(b) The provider will refund the deposit with interest earned on it:

(i) In the event of the death of the prospective subscriber prior to the execution of the final continuing care agreement, unless the surviving spouse is also a subscriber and still wishes to occupy the unit; or

(ii) If the provider determines, prior to occupation by the subscriber, that the subscriber is ineligible for entrance into the facility because of the subscriber's physical, mental or financial condition;

(c) There is a nonrefundable application fee and the amount of that fee; and

(d) The subscriber may cancel the deposit agreement by written notice to the provider within 10 days from the date on which the subscriber signed the deposit agreement, in which event the provider will refund the prospective subscriber's deposit in full together with any interest earned on the deposit; and

(2) At least 10 days prior to collecting a deposit, the provider furnishes the prospective subscriber:

(a) A copy of the continuing care agreement;

(b) A copy of the disclosure statement described in section 6209;

(c) An unsigned copy of the deposit agreement described in subparagraph (1); and

(d) A copy of the escrow agreement required by paragraph E. [RR 1995, c. 2, §55 (COR).]

D. At the time the prospective subscriber first makes an initial, preliminary or other deposit, the provider may also collect a nonrefundable application fee not to exceed \$500. [PL 1987, c. 482, §1 (NEW); PL 1989, c. 343, §12 (AMD); PL 1989, c. 343, §23 (AFF).]

E. Any deposit must be deposited to an interest-bearing escrow account. The escrow agreement establishing the terms of deposit of funds shall be filed with and approved by the superintendent prior to collection of funds. The provider shall furnish the superintendent with documentation of the name of the institution with which the provider has established the escrow account and the account number. The escrowed money shall not be applied until a final certificate of authority has been issued, the facility is operational and the subscriber has occupied the unit. When a subscriber's deposit and interest earned on it are applied, the interest shall be credited to reduce the unpaid portion of that subscriber's entrance fee. [PL 1987, c. 563, §4 (AMD); PL 1989, c. 343, §13 (AMD); PL 1989, c. 343, §23 (AFF).]

F. Payments in excess of those deposits and fees under paragraphs A to D may be collected from a subscriber after a final certificate of authority has been issued by the superintendent and the subscriber has occupied the unit. Payments collected before the facility is operational must be held in the escrow account until the facility becomes operational. [PL 1987, c. 482, §1 (NEW); PL 1989, c. 343, §14 (RP); PL 1989, c. 343, §23 (AFF).]

G. [PL 1989, c. 343, §15 (NEW); PL 1989, c. 343, §23 (RP).]

H. Notwithstanding paragraph E and section 6203-B, deposits may be released from escrow to a provider that is organized as a nonprofit corporation subject to Title 13-B, as a consumer cooperative subject to Title 13, chapter 85, subchapter I or as a cooperative affordable housing corporation subject to Title 13, chapter 85, subchapter I-A, and any such provider may pledge the deposits as security for a loan to acquire, construct and develop a facility or may use the deposits to pay costs to acquire, construct and develop a facility, if:

- (1) Either of the following applies:
 - (a) Deposits for at least 10% of the entrance fee have been received from prospective subscribers for not less than 70% of the facility's residential units for which entrance fees will be charged or not less than 70% of the total entrance fees due or expected at full occupancy and the prospective subscribers have agreed in writing to such use of the deposits; or
 - (b) Deposits for at least 25% of the entrance fee have been received from prospective subscribers for not less than 60% of the facility's residential units for which entrance fees will be charged or not less than 60% of the total entrance fees due or expected at full occupancy and the prospective subscribers have agreed in writing to such use of the deposits;
- (2) The superintendent has issued a final certificate of authority to the provider;
- (3) The superintendent is satisfied that the provider has demonstrated an ability to finance and complete construction in a reasonable manner, without limitation, by showing that:
 - (a) The deposits together with other funds held by or loaned to the provider are reasonably expected to be sufficient to pay for all costs of construction and equipping of the facility; and
 - (b) The provider has obtained or has the benefit of performance and payment bonds with respect to construction of the facility; and
- (4) The superintendent is satisfied that the provider has obtained all necessary governmental permits and approvals necessary to construct the facility in accordance with all applicable laws, regulations, building codes and ordinances. [PL 1995, c. 452, §19 (NEW).]

[RR 1995, c. 2, §§54, 55 (COR).]

4. Separate facilities. If the provider intends to provide continuing care at more than one facility, the provider must obtain a separate certificate of authority for each facility at which the provider intends to provide continuing care. With the exception of unencumbered surplus funds, funds collected by one facility may not be expended for the benefit of any other facility.

[PL 1987, c. 482, §1 (NEW).]

5. Material changes. Within 60 days prior to any change in the approved continuing care agreement, any other approved form or the health care or supportive services offered, the provider shall submit the proposed change in duplicate to the superintendent for approval. The superintendent shall forward one copy to the department.

[PL 1987, c. 482, §1 (NEW).]

6. Provision of services to nonresidents. The final certificate of authority must state whether any skilled nursing facility that is part of a life-care community or a continuing care retirement community may provide services to persons who have not been bona fide residents of the community prior to admission to the skilled nursing facility. If the life-care community or the continuing care retirement community admits to its skilled nursing facility only persons who have been bona fide residents of the community prior to admission to the skilled nursing facility, then the community is exempt from the provisions of Title 22, chapter 103-A, but is subject to the licensing provisions of Title 22, chapter 405, and is entitled to only one skilled nursing facility bed for every 4 residential units in the community. Any community exempted under Title 22, chapter 103-A may admit nonresidents of the community to its skilled nursing facility only during the first 3 years of operation. For purposes of this subsection, a "bona fide resident" means a person who has been a resident of the community for a period of not less than 180 consecutive days immediately preceding admission to the nursing facility or has been a resident of the community for less than 180 consecutive days but who has been medically admitted to the nursing facility resulting from an illness or accident that occurred subsequent to residence in the

community. Any community exempted under Title 22, chapter 103-A is not entitled to and may not seek any reimbursement or financial assistance under the MaineCare program from any state or federal agency and, as a consequence, that community must continue to provide nursing facility services to any person who has been admitted to the facility.

Notwithstanding this subsection, a life-care community that holds a final certificate of authority from the superintendent and that was operational on November 18, 2002 and that is barred from seeking reimbursement or financial assistance under the MaineCare program from a state or federal agency may continue to admit nonresidents of the community to its skilled nursing facility after its first 3 years of operation with the approval of the superintendent. A life-care community that admits nonresidents to its skilled nursing facility as permitted under this subsection may continue to admit nonresidents after its first 3 years of operation only for such period as approved by the superintendent after the superintendent's consideration of the financial impact on the life-care community and the impact on the contractual rights of subscribers of the community.
