

§18534. Compact privilege

1. Requirements. To exercise the compact privilege, a licensee must:

A. Have graduated from a physician assistant program accredited by the Accreditation Review Commission on Education for the Physician Assistant, or its successor organization, or other programs authorized by commission rule; [PL 2023, c. 670, §1 (NEW).]

B. Hold a current certification from the National Commission on Certification of Physician Assistants, or its successor organization; [PL 2023, c. 670, §1 (NEW).]

C. Have no felony or misdemeanor conviction; [PL 2023, c. 670, §1 (NEW).]

D. Have never had a controlled substance license, permit or registration suspended or revoked by a state or by the United States Department of Justice, Drug Enforcement Administration; [PL 2023, c. 670, §1 (NEW).]

E. Have a unique identifier as determined by commission rule; [PL 2023, c. 670, §1 (NEW).]

F. Hold a qualifying license; [PL 2023, c. 670, §1 (NEW).]

G. Have not had a revocation of a license or a limitation or restriction on any license currently held due to an adverse action. If a licensee has had a limitation or restriction on a license or compact privilege due to an adverse action, 2 years must have elapsed from the date on which the license or compact privilege is no longer limited or restricted due to the adverse action. If a compact privilege has been revoked or is limited or restricted in a participating state for conduct that would not be a basis for disciplinary action in a participating state in which the licensee is practicing or applying to practice under a compact privilege, that participating state has the discretion not to consider such action as an adverse action requiring the denial or removal of a compact privilege in that state; [PL 2023, c. 670, §1 (NEW).]

H. Notify the commission that the licensee is seeking the compact privilege in a remote state; [PL 2023, c. 670, §1 (NEW).]

I. Meet any jurisprudence requirement of a remote state in which the licensee is seeking to practice under the compact privilege and pay any fees applicable to satisfying the jurisprudence requirement; and [PL 2023, c. 670, §1 (NEW).]

J. Report to the commission any adverse action taken by a nonparticipating state within 30 days after the action is taken. [PL 2023, c. 670, §1 (NEW).]

[PL 2023, c. 670, §1 (NEW).]

2. Validity. The compact privilege is valid until the expiration or revocation of the qualifying license unless terminated pursuant to an adverse action. The licensee must comply with all of the requirements of subsection 1 to maintain the compact privilege in a remote state. If a participating state takes adverse action against a qualifying license, the licensee loses the compact privilege in any remote state in which the licensee has a compact privilege until all of the following occur:

A. The license is no longer limited or restricted; and [PL 2023, c. 670, §1 (NEW).]

B. Two years have elapsed from the date on which the license is no longer limited or restricted due to the adverse action. [PL 2023, c. 670, §1 (NEW).]

[PL 2023, c. 670, §1 (NEW).]

3. Compact privilege; restricted or limited license. Once a restricted or limited license satisfies the requirements of subsection 2, a licensee must meet the requirements of subsection 1 to obtain a compact privilege in any remote state.

[PL 2023, c. 670, §1 (NEW).]

4. Authority to prescribe controlled substances. For each remote state in which a physician assistant seeks authority to prescribe controlled substances, the physician assistant must satisfy all requirements imposed by that state in granting or renewing that authority.

[PL 2023, c. 670, §1 (NEW).]
