit for any year and the recipient's total earnable compensation for that year exceed the recipient's average final compensation at retirement, increased by the same percentage adjustments as have been received under section 18407, the excess must be deducted from the disability retirement benefit payments during the next calendar year.

A. The deductions must be prorated on a monthly basis over the year or part of the year for which benefits are received in an equitable manner prescribed by the board. [PL 2007, c. 491, §245 (AMD).]

B. The recipient of the disability retirement benefit shall reimburse the retirement system for any excess payments not deducted under this section. [PL 1985, c. 801, §§5, 7 (NEW).]

C. If the retirement benefit payments are eliminated by operation of this subsection:

(1) The person again becomes a member of the Participating Local District Retirement Program and begins contributing at the current rate; and

(2) When the person again retires, the person must receive benefits computed on the person's entire creditable service and in accordance with the law in effect at that time. [PL 2007, c. 491, §245 (AMD).]

§18507. Payment of benefit

1. Beginning. If the chief executive officer receives the written application for disability retirement benefits within 6 months after the date of termination of active service of the member, payment of benefits shall begin on the first day of the month following the date of termination of active service of the member. If the chief executive officer receives the written application for disability retirement benefits more than 6 months after the date of termination of active service of the member, payment of benefits shall begin on the first day of the month following the date 6 months prior to the date of receipt by the chief executive officer of the written application, by or on behalf of the member, for disability retirement, provided that payment of benefits shall begin on the first day of the month following the date of termination of active service of the member if it is shown that:

A. It was not reasonably possible to file the application for disability retirement benefits within the 6-month period; and [PL 1987, c. 256, §40 (RPR).]

B. The application was made as soon as was reasonably possible. [PL 1987, c. 256, §40 (RPR).] [PL 1987, c. 256, §40 (RPR); PL 2021, c. 548, §45 (REV).]

2. Cessation. Payment of disability retirement benefits shall continue as long as a person is disabled, except that:

A. A disability retirement benefit ceases and eligibility for a service retirement benefit begins on the last day of the month in which the service retirement benefit of the beneficiary equals or exceeds the amount of the member's disability retirement benefit. For a member who by election or by having retired on disability retirement prior to October 16, 1992, remains covered under this section as written prior to its amendment by Public Law 1991, chapter 887, section 14, the disability retirement benefit ceases:

(1) On the last day of the month in which the 10th anniversary of the beneficiary's normal retirement age, as defined in section 17001, subsection 23, occurs; or

(2) On the last day of the month in which the service retirement benefit of the beneficiary would equal or exceed the amount of the disability retirement benefit, if that occurs before the 10th anniversary of the beneficiary's normal retirement age. [PL 1997, c. 384, §12 (AMD).]

B. After the disability has continued for 5 years, the disability of the beneficiary must render the beneficiary unable to engage in any substantially gainful activity for which the beneficiary is qualified by training, education or experience. For purposes of this paragraph, the ability to engage in substantially gainful activity is demonstrated by the ability to perform work resulting in annual earnings that exceed \$20,000 or 80% of the recipient's average final compensation at retirement, whichever is greater, adjusted by the same percentage adjustments granted under section 18407.

(1) The chief executive officer may require, once each year, a recipient of a disability retirement benefit to undergo medical examinations or tests, conducted in accordance with section 18503, to determine the disability of the beneficiary.

(2) If the beneficiary refuses to submit to the examination or tests under subparagraph (1), the beneficiary's disability retirement benefit is discontinued until the beneficiary withdraws the refusal.

(3) If the beneficiary's refusal under subparagraph (2) continues for one year, all the beneficiary's rights to any further benefits under this article cease.

(4) If it is determined, on the basis of the examination or tests under subparagraph (1), that the disability of a beneficiary no longer exists, the payment of the beneficiary's disability retirement benefit ceases. [PL 2003, c. 675, §3 (AMD); PL 2021, c. 548, §45 (REV).]

C. The person's average final compensation at retirement shall include the same percentage adjustments, if any, that would apply to the amount of retirement benefit of the beneficiary under section 18407. [PL 1985, c. 801, §§5, 7 (NEW).]

D. A full month's benefit must be paid to the beneficiary or estate of the disability retirement recipient for the month in which the disability retirement recipient dies. [RR 2023, c. 2, Pt. B, §152 (COR).]

[RR 2023, c. 2, Pt. B, §153 (COR).]

2. Failure to submit statement. Failure to submit the statement under subsection 1, shall result in the following.

A. If the beneficiary fails to submit the statement required under subsection 1 within 30 days of receipt of the chief executive officer's request for the statement, the beneficiary's disability retirement benefit shall be discontinued until the statement is submitted. [PL 1985, c. 801, §§5, 7 (NEW); PL 2021, c. 548, §45 (REV).]

