The request submitted by the property owner under this subsection must be submitted to the department within 9 months of the date that the department receives the least environmentally damaging practicable alternative determination from the United States Army Corps of Engineers under paragraph A. 2. Deadline for acquisition; extension. The following provisions govern the deadline for acquisition of property by the Department of Transportation pursuant to subsection 1.

B. Notwithstanding paragraph A, if funding for the new bypass highway project is not available or if state or federal regulations preclude the department from acquiring real property, the department may extend the time period for acquisition of affected properties up to 2 years. Any extension under this paragraph must be submitted no later than 90 days before the expiration of the 2 years under paragraph A to the joint standing committee of the Legislature having jurisdiction over transportation matters for its review and comment. [PL 2009, c. 454, §1 (NEW).]

[PL 2009, c. 454, §1 (NEW).]
