A pure captive insurance company may not make a loan to or investments in its parent or affiliated companies without the prior written approval of the superintendent. A loan of any minimum capital and surplus funds required by section 6704 is prohibited. B. Amending the articles of incorporation or other organizational document to comply with the laws of this State. The document must be restated in its entirety before its submission to the superintendent. Before the amended and restated articles of incorporation or other organizational document is transmitted to the Secretary of State, the foreign or alien captive insurance company shall petition the superintendent to issue a certificate setting forth the superintendent's finding that the redomestication and maintenance of the corporation satisfies paragraph A and will promote the general good of the State. The company's petition must be accompanied by a redomestication fee of \$500. In arriving at the finding, the superintendent shall consider:

- (1) The character, reputation, financial standing and purposes of the foreign or alien captive insurance company;

A captive insurance company redomesticating into this State need not merge, consolidate, transfer assets or otherwise engage in any other reorganization other than as specified in this section. [PL 1997, c. 435, §1 (NEW).]

3. Rights and privileges; liabilities. Upon redomestication in accordance with this section, the foreign or alien captive insurance company becomes a domestic captive insurance company organized under the laws of this State and has all the rights, privileges, immunities and powers and is subject to all applicable laws, duties and liabilities of a domestic captive insurance company of the same type. The domestic captive insurance company possesses all rights that it had prior to the redomestication to the extent permitted by the laws of this State and is responsible and liable for all the liabilities and obligations that it was subject to prior to the redomestication. 2. Notice of intent to transfer required. Such rules may include, but are not limited to, rules making specified provisions of this Title applicable to captive insurance companies that are risk retention groups, subject to any modifications that the superintendent determines to be appropriate to the nature of a risk retention group's business. §6721. Rules for controlled unaffiliated business

The superintendent may adopt rules establishing standards to ensure that a parent or affiliated company is able to exercise control of the risk management function of any controlled unaffiliated business to be insured by a pure captive insurance company. In the absence of any rules, the superintendent may approve the coverage of such risks by a pure captive insurance company upon request. Any rules adopted by the superintendent pursuant to this section are routine technical rules as described in Title 5, chapter 375, subchapter 2-A. [PL 2009, c. 335, §21 (NEW).]

SECTION HISTORY

PL 2009, c. 335, §21 (NEW).

§6722. Conversion to or merger with reciprocal insurer

1. Authority for conversion or merger. A captive insurance company, association captive insurance company or industrial insured captive insurance company formed as a stock or mutual insurer may convert to or merge with a reciprocal insurer with the approval of the superintendent in accordance with a plan of operation and with the requirements of this section. Any plan for conversion or merger must provide a fair and equitable mechanism for purchasing, retiring or otherwise extinguishing the interests of stockholders and policyholders of a stock insurer and the interests of members and policyholders of a mutual insurer, including a fair and equitable provision for the rights and remedies of dissenting stockholders, members or policyholders.

[PL 2009, c. 335, §22 (NEW).]

2. Conversion. The superintendent may not approve a plan of conversion unless the plan:

A. Provides notice of the opportunity to request a hearing to directors, officers, stockholders, members and policyholders of the captive insurance company. If no request for a hearing is received, the superintendent is not required to hold a hearing in the superintendent's discretion; [PL 2009, c. 335, §22 (NEW).]

B. Provides a fair and equitable plan for the conversion of stockholder, member or policyholder interests into subscriber interests in the resulting reciprocal insurer in a substantially proportionate manner to the corresponding interest in the stock or mutual insurer except that the resulting reciprocal insurer is not precluded from applying underwriting criteria that may affect ongoing ownership interests; [PL 2009, c. 335, §22 (NEW).]

C. In the case of a stock insurer, has been approved by a majority of voting shares represented in person or by proxy at a duly called regular or special meeting at which a quorum is present; and [PL 2009, c. 335, §22 (NEW).]

D. In the case of a mutual insurer, has been approved by a majority of the voting interests of policyholders represented in person or by proxy at a duly called regular or special meeting at which a quorum is present. [PL 2009, c. 335, §22 (NEW).]

