

§1231. Blood sample for laboratory test

Every physician attending a woman in the State by reason of her being pregnant during gestation shall in the case of every woman so attended take or cause to be taken, with her consent, a sample of blood of such woman, and submit such sample for a standard serological test for syphilis and Rh factors to a laboratory of the department or to a laboratory approved for these tests by the department. Such laboratory tests as are required by sections 1231 to 1234 must be made on request without charge by the department. [RR 2009, c. 2, §18 (COR).]

SECTION HISTORY

RR 2009, c. 2, §48 (COR).

The State of Maine claims a copyright in its codified statutes. If you intend to republish this material, we require that you include the following disclaimer in your publication:

All copyrights and other rights to statutory text are reserved by the State of Maine. The text included in this publication reflects changes made through the Second Regular Session of the 130th Maine Legislature and is current through October 1, 2022. The text is subject to change without notice. It is a version that has not been officially certified by the Secretary of State. Refer to the Maine Revised Statutes Annotated and supplements for certified text.

The Office of the Revisor of Statutes also requests that you send us one copy of any statutory publication you may produce. Our goal is not to restrict publishing activity, but to keep track of who is publishing what, to identify any needless duplication and to preserve the State's copyright rights.

PLEASE NOTE: The Revisor's Office cannot perform research for or provide legal advice or interpretation of Maine law to the public. If you need legal assistance, please contact a qualified attorney.
