Chapter 184
S.P. 405 - L.D. 1217

An Act To Improve Health Standards in Piercing Procedures

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 32 MRSA §4321, sub-§2, as enacted by PL 1997, c. 206, §1, is amended to read:

2. Body piercing. "Body piercing" means the creation of an opening in the body of a human being for the purpose of inserting jewelry or other decoration. This includes, but is not limited to, piercing of an ear, lip, tongue, nose or eyebrow. "Body piercing" does not, for the purpose of this chapter, include piercing an earlobe with a disposable, single-use stud or solid needle that is applied using a mechanical device to force the needle or stud through the earlobe. Piercing in an area other than the earlobe, located at the lower end of the ear, is "body piercing" as defined in this subsection and subject to the licensing requirements of this chapter.

Effective September 20, 2007
