[PL 2015, c. 415, §1 (NEW); PL 2015, c. 415, §2 (AFF).]

**6. Financial support.** The authority may provide the following financial support to an applicant determined to be qualified under subsection 5:

**7. Bonding authorization.** The authority may provide by resolution for the issuance of bonds in accordance with subsection 6, paragraph B for the purpose of funding business development projects. Bonds issued pursuant to this subsection do not constitute a general obligation of the authority, and the authority may not pledge an obligation under section 1053 or otherwise seek an appropriation for repayment. Bonds issued under this subsection do not constitute a debt of the State or any agency or political subdivision of the State and are payable solely from the revenues of the business development project for which the bonds are issued. Neither the faith nor credit nor taxing power of the State or any political subdivision of the State may be pledged to payment of the bonds issued under this subsection. Notwithstanding any other provision of law, any bonds issued pursuant to this subsection are fully negotiable. If any member of the authority whose signature appears on the bond or coupons ceases to be a member of the authority before the delivery of those bonds, that signature is valid and sufficient for all purposes as if that member of the authority had remained a member of the authority until delivery. [PL 2015, c. 415, §1 (NEW); PL 2015, c. 415, §2 (AFF).]
