

## §1021. Definitions

The words "fish weir" mentioned in this chapter are defined to be a fixed structure erected and maintained during part of each fishing season in the tidewater, constructed of at least 25 spiling or stakes fastened together by binders, surrounded by brush, lath racks or netting, forming the catch pound into which fish are led or guided by one or more fixed leaders constructed of spiling or stakes not more than 20 feet apart and at least 100 feet long, fastened together by binders surrounded by lath racks, brush or netting and from which catch pound they cannot readily escape.

The State of Maine claims a copyright in its codified statutes. If you intend to republish this material, we require that you include the following disclaimer in your publication:

*All copyrights and other rights to statutory text are reserved by the State of Maine. The text included in this publication reflects changes made through the First Regular and First Special Session of the 131st Maine Legislature and is current through November 1, 2023. The text is subject to change without notice. It is a version that has not been officially certified by the Secretary of State. Refer to the Maine Revised Statutes Annotated and supplements for certified text.*

The Office of the Revisor of Statutes also requests that you send us one copy of any statutory publication you may produce. Our goal is not to restrict publishing activity, but to keep track of who is publishing what, to identify any needless duplication and to preserve the State's copyright rights.

PLEASE NOTE: The Revisor's Office cannot perform research for or provide legal advice or interpretation of Maine law to the public. If you need legal assistance, please contact a qualified attorney.