§18510. Optional election

1. Election. A beneficiary entitled to a disability retirement benefit under section 1122 of the former retirement system law, as in effect immediately before July 1, 1977, may elect to be governed by this article instead of the law applicable to the disability retirement benefit that the beneficiary is receiving.

§18511. Presumption of disability for active firefighters

1. Definition. For purposes of this section, a person is considered to be an active member of a municipal fire department or of a volunteer fire department or volunteer firefighters' association if the person aids in the extinguishment of fires, whether or not the person has administrative duties or other duties as a member of the department or association.

[PL 1985, c. 801, §§ 5, 7 (NEW).]

2. Presumption. It is presumed that a member incurred a disability in the line of duty that occurred while in actual performance of duty at some definite time and place and that was not caused by the willful negligence of the member if:

A. The disability is the result of a cardiovascular injury that occurred, or a cardiovascular or pulmonary disease that developed, within 6 months of having participated in firefighting or in a training or drill that involved firefighting; and [PL 2009, c. 322, §10 (AMD).]

B. The member was an active member of a municipal fire department or of a volunteer fire association, as defined in Title 30-A, section 3151, for at least 2 years before the injury or the onset of the disease. [PL 2009, c. 322, §10 (AMD).]

C. [PL 2009, c. 322, §10 (RP).]
[PL 2009, c. 322, §10 (AMD).]

§18512. Rehabilitation

Upon agreement of the chief executive officer and the person, rehabilitation services may be provided to any person who is the recipient of a disability retirement benefit under this article as a means to the person being able to return to substantially gainful activity. As a condition of entering into an agreement to provide rehabilitation services, the chief executive officer must determine that rehabilitation is feasible, that rehabilitation is consistent with the purposes of this article, that the recipient is suitable for rehabilitation services and that rehabilitation services are likely to lead to substantially gainful activity. Services must be provided by private and public rehabilitation counselors, government agencies and others approved by the chief executive officer as qualified to provide rehabilitation services. The chief executive officer shall consider a rehabilitation counselor's rate of successfully placing rehabilitated employees in jobs relative to the placement rates of other counselors in the State as fundamental in deciding whether to approve the counselor as qualified. This section does not affect the ongoing requirement that a person remain disabled in order to continue to receive disability benefits. [PL 2021, c. 277, §33 (AMD); PL 2021, c. 548, §45 (REV).]

For the purposes of this section, "person" means any person who is the recipient of a disability retirement benefit. [PL 2003, c. 387, §10 (NEW).]

1. Rehabilitation plan. If the chief executive officer makes the determinations necessary to provide rehabilitation services under this section and rehabilitation agreed to by the parties, the retirement system shall designate a rehabilitation provider to evaluate the person and develop a rehabilitation plan.

[PL 2003, c. 387, §10 (NEW); PL 2021, c. 548, §45 (REV).]

2. Costs. The chief executive officer may contract with rehabilitation providers to develop and carry out approved rehabilitation plans.

A. Except as provided in paragraph B, the chief executive officer shall pay these providers from funds accumulated in the Retirement Allowance Fund, established under section 17251. [PL 2003, c. 387, §10 (NEW); PL 2021, c. 548, §45 (REV).]

B. If the person is entitled to other benefits to meet the cost of rehabilitation services, that person must first apply for and use those benefits to the extent available to pay for the goods and services provided. [PL 2003, c. 387, §10 (NEW).]

[PL 2003, c. 387, §10 (NEW); PL 2021, c. 548, §45 (REV).]

3. Approval of rehabilitation plan. The chief executive officer and the person shall approve any rehabilitation plan developed under subsection 1 and shall indicate in writing their approval of and agreement to the rehabilitation plan. The person shall approve the plan within 30 days or, within that

time period, submit to the chief executive officer the name of an alternate provider for the chief executive officer's consideration. If the rehabilitation plan includes return to employment with the employer for whom the person worked before becoming disabled, the employer also shall indicate in writing approval of the plan.

[PL 2003, c. 387, §10 (NEW); PL 2021, c. 548, §45 (REV).]