The superintendent shall approve a plan of conversion if the superintendent finds that the conversion will promote the general good of the State in conformity with this chapter. If the superintendent approves the plan, the superintendent shall amend the converting insurer's certificate of authority to reflect conversion to a reciprocal insurer and issue the amended certificate of authority to the converting insurer's designated attorney. The conversion is effective upon the issuance of the amended certificate of authority by the superintendent. Upon the conversion, the corporate existence of the converting insurer ceases and the resulting reciprocal insurer shall notify the Secretary of State of the conversion. [PL 2009, c. 335, §22 (NEW).]

3. Merger. A plan of merger may not be approved by the superintendent unless the plan of merger satisfies the same requirements in subsection 2, paragraphs A to D. The superintendent may permit the formation, without surplus, of a captive insurance company organized as a reciprocal insurer into which an existing captive insurance company may be merged for the purpose of facilitation of a transaction under this section except that no more than one authorized insurance company may survive the merger. An alien insurer may be a party to a merger authorized under this section if the requirements of this Title for a merger between a domestic and foreign insurer are met. For the purposes of this section, the alien insurer is treated as a foreign insurer and the jurisdiction of the alien insurer is considered a state. [PL 2009, c. 335, §22 (NEW).]

4. Effect. A conversion or merger pursuant to this section has all of the effects of a conversion or merger approved pursuant to this Title to the extent that such effects are not inconsistent with the provisions of this chapter.

§6724. Sponsored captive insurance companies

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Participant" means an entity as described in subsection 6, and any affiliates thereof, that are insured by a sponsored captive insurance company. [PL 2009, c. 335, §23 (NEW).]

B. "Participant contract" means a contract by which a sponsored captive insurance company insures the risks of a participant. [PL 2009, c. 335, §23 (NEW).]

C. "Protected cell" means a separate account established by a sponsored captive insurance company formed or licensed under the provisions of this chapter in which assets are maintained for one or more participants in accordance with the terms of one or more participant contracts to fund the liability of the sponsored captive insurance company assumed on behalf of the participants as set forth in the participant contracts. [PL 2009, c. 335, §23 (NEW).]

D. "Sponsor" means an entity that meets the requirements of subsection 5 and is approved by the superintendent to provide all or part of the capital and surplus required by applicable law and to organize and operate a sponsored captive insurance company. [PL 2009, c. 335, §23 (NEW).]

E. "Sponsored captive insurance company" means a captive insurance company:

- (1) In which the minimum capital and surplus required by applicable law is provided by one or more sponsors;
- (2) That is formed or licensed under the provisions of this chapter;
- (3) That insures the risks only of its participants through separate participant contracts; and
- (4) That funds its liability to each participant through one or more protected cells and segregates the assets of each protected cell from the assets of other protected cells and from the assets of the sponsored captive insurance company's general account. [PL 2009, c. 335, §23 (NEW).]

[PL 2009, c. 335, §23 (NEW).]

2. Formation. One or more sponsors may form a sponsored captive insurance company under this chapter. In addition to the general provisions of this chapter, the provisions of this section apply to sponsored captive insurance companies. A sponsored captive insurance company must be incorporated as a stock insurer with its capital divided into shares and held by the stockholder, as a nonprofit corporation with one or more members or as a limited liability company with a limited liability company agreement approved by the superintendent.

[PL 2017, c. 169, Pt. G, §10 (AMD).]

3. Supplemental application materials. In addition to the information required by section 6702, each applicant sponsored captive insurance company shall file with the superintendent the following:

A. Materials demonstrating how the applicant will account for the loss and expense experience of each protected cell at a level of detail found to be sufficient by the superintendent and how it will report the experience to the superintendent; [PL 2009, c. 335, §23 (NEW).]

B. A statement acknowledging that all financial records of the sponsored captive insurance company, including records pertaining to any protected cells, will be made available for inspection or examination by the superintendent or the superintendent's designated agent; [PL 2009, c. 335, §23 (NEW).]

C. All contracts or sample contracts between the sponsored captive insurance company and any participants; and [PL 2009, c. 335, §23 (NEW).]

D. Evidence that expenses will be allocated to each protected cell in a fair and equitable manner. [PL 2009, c. 335, §23 (NEW).]

[PL 2009, c. 335, §23 (NEW).]

4. Protected cells. A sponsored captive insurance company formed or licensed under the provisions of this chapter may establish and maintain one or more protected cells to insure risks of one or more participants, subject to the following conditions:

A. The shareholders of a sponsored captive insurance company must be limited to its participants and sponsors, except that a sponsored captive insurance company may issue nonvoting securities to other persons on terms approved by the superintendent; [PL 2009, c. 335, §23 (NEW).]

