"Critical incident" includes, but is not limited to, use-of-force encounters that may result in the death of or serious injury to another person or an officer, fatal motor vehicle accidents, child abuse investigations and death investigations.

**2. Critical incident stress management team.** "Critical incident stress management team" means a team composed of members of a state, county or municipal law enforcement agency that is trained, in accordance with standards established by rule by the Commissioner of Public Safety, to assist and provide support to any person employed by the team's own agency or another law enforcement agency who has been involved in a critical incident that may affect, or has affected, the person's work performance or general well-being. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Statistical data not identifying a person seeking the assistance of a critical incident stress management team must be made available for statistical evaluation and may not be made available for any other purpose.
