

§2382-C. Filing of rates and other rating information; filing of forms

1. Prefiling required. Every insurer shall file with the superintendent all rates and supplementary rate information to be used in the State, except as filed by an advisory organization as provided in section 2384-A. Such rates and supplementary rate information must be filed at least 30 days prior to the stated effective date. An insurer may adopt by reference, with or without deviation, the rates and supplementary rate information filed by another insurer. If a filing is not accompanied by the information the superintendent has required under this section, the superintendent shall notify the insurer as soon as possible and the filing is deemed as not made until the information is provided. A filing required under this section must be made electronically in a format required by the superintendent unless exempted by rule adopted by the superintendent. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

4. Additional period. The period during which the filing may not become effective may be extended by the superintendent for an additional period not to exceed 60 days if the superintendent gives written notice to the insurer or advisory organization that made the filing that the superintendent needs additional time for consideration of the filing.

[PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]