B. Each participant contract must specify one or more protected cells as the sole source of the participant's coverage and limit the covered losses of the participant to an amount not to exceed the amount recoverable from the assets of the protected cell or cells identified in the contract and shall provide for pro rata distribution if the assets of a cell are insufficient to pay all liabilities to participants. If the sponsored captive insurance company enters into a contract involving more than one protected cell, the rights and obligations relating to each protected cell must be several rather than joint and the contract must make clear provisions for apportionment of the rights and obligations between protected cells; [PL 2017, c. 169, Pt. G, §11 (AMD).]

B-1. A sponsored captive insurance company may only reinsure risks of its participants, and its liability to a ceding insurer must be limited to amounts recoverable from the assets of the protected cell or cells participating in the risks giving rise to the underlying losses in accordance with paragraph B. Any management fees or other unallocated expenses payable to a ceding insurer or its affiliate or contractor must be charged pro rata to the protected cell or cells assuming the reinsurance and may not be a liability of the general account; [PL 2017, c. 169, Pt. G, §12 (NEW).]

C. Each protected cell must be accounted for separately on the books and records of the sponsored captive insurance company to reflect the financial condition and results of operations of each protected cell, net income or loss, dividends or other distributions to participants and such other factors as may be provided in the participant contract or required by the superintendent. All attributions of assets and liabilities between a protected cell and the general account must be in accordance with the plan of operation approved by the superintendent; [PL 2017, c. 169, Pt. G, §13 (AMD).]

D. The assets of a protected cell may not be chargeable with liabilities arising out of any other insurance business the sponsored captive insurance company may conduct; [PL 2009, c. 335, §23 (NEW).]

E. A sale, exchange or other transfer of assets may not be made by a sponsored captive insurance company between or among any of its protected cells without the consent of the protected cells; [PL 2009, c. 335, §23 (NEW).]

F. A sale, exchange, transfer of assets, dividend or distribution may not be made from a protected cell to a sponsor or participant without the superintendent's approval and in no event may approval be given if the sale, exchange, transfer, dividend or distribution would result in insolvency or impairment with respect to a protected cell; [PL 2009, c. 335, §23 (NEW).]

G. Each sponsored captive insurance company must annually file with the superintendent such financial reports as the superintendent requires, which must include, without limitation, accounting statements detailing the financial experience of each protected cell; [PL 2009, c. 335, §23 (NEW).]

H. Each sponsored captive insurance company must notify the superintendent in writing within 10 business days of any protected cell that is insolvent or otherwise unable to meet its claim or expense obligations; [PL 2009, c. 335, §23 (NEW).]

I. A participant contract may not take effect without the superintendent's prior written approval, and the addition of each new protected cell and withdrawal of any participant or termination of any existing protected cell constitutes a change in the business plan requiring the superintendent's prior written approval; [PL 2009, c. 335, §23 (NEW).]

J. The business written by a sponsored captive insurance company, with respect to each protected cell, must be:

(1) Fronted by a properly licensed insurance company;

(2) Reinsured by a reinsurer authorized or approved by the superintendent; or

(3) Secured by a trust fund in the United States for the benefit of policyholders and claimants or funded by an irrevocable letter of credit or other arrangement that is acceptable to the superintendent. The amount of security provided must be no less than the reserves associated with those liabilities that are neither fronted nor reinsured, including reserves for losses, allocated loss adjustment expenses, incurred but not reported losses and unearned premiums for business written through the participant's protected cell. The superintendent may require the sponsored captive insurance company to increase the funding of any security arrangement established under this subparagraph. If the form of security is a letter of credit, the letter of credit must be established, issued or confirmed by a bank chartered in this State or a member of the Federal Reserve System and established in a form and upon such terms approved by the superintendent; [PL 2009, c. 335, §23 (NEW).]

K. In any action or proceeding involving the potential for monetary recovery by or against a sponsored captive insurance company or for nonmonetary relief relating to a particular protected cell or cells, any process, pleading or order must name the specific protected cell or cells affected, including if applicable the general account; and [PL 2009, c. 335, §23 (NEW).]

L. A sponsored captive insurance company shall notify the superintendent in writing within 10 business days after the company or any protected cell becomes impaired or insolvent. [PL 2017, c. 169, Pt. G, §14 (AMD).]

