Be it enacted by the People of the State of Maine as follows:

Sec. 1. 20-A MRSA §1001, sub-§9-A, as enacted by PL 1995, c. 322, §5, is amended to read:

9-A. Students expelled or suspended under the requirements of the federal Gun-Free Schools Act. The school boards shall adopt a policy for expelling a student who is determined to have brought a firearm, as defined in 18 United States Code, Section 921, to school or to have possessed a firearm at school and for referring the matter to the appropriate local law enforcement agency.

A. A student who is determined to have brought a firearm to school or to have possessed a firearm at school under this subsection must be expelled from school for a period of not less than one year, except that the school board may authorize the superintendent to modify the requirement for expulsion of a student on a case-by-case basis. A decision to change the placement of a student with a disability must be made in accordance with the federal Individuals With Disabilities Education Act, 20 United States Code, Section 1400 et seq.

B. Nothing in this subsection prevents a school board from:

(1) Offering instructional activities related to firearms or from allowing a firearm to be brought to school for instructional activities sanctioned by the district school board and for which the school board has adopted appropriate safeguards to ensure student safety; or

(2) Providing educational services in an alternative setting to a student who has been expelled.

C. In accordance with the proper investigation and due process provisions required in subsection 9, a principal may suspend immediately for good cause a student who is determined to have brought a firearm to school or to have possessed a firearm at school under this subsection.

Sec. 2. 20-A MRSA §6552, sub-§1, as amended by PL 2007, c. 67, §1, is further amended to read:

1. Prohibition. A person may not possess a firearm on public school property or the property of an approved private school or discharge a firearm within 500 feet of public school property or the property of an approved private school. ~~For purposes of this subsection, public school property includes property of a community college that adopts a policy imposing such a prohibition.~~

Sec. 3. 20-A MRSA §6552, sub-§2, as enacted by PL 1981, c. 693, §§5 and 8, is repealed and the following enacted in its place:

2. Exceptions. The provisions under subsection 1 do not apply to the following.

A. The prohibition on the possession and discharge of a firearm does not apply to law enforcement officials.

B. The prohibition on the possession of a firearm does not apply to the following persons, if the possession is authorized by a written policy adopted by the school board:

(1) A person who possesses an unloaded firearm for use in a supervised educational program approved and authorized by the school board and for which the school board has adopted appropriate safeguards to ensure student safety; and

(2) A person who possesses an unloaded firearm that is stored inside a locked vehicle in a closed container, a zipped case or a locked firearms rack while the person is attending a hunter's breakfast or similar event that:

(a) Is held during an open firearm season established under Title 12, Part 13 for any species of wild bird or wild animal;

(b) Takes place outside of regular school hours; and

(c) Is authorized by the school board.

C. The prohibition on possession and discharge of a firearm does not apply to a person possessing a firearm at a school-operated gun range or a person discharging a firearm as part of a school-sanctioned program at a school-operated gun range if the gun range and the program are authorized by a written policy adopted by the school's governing body.