4. Monitoring of rehabilitation plan. Each rehabilitation plan approved by the chief executive officer must contain a provision for periodic review of progress being made by the person toward achieving the goal of the plan and substantially gainful activity. The provision relating to review must include authority for the chief executive officer to terminate the plan or to amend the plan with the same provider or with a change of provider, based upon results of the review or at the request of the person or the provider. Subsections 1, 2 and 3 apply to any amended plans under this subsection. A person is entitled to a single rehabilitation plan during the course of the person's incapacity except when the person demonstrates that a termination of the plan was reasonable and for good cause. Any entitlement to amend a rehabilitation plan or establish a new plan ends with a determination by the chief executive officer that the person is no longer disabled.

[PL 2003, c. 387, §10 (NEW); PL 2021, c. 548, §45 (REV).]

5. Return to service. If the rehabilitation plan includes return to employment with the person's former employer, that person must be reemployed in accordance with the plan. The chief executive officer shall notify the former employer, in writing, that the person has completed the rehabilitation plan and is ready to return to employment. The former employer shall reemploy the person in the first available position for which that person is qualified, taking into consideration that person's prior compensation and benefits, training, education and experience, including training and education received under that person's rehabilitation plan.

[PL 2003, c. 387, §10 (NEW); PL 2021, c. 548, §45 (REV).]

6. Employment exception. A person is not required to accept employment that reasonably necessitates relocation or for which the person is not qualified, taking into consideration that person's prior compensation and benefits, training, education and experience, including training and education received under that person's rehabilitation plan. The disability retirement benefit may not be discontinued except as provided by section 17929 or until the person is reemployed consistent with this section.

§18521. Definitions

As used in this article, unless the context otherwise indicates, the following terms have the following meanings. [PL 1989, c. 409, §§11, 12 (NEW).]

1. Disabled. "Disabled" means that the member is mentally or physically incapacitated under the following conditions:

A. The incapacity is expected to be permanent; [PL 1989, c. 409, §§11, 12 (NEW).]

B. That the member is unable to perform the essential functions of the member's employment position with reasonable accommodation; [PL 2021, c. 277, §34 (AMD).]

C. After the incapacity has continued for 2 years, the incapacity must render the member unable to engage in any substantially gainful activity for which the member is qualified by training, education or experience; and [PL 1989, c. 409, §§11, 12 (NEW).]

D. The incapacity may be revealed by examinations or tests conducted in accordance with section 18526. [PL 1989, c. 409, §§11, 12 (NEW).]
[PL 2021, c. 277, §34 (AMD).]

2. Employment position. "Employment position" means:

A. The position in which the member is employed at the time the member becomes incapacitated; or [PL 1989, c. 409, §§11, 12 (NEW).]

B. A position of comparable stature and equal or greater compensation and benefits which is made available to the member by the member's employer. [PL 1989, c. 409, §§11, 12 (NEW).]

SECTION HISTORY

PL 1989, c. 409, §§11,12 (NEW). PL 1995, c. 643, §20 (RP).

§18524. Qualification for benefit

1. Qualification. Except as provided in subsection 2, a member qualifies for a disability retirement benefit if disabled while in service and, for a member who by election remains covered under this section as written prior to its amendment by Public Law 1991, chapter 887, section 15, before normal retirement age.

A. [PL 1991, c. 887, §15 (RP).]

B. [PL 1991, c. 887, §15 (RP).]
[PL 1997, c. 384, §13 (AMD).]

2. Exception. A member with fewer than 5 years of continuous creditable service preceding that member's last date of service is not eligible for a disability retirement benefit if the disability is the result of a physical or mental condition that existed before the member's membership in a retirement program of the Maine Public Employees Retirement System, unless the disability is a result of, or has been substantially aggravated by, an injury or accident received in the line of duty but from events or circumstances not usually encountered within the scope of the member's employment.
[PL 2009, c. 322, §11 (AMD).]

3. Qualification of a disabled veteran. Subject to the provisions in subsections 1 and 2, if a member applying for a disability retirement benefit is receiving disability compensation from the United States Department of Veterans Affairs for a service-connected disability based on a determination of individual unemployability pursuant to 38 Code of Federal Regulations, Section 4.16,

it is presumed that the member is disabled under section 18521, subsection 1. This presumption may be rebutted only by evidence not considered by the United States Department of Veterans Affairs in making the individual unemployability determination. Notwithstanding section 18522, this subsection applies to any application for a disability retirement benefit made by a member on or after October 1, 2018.

2. Workers' compensation. If the incapacity upon which the application is based is a result of an injury or accident received in the line of duty, the application must include proof that the member has made application for benefits under the workers' compensation laws.

[PL 1995, c. 643, §21 (AMD).]

3. Social security. If the employment for which creditable service with the employer is allowed was also covered under the United States Social Security Act, the application must include proof that the member has made application for benefits under this Act.

[PL 1995, c. 643, §21 (AMD).]

