2. Guarantees. In any sale in which the buyer of such potatoes is a person required to be licensed by this article and has a place of business in this State except a retailer, any guarantees with regard to grade, size, weight or other specifications, made by the producer shall be deemed satisfied when the grade, size, weight or specifications, as certified by a licensed federal-state potato inspector, or seed potato inspector, after the potatoes have been or while they are being loaded for transit, equals or exceeds the grade, size, weight or other specifications of the potatoes stated in the record of transaction. Any producer making any such guarantees shall at all times prior to shipment have the option to determine whether or not the potatoes shall be inspected in accordance with this subsection. Any attempt by a dealer to coerce or influence a producer to forego an inspection shall be a civil violation subject to section 1028. Any agreement the effect of which is to deny the producer the right to satisfy the producer's guarantee obligations and any agreement conflicting with this subsection are void; provided that a producer waives any rights under this subsection or may sell potatoes under an agreement conflicting with this subsection when the record of transaction required by this article contains the following additional information:

A. Name and address of the person to whom the dealer resold the potatoes and any other person to whom the producer is obligated, directly or indirectly, by making any guarantees with regard to grade, size, weight or other specifications; [PL 1971, c. 600, §7 (NEW).]

3. Waiver. In any sale by a producer in which the making of a record of such transaction is required by this Article and the name and address of the buyer are not set forth on such record, or if no such record of transaction is made or if a copy of the record of transaction is not delivered by depositing the copy in the United States mail, postage prepaid, addressed to the producer, prior to delivery of the potatoes or rotation crops at the point of final destination, the producer is deemed not to have made any guarantees with regard to grade, size, weight or other specifications, and such omission by the buyer or broker or agent constitutes a waiver of any and all claims against the producer for breach of warranty, expressed or implied.

[PL 1997, c. 606, §14 (AMD).]

4. Copies of documentation. Before any change may be made in the agreed upon price, there shall be mutual agreement between the parties.