[PL 2017, c. 169, Pt. G, §§11-14 (AMD).]

5. Qualification of sponsors. A sponsor of a sponsored captive insurance company must be an insurer licensed under the laws of any state, a reinsurer authorized or approved under the laws of any state, a captive insurance company formed or licensed under this chapter, a broker-dealer licensed pursuant to the Maine Uniform Securities Act, a financial institution or financial institution holding company authorized under Title 9-B, including any affiliate or subsidiary of such financial institution holding company, or any other person approved by the superintendent in the exercise of the superintendent's discretion after finding that the approval of a person as a sponsor is not inconsistent with the purposes of this chapter. A risk retention group authorized pursuant to chapter 72-A may not be either a sponsor or a participant of a sponsored captive insurance company.

[PL 2009, c. 335, §23 (NEW).]

6. Participants in sponsored captive insurance companies. The following may be participants in a sponsored captive insurance company:

A. Associations, corporations, limited liability companies, partnerships, trusts and other business entities may be participants in any sponsored captive insurance company formed or licensed under this chapter; [PL 2009, c. 335, §23 (NEW).]

B. A sponsor may be a participant in a sponsored captive insurance company; [PL 2009, c. 335, §23 (NEW).]

C. A participant need not be a shareholder of the sponsored captive insurance company or any affiliate thereof; and [PL 2009, c. 335, §23 (NEW).]

D. A participant may insure only its own risks through a sponsored captive insurance company. [PL 2009, c. 335, §23 (NEW).]

[PL 2009, c. 335, §23 (NEW).]

7. Investments by sponsored captive insurance companies. Notwithstanding the provisions of subsection 5, the assets of 2 or more protected cells may be combined for purposes of investment, and such a combination may not be construed as defeating the segregation of assets for accounting or other purposes. Sponsored captive insurance companies shall comply with the investment requirements contained in this Title, as applicable, except that compliance with such investment requirements must be waived for sponsored captive insurance companies to the extent that credit for reinsurance ceded to reinsurers is allowed pursuant to section 6711 or to the extent otherwise considered reasonable and appropriate by the superintendent. Section 6707 applies to sponsored captive insurance companies except to the extent it is inconsistent with approved accounting standards in use by the company. Notwithstanding any other provision of this Title, the superintendent may approve the use of alternative reliable methods of valuation and rating.

[PL 2009, c. 335, §23 (NEW).]

8. Delinquency of sponsored captive insurance companies or protected cells. In the case of a sponsored captive insurance company, the provisions of section 6714 apply, except as otherwise provided in this subsection.

A. The insolvency of one protected cell does not constitute the insolvency of any other protected cell or of the sponsored captive insurance company itself. The insolvency of a sponsored captive insurance company does not constitute the insolvency of any of its solvent protected cells and is not a basis for the receivership of any solvent protected cell capable of independent operation. [PL 2009, c. 335, §23 (NEW).]

B. Notwithstanding the insolvency of the sponsored captive insurance company or of any other protected cell, the obligations attributed to any solvent protected cell must continue to be paid as they become due. [PL 2009, c. 335, §23 (NEW).]

C. The assets attributed to a protected cell may not be applied to the liabilities attributed to another protected cell or to the sponsored captive insurance company generally, except that:

(1) If the insolvency of the sponsored captive insurance company renders a protected cell incapable of being managed independently, a receiver may, after consultation with the creditors of a protected cell, contract for the management of the protected cell and charge to the protected cell a reasonable amount for those services;

(2) A general liability of an insolvent sponsored captive insurance company may be apportioned equitably in whole or in part to one or more of its protected cells if the Superior Court determines that the liability arises out of the operations of the protected cell or cells and that the interests of innocent creditors of the protected cell or cells are not unreasonably impaired; and

(3) If assets or liabilities have been commingled, or have been wrongfully transferred between protected cells or between a protected cell and the general account, the Superior Court shall trace the assets and attribute them to the proper accounts, giving due consideration to the terms of any relevant governing instrument or contract. [PL 2009, c. 335, §23 (NEW).]

D. The plan of rehabilitation or liquidation of any sponsored captive insurance company must make reasonable provision for the continued operation of all solvent protected cells, which may involve the formation of one or more new sponsored captive insurance companies or the transfer of one or more protected cells. [PL 2009, c. 335, §23 (NEW).]