4. Approval. The written application must be approved by the chief executive officer upon finding that the member has met the requirements of section 18524.

[PL 1995, c. 643, §21 (AMD); PL 2021, c. 548, §45 (REV).]

5. Reapplication. A member who has had a disability retirement benefit application denied may file a new application based on the same medical conditions only if that member has had a bona fide return to service with an employer whose employees are covered by this article or chapter 423, subchapter 5, article 3-A. If the chief executive officer finds that the member has met the requirements of section 18524, the new application must be approved notwithstanding the earlier denial.

Any examinations or tests conducted under section 17106-B or required by the chief executive officer under section 18521, subsection 1, paragraph D; section 18524; section 18529, subsection 2, paragraph B; or section 18533, subsection 3, paragraph A are governed as follows. [PL 2021, c. 277, §36 (AMD); PL 2021, c. 548, §45 (REV).]

1. Agreed upon health care provider. The examinations or tests must be conducted by a health care provider mutually agreed upon by the chief executive officer and the member claiming to be disabled.

[PL 2021, c. 277, §36 (AMD); PL 2021, c. 548, §45 (REV).]

2. Agreed upon place. The examinations or tests must be conducted at the health care provider's office or facility or at a place mutually agreed upon by the chief executive officer and the member claiming to be disabled.

[PL 2021, c. 277, §36 (AMD); PL 2021, c. 548, §45 (REV).]

3. Costs. The costs incurred under subsections 1 and 2 must be paid by the retirement system.

§18527. Rehabilitation

Upon agreement of the chief executive officer and the person, rehabilitation services may be provided to any person who is the recipient of a disability retirement benefit under this article as a means to the person being able to return to substantially gainful activity. As a condition of entering into an agreement to provide rehabilitation services, the chief executive officer must determine that rehabilitation is feasible, that rehabilitation is consistent with the purposes of this article, that the recipient is suitable for rehabilitation services and that rehabilitation services are likely to lead to substantially gainful activity. Services must be provided by private and public rehabilitation counselors, government agencies and others approved by the chief executive officer as qualified to provide rehabilitation services. The chief executive officer shall consider a rehabilitation counselor's rate of successfully placing rehabilitated employees in jobs relative to the placement rates of other counselors in the State as fundamental in deciding whether to approve the counselor as qualified. This section does not affect the ongoing requirement that a person remain disabled in order to continue to receive disability benefits. [PL 2021, c. 277, §37 (AMD); PL 2021, c. 548, §45 (REV).]

For the purposes of this section, "person" means any person who is the recipient of a disability retirement benefit. [PL 2003, c. 387, §11 (NEW).]

1. Rehabilitation plan. If the chief executive officer makes the determinations necessary to provide rehabilitation services under this section and rehabilitation is agreed to by the parties, the retirement system shall designate a rehabilitation provider to evaluate the person and develop a rehabilitation plan.

[PL 2003, c. 387, §11 (AMD); PL 2021, c. 548, §45 (REV).]

2. Costs. The chief executive officer may contract with rehabilitation providers to develop and carry out approved rehabilitation plans.

A. Except as provided in paragraph B, the chief executive officer shall pay these providers from funds accumulated in the Retirement Allowance Fund, established under section 17251. [PL 2003, c. 387, §11 (AMD); PL 2021, c. 548, §45 (REV).]

B. If the person is entitled to other benefits to meet the cost of rehabilitation services, that person must first apply for and use those benefits to the extent available to pay for the goods and services provided. [PL 1989, c. 409, §§11, 12 (NEW).]

[PL 2003, c. 387, §11 (AMD); PL 2021, c. 548, §45 (REV).]

3. Approval of rehabilitation plan. The chief executive officer and the person shall approve any rehabilitation plan developed under subsection 1 and shall indicate in writing their approval of and agreement to the rehabilitation plan. The person shall approve the plan within 30 days or, within that time period, submit to the chief executive officer the name of an alternate provider for the chief executive officer's consideration. If the rehabilitation plan includes return to employment with the

employer for whom the person worked before becoming disabled, the employer shall also indicate in writing approval of the plan.

[PL 2003, c. 387, §11 (AMD); PL 2021, c. 548, §45 (REV).]

4. Decline of rehabilitation.

[PL 2003, c. 387, §11 (RP).]

