An Act To Adjust the Milk Handling Fee

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, revenue from the milk handling fee to the General Fund varies widely when the price of milk experiences extreme fluctuations; and

Whereas, establishing a minimum and maximum handling fee may increase the accuracy of revenue projections; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:
