

**§6100-RR. Required disclosures**

Licensee disclosures are governed by this section. [PL 2023, c. 662, §2 (NEW).]

**1. Licensee disclosures.** A licensee that engages in virtual currency business activity shall provide to a person that uses the licensee's products or services the disclosures required by subsection 2 and any additional disclosure the administrator by rule determines reasonably necessary for the protection of persons. The administrator shall determine by rule the time and form required for disclosure. A disclosure required by this section must be made separately from any other information provided by the licensee and in a clear and conspicuous manner in a format the person may keep. A licensee may propose for the administrator's approval alternate disclosures as more appropriate for its virtual currency business activity with or on behalf of persons.  
[PL 2023, c. 662, §2 (NEW).]

**2. Relationship disclosures.** Before establishing a virtual currency business activity relationship with a person, a licensee shall disclose, to the extent applicable to the virtual currency business activity the licensee will undertake with the person:

F. Whether the person has a right to stop a preauthorized payment or revoke authorization for a transfer and the procedure to initiate a stop-payment order or revoke authorization for a subsequent transfer; [PL 2023, c. 662, §2 (NEW).]

G. The person's right to receive a receipt, trade ticket or other evidence of a transfer or exchange; [PL 2023, c. 662, §2 (NEW).]

**3. Transaction confirmation.** Except as otherwise provided in subsection 4, at the conclusion of a virtual currency transaction with or on behalf of a person, a licensee shall provide the person a confirmation in a record that contains:

A. The name and contact information of the licensee, including information the person may need to ask a question or file a complaint; [PL 2023, c. 662, §2 (NEW).]

B. The type, value, date, precise time and amount of the transaction; and [PL 2023, c. 662, §2 (NEW).]