5. Monitoring of rehabilitation plan. Each rehabilitation plan approved by the chief executive officer shall contain a provision for periodic review of progress being made by the person toward achieving the goal of the plan and substantially gainful activity. The provision relating to review must include authority for the chief executive officer to terminate the plan or to amend the plan with the same provider or with a change of provider, based upon results of the review or at the request of the person or the provider. Subsections 1, 2 and 3 apply to any amended plans under this subsection. A person is entitled to a single rehabilitation plan during the course of the person's incapacity, except when the person demonstrates that a termination of the plan was reasonable and for good cause. Any entitlement to amend a rehabilitation plan or establish a new plan ends with a determination by the chief executive officer that the person is no longer disabled.

[PL 2003, c. 387, §11 (AMD); PL 2021, c. 548, §45 (REV).]

6. Return to service. If the rehabilitation plan includes return to employment with the person's former employer, that person must be reemployed in accordance with the plan. The chief executive officer shall notify the former employer, in writing, that the person has completed the rehabilitation plan and is ready to return to employment. The former employer shall reemploy the person in the first available position for which that person is qualified, taking into consideration that person's prior compensation and benefits, training, education and experience, including training and education received under that person's rehabilitation plan.

[PL 2003, c. 387, §11 (AMD); PL 2021, c. 548, §45 (REV).]

7. Other employment under system. A person is not required to accept employment that reasonably necessitates relocation or for which the person is not qualified, taking into consideration that person's prior compensation and benefits, training, education and experience, including training and education received under that person's rehabilitation plan. The disability retirement benefit may not be discontinued except as provided by section 18529 or until the person is reemployed consistent with this section.

[PL 2003, c. 387, §11 (AMD).]

§18528. Computation of benefit

When a member qualified under section 18524 retires, after approval for disability retirement by the chief executive officer in accordance with section 18525, the member is entitled to receive a disability retirement benefit equal to 59% of that member's average final compensation. The 59% level must be reviewed for cost-neutral comparability as a part of the actuarial investigation provided under section 17107, subsection 2, paragraph E, beginning with the investigation made January 1, 1997 and every 6 years thereafter. The review that takes place every 6 years must compare actual experience under the disability plans with actuarial assumptions regarding election and costs of benefits under the new options elected and identify possible options for compliance with the federal Older Workers Benefit Protection Act that protect benefits for employees without additional cost to the State and participating local districts. [PL 1995, c. 643, §26 (AMD); PL 2021, c. 548, §45 (REV).]

A member who by election remains covered, as to qualification for benefits, under section 18524 as written prior to its amendment by Public Law 1991, chapter 887, section 15, qualifies for a disability

retirement benefit on meeting the requirements of section 18524, subsection 1, paragraphs C and D. When a member so qualified retires after approval for disability retirement by the chief executive officer in accordance with this Article, the member is entitled to receive a disability retirement benefit equal to 66 2/3% of the member's average final compensation. [PL 1997, c. 384, §14 (NEW); PL 2021, c. 548, §45 (REV).]

§18529. Payment of benefit

1. Beginning. Payment of disability retirement benefits shall begin on the first day of the month following the date of termination of active service of the member, but not more than 6 months before the date of receipt by the chief executive officer of the written application, by or on behalf of the member, for disability retirement, unless it is shown that:

A. It was not reasonably possible to file the application for disability retirement benefits within the 6-month period; and [PL 1989, c. 409, §§11, 12 (NEW).]

B. The application was made as soon as reasonably possible. [PL 1989, c. 409, §§11, 12 (NEW).]

[PL 1989, c. 409, §§11, 12 (NEW); PL 2021, c. 548, §45 (REV).]

2. Cessation. Payment of disability retirement benefits shall continue as long as a person is disabled, except that:

A. The disability retirement benefit ceases and a service retirement benefit begins when the service retirement benefit of a person equals or exceeds the amount of the disability retirement benefit.

(1) When calculating the person's service retirement benefit, the average final compensation is the average final compensation at the time that person terminated active service before receiving disability retirement benefits adjusted by the same percentage adjustments, if any, that were applied to the disability retirement benefits under section 18407.

(2) The person is entitled to receive service credit for the purpose of determining benefits under this Part for the period following termination of service for which that person receives disability retirement benefits under this article; and [PL 1991, c. 887, §17 (AMD).]

A-1. For a person who by election or by having retired on disability retirement prior to October 16, 1992, remains covered under this section as written prior to its amendment by Public Law 1991, chapter 887, section 17, the disability retirement benefit ceases:

(1) On the 10th anniversary of that person's normal retirement age, as defined in section 17001, subsection 23; or

(2) When the service retirement benefit of that person equals or exceeds the amount of the disability retirement benefit, if that occurs before the beneficiary's normal retirement age. [PL 1997, c. 384, §15 (NEW).]