§6725. Branch captive insurance companies

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Alien captive insurance company" means an insurance company formed to write insurance business for its parents and affiliates and licensed pursuant to the laws of an alien jurisdiction that imposes statutory or regulatory standards in a form acceptable to the superintendent on companies transacting the business of insurance in the alien jurisdiction. [PL 2009, c. 335, §24 (NEW).]

B. "Branch business" means any insurance business transacted by a branch captive insurance company in this State. [PL 2009, c. 335, §24 (NEW).]

C. "Branch captive insurance company" means any alien captive insurance company licensed by the superintendent to transact the business of insurance in this State through a business unit with a principal place of business in this State. [PL 2009, c. 335, §24 (NEW).]

D. "Branch operations" means any business operations of a branch captive insurance company in this State. [PL 2009, c. 335, §24 (NEW).]

[PL 2009, c. 335, §24 (NEW).]

2. Establishment of a branch captive insurance company. A branch captive insurance company may be established in this State in accordance with the provisions of this chapter to write in this State only insurance or reinsurance of the employee benefit business of its parent and affiliated companies that is subject to the provisions of the federal Employee Retirement Income Security Act of 1974, as amended. In addition to the general provisions of this chapter, the provisions of this section apply to branch captive insurance companies. A branch captive insurance company may not do any insurance business in this State unless it maintains the principal place of business for its branch operations in this State.

[PL 2009, c. 335, §24 (NEW).]

3. Security required. In the case of a branch captive insurance company, as security for the payment of liabilities attributable to the branch operations, the superintendent shall require that either a trust fund funded by assets acceptable to the superintendent or an irrevocable letter of credit be established and maintained in the United States for the benefit of United States policyholders and United States ceding insurers under insurance policies issued or reinsurance contracts issued or assumed by the branch captive insurance company through its branch operations. The amount of the security may be no less than the amount set forth in section 6704, subsection 1, paragraph A and the reserves on the insurance policies or reinsurance contracts, including reserves for losses, allocated loss adjustment expenses, incurred but not reported losses and unearned premiums with regard to business written through the branch operation, except that the superintendent may permit a branch captive insurance company that is required to post security for loss reserves on branch business by its reinsurer to reduce the funds in the trust account or the amount payable under the irrevocable letter of credit required by this subsection by the same amount as long as the security remains posted with the reinsurer. If the form of security selected is a letter of credit, the letter of credit must be established by, or issued or confirmed by, a bank chartered in this State or a member bank of the Federal Reserve System.

[PL 2009, c. 335, §24 (NEW).]

4. Certificate of general good. In the case of a captive insurance company licensed as a branch captive insurance company, the alien captive insurance company shall petition the superintendent to issue a certificate setting forth the superintendent's finding that, after considering the character, reputation, financial responsibility, insurance experience and business qualifications of the officers and directors of the alien captive insurance company, the licensing and maintenance of the branch operations will promote the general good of the State. The alien captive insurance company may register to do business in this State after the superintendent's certificate is issued.
[PL 2009, c. 335, §24 (NEW).]

5. Reports. Prior to March 1st of each year, or with the approval of the superintendent within 60 days after its fiscal year-end, a branch captive insurance company shall file with the superintendent a copy of all reports and statements required to be filed under the laws of the jurisdiction in which the alien captive insurance company is formed, verified by oath of 2 of its executive officers. If the superintendent is satisfied that the annual report filed by the alien captive insurance company in its domiciliary jurisdiction provides adequate information concerning the financial condition of the alien captive insurance company, the superintendent may waive the requirement for completion of the captive annual statement for business written in the alien jurisdiction.
[PL 2009, c. 335, §24 (NEW).]

6. Examination of branch captive insurance companies. The examination of a branch captive insurance company pursuant to section 6708 must be of the branch business and branch operations only, as long as the branch captive insurance company provides annually to the superintendent a certificate of compliance, or its equivalent, issued by or filed with the licensing authority of the jurisdiction in which the branch captive insurance company is formed and demonstrates to the superintendent's satisfaction that it is operating in sound financial condition in accordance with all applicable laws and regulations of that jurisdiction. As a condition of licensure, the alien captive insurance company must grant authority to the superintendent for examination of the affairs of the alien captive insurance company in the jurisdiction in which the alien captive insurance company is formed.
[PL 2009, c. 335, §24 (NEW).]
