1. Record keeping; inspection of records. A licensee shall maintain a complete set of all records of the licensee's business transactions, which may be stored electronically. The cost of any audit must be paid by the office from the Adult Use Cannabis Regulatory Coordination Fund under section 1102. Nothing in this subsection may be construed to prevent the office from reviewing at any time business records submitted through the tracking system in accordance with section 105. Records must be maintained by a licensee at a minimum for a period comprising the current tax year and the 6 immediately preceding tax years in accordance with Title 36, section 135.