B. The chief executive officer may require, once each year, that the person undergo examinations or tests, conducted in accordance with section 18526, to determine the person's disability.

(1) After the disability has continued for 2 years, the disability must render the person unable to engage in any substantially gainful activity that is consistent with the person's training, education or experience and average final compensation adjusted by the same percentage adjustment as has been received under section 18407. The disability retirement benefit continues if the person can effectively demonstrate to the chief executive officer that the person is actively seeking work. For purposes of this subparagraph, the ability to engage in

substantially gainful activity is demonstrated by the ability to perform work resulting in annual earnings that exceed \$20,000 or 80% of the recipient's average final compensation at retirement, whichever is greater, adjusted by the same percentage adjustments granted under section 18407.

(2) If the person refuses to submit to the examinations or tests under this paragraph, the disability retirement benefit is discontinued until that person withdraws the refusal.

(3) If the person's refusal under subparagraph (2) continues for one year, all rights to any further benefits under this article cease.

(4) If it is determined, on the basis of the examinations or tests under this paragraph, that the disability of a person no longer exists, the payment of the disability retirement benefit ceases.

(5) The chief executive officer shall notify the person in writing of the decision to discontinue the disability retirement allowance under subparagraph (2) or (4).

(a) The decision is subject to appeal under section 17451.

(b) If the person appeals the chief executive officer's decision, the disability retirement allowance may not be discontinued until all appeals have been exhausted. [PL 2021, c. 277, §38 (AMD); PL 2021, c. 548, §45 (REV).]

§18530. Reduction in amount of benefit

1. Definition. As used in this section, unless the context otherwise indicates, "adjusted final compensation" means the rate of pay of the person immediately before termination and becoming the recipient of a disability retirement benefit adjusted by the same percentage adjustment as has been received under section 18407.

[PL 1989, c. 409, §§11, 12 (NEW).]

2. Compensation from employment not covered by this article. If any person who is the recipient of a disability retirement benefit receives compensation in any year from engaging in any gainful activity or from employment with an employer whose employees are not covered by this article or chapter 423, subchapter 5, article 3-A, which exceeds \$20,000, increased by the same percentage adjustments as are granted under section 18407, or the difference between the person's disability retirement benefit for that year and the person's average final compensation at the time that the person became a recipient of a disability retirement benefit, increased by the same percentage adjustments as have been granted by section 18407, whichever is greater:

A. The excess must be deducted from the disability or service retirement benefits during the next calendar year; the deductions to be prorated on a monthly basis in an equitable manner prescribed by the board over the year or part of the year for which the benefits are received; [PL 2001, c. 443, §4 (AMD); PL 2001, c. 443, §7 (AFF).]

B. The person shall reimburse the retirement system for any excess payments not deducted under paragraph A. If the retirement benefit payments are eliminated by this subsection, the disability is deemed to no longer exist, the payment of the disability retirement benefit must be discontinued and, except as provided in paragraph C, all of the person's rights to benefits under this article cease; [PL 2001, c. 443, §4 (AMD); PL 2001, c. 443, §7 (AFF).]

C. If, during the first 5 years of reemployment, the person again becomes disabled, terminates employment and is not covered by any other disability program, the retirement system shall resume paying the disability retirement benefit payable prior to the reemployment with all applicable cost-of-living adjustments and shall provide rehabilitation services in accordance with section 18527. If the benefit payable under the other disability program is not equal to or greater than the benefit under this article, the retirement system shall pay the difference between the amount of the benefit payable under the other disability program and the amount of the benefit payable under this article. The chief executive officer shall require examinations or tests to determine whether the person is disabled as described in section 18521; and [PL 2021, c. 277, §39 (AMD); PL 2021, c. 548, §45 (REV).]

D. At any time before the elimination of disability retirement benefit payments by this subsection, the person may request that benefit payments be terminated and the chief executive officer shall terminate benefit payments at the end of the month in which the request is received. [PL 1989, c. 409, §§11, 12 (NEW); PL 2021, c. 548, §45 (REV).]
[PL 2021, c. 277, §39 (AMD); PL 2021, c. 548, §45 (REV).]

3. Compensation from employment covered by this article. If any person who is the recipient of a disability retirement benefit is reemployed by that person's prior employer or any other employer whose employees are covered by this article or chapter 423, subchapter V, article 3-A, and if the total of the person's disability benefit for any year and the person's total earnable compensation for that year exceeds the adjusted final compensation:

A. The disability or service retirement benefits will be reduced during the next calendar year by the amount that the total compensation exceeds the adjusted final compensation; [PL 1989, c. 409, §§11, 12 (NEW).]

