§811. Applicable law; powers

1. Organized under this Title. Every credit union lawfully organized shall be subject to the provisions of this Part and all regulations issued hereunder.

[PL 1975, c. 500, §1 (NEW).]

2. Chartered by special Act. Chapters 81 through 88 shall not be construed as repealing, modifying or amending the provisions of any private or special Acts authorizing the organization of or defining the purposes of corporations of a similar nature to credit unions, except that such corporations shall be deemed to have all the powers vested in corporations organized under this Part in addition to those powers under such private or special Acts.

[PL 1975, c. 500, §1 (NEW).]

SECTION HISTORY

PL 1975, c. 500, §1 (NEW).

§812. Permission to organize

1. Organizers. Any number of persons, but not less than 10, all of whom shall be residents of this State, may apply in writing to the superintendent for permission to organize a credit union for the purposes of encouraging thrift among its members, creating a source of credit at legitimate rates of interest and providing an opportunity for its members to use and control their own money on a democratic basis in order to improve their economic and social condition.

[PL 1983, c. 51, §1 (AMD).]

2. Application to organize. The organizers shall file with the superintendent an application to organize a credit union, together with copies that the superintendent requires and shall agree to be bound by the terms of that application. The application must state:

A. The name by which the credit union will be known, which must include the words "credit union"; [PL 1991, c. 386, §22 (AMD).]

B. The proposed location of its principal office; [PL 1975, c. 500, §1 (NEW).]

C. The names and addresses of subscribers to the application and the number of shares subscribed for by each; [PL 1991, c. 386, §22 (AMD).]

D. The proposed field of membership as defined in section 814; [PL 1997, c. 108, §2 (AMD).]

E. All other information that the superintendent determines necessary and appropriate; and [PL 1997, c. 108, §2 (AMD).]

F. The information required under section 817, if applicable. [PL 1997, c. 108, §3 (NEW).]

An application for permission to organize a credit union is not considered complete unless accompanied by an application fee payable to the Treasurer of State to be credited and used as provided in section 214. The superintendent shall establish the amount of the fee according to different application requirements, but in no instance may it exceed \$1,000.

[PL 1997, c. 108, §§2, 3 (AMD).]

3. Publication of notice. After determining that the application required in subsection 2 is complete, the superintendent may advise the organizers to publish, within 15 days of such advice, a notice, in such form as the superintendent may prescribe. If required, such notice shall appear at least

once a week for 3 successive weeks in one or more newspapers of general circulation in the county where the credit union is to be established, or in such other newspapers as the superintendent may designate. Such published notice shall set forth the information in the application for permission to organize, and such additional information as the superintendent may require. The superintendent may require individual notice to any person, organization or corporation, and may require that one of such publications contain the information required under section 252, subsection 2.

[PL 1975, c. 500, §1 (NEW).]

4. Permission from superintendent.

A. In accordance with section 252, the superintendent shall determine whether a certificate to commence business and permission to organize should be granted. [PL 1975, c. 500, §1 (NEW).]

B. In addition to the criteria set forth in sections 253 and 817, the superintendent shall consider the following criteria in determining whether permission to organize should be granted; namely that:

- (1) The character, responsibility and general fitness of the persons named in such certificate are such as to reasonably assure the proper conduct of the affairs and operation of a credit union;
- (2) The proposed field of membership provides a common bond of interest and a potential membership such as will reasonably assure success of the credit union; and
- (3) The proposed credit union will not jeopardize materially the financial stability of any existing credit union. [PL 1997, c. 108, §4 (AMD).]

[PL 1997, c. 108, §4 (AMD).]

B. At such time as the subscribed shares have been fully paid in, a complete list of the shareholders with the name, address, occupation and amount of shares held by each shall be filed with the superintendent, which list shall be verified by the board of directors of the credit union. B. Upon completion of his examination, and if all requirements of paragraph A are met, including approval of the bylaws, the superintendent shall issue a certificate authorizing the credit union to receive payments on account of shares, make loans, and otherwise commence business. Such certificate shall be conclusive of the facts stated therein; and it shall be unlawful for any credit union to begin transacting business until such a certificate has been granted. A copy of the certificate shall be filed with the Secretary of State by the superintendent. [PL 1975, c. 500, §1 (NEW).]

[PL 1975, c. 500, §1 (NEW).]

B. Notwithstanding the limitation in paragraph A, the superintendent may extend the period in which business shall be commenced for a period not to exceed 6 months, upon written application by the organizers setting forth the reasons for such extension. A. When determining whether a credit union's proposed field of membership meets the requirements of this section, the superintendent shall consider all relevant guidelines established by the National Credit Union Administration that address the issues of common bond, overlapping fields of membership, expansions or conversions of field of membership and the documentation required for amending a field of membership, except that the superintendent is not required to adhere to those guidelines. [PL 2003, c. 36, §1 (AMD).]

A-1. Notwithstanding any federal law or guideline established by the National Credit Union Administration, the superintendent is authorized to permit a credit union that converts its field of membership to become a community-chartered credit union to retain in its field of membership, after such conversion, one or more groups or portions of groups that were included in the credit union's field of membership prior to the conversion. The superintendent may adopt rules in accordance with section 251 to implement this section. The superintendent shall further determine that Maine credit unions are allowed to do business in the other state under conditions similar to these provisions.