B. The deductions shall be prorated on a monthly basis in an equitable manner prescribed by the board over the year or part of the year during which the benefits are received; [PL 1989, c. 409, §§11, 12 (NEW).]

C. The person shall reimburse the retirement system for any excess payments not deducted under paragraph A; [PL 1989, c. 409, §§11, 12 (NEW).]

D. If the retirement benefit payments are eliminated by this subsection:

(1) The person again becomes a member of the Participating Local District Retirement Program and begins contributing at the current rate; and

(2) When the person again retires, the person must receive benefits computed on the basis of that person's entire creditable service and in accordance with the law in effect at that time; [PL 2007, c. 491, §247 (AMD).]

E. If, during the first 5 years of reemployment, the person again becomes disabled and terminates employment, the retirement system shall resume paying the disability retirement benefit payable prior to the reemployment with all applicable cost-of-living adjustments, or if greater, a disability retirement benefit based upon the person's current average final compensation and shall provide rehabilitation services in accordance with section 18527. The chief executive officer shall require examinations or tests to determine whether the person is disabled as defined in section 18521; and [PL 2021, c. 277, §40 (AMD); PL 2021, c. 548, §45 (REV).]

F. At any time before the elimination of disability retirement benefit payments by this subsection, the person may request that benefit payments be terminated and the chief executive officer shall terminate benefit payments at the end of the month in which the request is received. [PL 1989, c. 409, §§11, 12 (NEW); PL 2021, c. 548, §45 (REV).]
[PL 2021, c. 277, §40 (AMD); PL 2021, c. 548, §45 (REV).]

4. Disability payments under other laws. The reduction of disability retirement benefits because of disability benefits received under other laws is governed as follows.

A. The amount of any disability retirement benefit payable under this article must be reduced by any amount received by the person for the same disability under either or both of the following:

- (1) The workers' compensation or similar laws, except amounts that may be paid or payable under former Title 39, section 56-B or Title 39-A, section 212, subsection 3; or
- (2) The United States Social Security Act, if the employment for which creditable service with the employer is allowed was also covered under that Act at the date of disability retirement. [PL 1991, c. 885, Pt. E, §15 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

B. The reduction in the disability retirement benefit is governed as follows:

- (1) The initial disability retirement benefit must be reduced if necessary so that the benefit plus any benefits under paragraph A do not exceed 80% of the person's average annual earnings. For the purposes of this subparagraph, "average annual earnings" means the total of the person's average final compensation plus other wages and earnings from employment for the calendar year in which the person has the highest total of other wages and earnings from employment during the 5 years immediately preceding the year in which the person became disabled;
- (2) The amount determined by the calculation under subparagraph (1) shall not be adjusted when cost-of-living adjustments are applied to the benefits listed under paragraph A; and
- (3) Adjustments under section 18407 shall be applied to the reduced disability retirement benefit calculated under subparagraph (1) or paragraph C. [PL 2003, c. 328, §1 (AMD).]

C. The disability retirement benefit may not be reduced below the amount of the retirement benefit which is the actuarial equivalent of the member's accumulated contributions at the time of retirement. [PL 1989, c. 409, §§11, 12 (NEW).]

D. Lump-sum settlements of benefits that reduce the disability retirement benefit under this subsection must be prorated on a monthly basis in an equitable manner prescribed by the board.

- (1) These prorated lump-sum settlements may not include any part of the lump-sum settlement attributable to rehabilitation, attorneys', physicians', nurses', hospital, medical, surgical or related fees or charges or any amount paid or payable under former Title 39, section 56-B or Title 39-A, section 212, subsection 3.
- (2) These prorated lump-sum settlements must reduce the disability retirement benefit in the same manner and amount as monthly benefits under this subsection. [PL 1991, c. 885, Pt. E, §15 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

E. Any dispute about amounts paid or payable under workers' compensation or the amount of the lump-sum settlement and its attributions must be determined on petition by a single member of the Workers' Compensation Board in accordance with Title 39-A. These determinations may be appealed under Title 39-A, section 322. [PL 1991, c. 885, Pt. E, §15 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

§18531. Statement of compensation

1. Requirement. The chief executive officer shall require each person who is the recipient of a disability retirement benefit to submit, each calendar year, a statement of compensation received from any gainful occupation during that year.

[PL 1989, c. 409, §§11, 12 (NEW); PL 2021, c. 548, §45 (REV).]

2. Failure to submit statement. Failure to submit the statement under subsection 1 shall result in the following:

A. If the person fails to submit the statement required under subsection 1 within 30 days of receipt of the chief executive officer's request for the statement, the disability retirement benefit shall be withheld until the statement is submitted; or [PL 1989, c. 409, §§11, 12 (NEW); PL 2021, c. 548, §45 (REV).]

B. If the person fails to submit the statement required under subsection 1 within one year of receipt of the chief executive officer's request for the statement, all rights to further benefits shall cease.

(1) The chief executive officer shall notify the person in writing of the decision to discontinue the disability retirement benefit.

(2) The decision shall be subject to appeal under section 17451.

(3) If the person appeals the chief executive officer's decision, the disability retirement allowance shall not be discontinued until all appeals have been exhausted. [PL 1989, c. 409, §§11, 12 (NEW); PL 2021, c. 548, §45 (REV).]

§18532. Voluntary return to service

1. Right to reinstatement. If a person who is the recipient of a disability retirement benefit decides that the person is no longer incapacitated and is able to perform the duties of that person's employment position, the employer for whom the person last worked before becoming disabled shall reinstate the person to the first available position for which the person is qualified and which is consistent with the person's prior work experience. If a collective bargaining agreement applies to such a position, the employer may offer only a position which the person may claim by virtue of seniority accumulated at the time of the disability, unless otherwise specified in the collective bargaining agreement.

[PL 1989, c. 409, §§11, 12 (NEW).]

2. Dispute over mental or physical capacity. If there is a dispute between the person and the former employer over the person's mental or physical capacity to perform a specific job, at the option of the person that dispute must be resolved by a majority of 3 medical providers, one appointed and reimbursed by the person, one appointed and reimbursed by the employer and one appointed and reimbursed by the retirement system. If the 3 medical providers resolve the dispute in favor of the person, the former employer must reimburse the medical provider appointed by the person.

[PL 2017, c. 88, §34 (AMD).]

3. Termination or reduction in benefits. At any time before the elimination of disability retirement benefit payments under section 18530, subsection 3, the person may request that benefit payments be terminated and the chief executive officer shall terminate benefit payments at the end of the month in which the request is received.

[PL 1989, c. 409, §§11, 12 (NEW); PL 2021, c. 548, §45 (REV).]

4. Reinstatement of benefits. If, during the first 5 years of reinstatement, the person again becomes disabled and terminates employment, the retirement system shall resume paying the disability retirement benefit payable before the reinstatement with all applicable cost-of-living adjustments, or if greater, a disability retirement benefit based upon the person's current average final compensation. The

chief executive officer may require examinations or tests to determine whether the person is disabled under section 18521.

§18533. Service retirement

1. Average final compensation. The service retirement benefit of a person who returns to employment with that person's former employer or any other employer whose employees are covered by this article or chapter 423, subchapter V, article 3-A, after having been the recipient of a disability retirement benefit, shall be computed in its entirety using the average final compensation as defined by section 17001, subsection 4, on the date of that person's termination from service immediately before becoming the recipient of a service retirement benefit.

[PL 1989, c. 409, §§11, 12 (NEW).]

2. Cost of benefits. The cost of benefits based upon service credits earned before and during disability must be charged to the Retirement Allowance Fund. The cost of benefits based upon service credits earned after becoming reemployed must be charged to the account of the employer through whom the service credits were earned.

[PL 2007, c. 249, §32 (AMD).]

3. Special plans. The service credits earned after return to employment by a person who was employed under a special plan before becoming the recipient of a disability retirement benefit shall be credited toward completing the service requirements for retirement under that special plan. As used in this section, unless the context otherwise indicates, "special plan" means any of the retirement programs in section 17851, subsections 4 to 11 or section 18453, subsections 2 to 9.

A. The chief executive officer may require, once each year, that the member undergo examinations or tests, conducted in accordance with section 18526, to determine that the member is still disabled to the extent that it is impossible to perform the duties of that member's former employment position. [PL 1989, c. 409, §§11, 12 (NEW); PL 2021, c. 548, §45 (REV).]

B. If the member refuses to submit to the examinations or tests under paragraph A, the service credits earned after that date shall be based upon the plan applicable to the position in which the member is currently employed. [PL 1989, c. 409, §§11, 12 (NEW).]

C. If it is determined on the basis of the examinations or tests under paragraph A that the member is no longer disabled to the extent that it is impossible to perform the duties of the former employment position, the member shall:

(1) Return to employment in a position covered by the same special plan or a comparable special plan that covered the former employment position; or

(2) Remain in the current employment position and have the service credits earned thereafter based upon the plan applicable to the position in which the member is currently employed. [PL 1989, c. 409, §§11, 12 (NEW).]
