2. Uses of fund. Money credited to the fund pursuant to subsection 1 may be used by the department as provided in this subsection.

A. Money credited to the fund may be expended by the department to fund public health and safety awareness and education programs, initiatives, campaigns and activities relating to the sale and use of adult use cannabis and adult use cannabis products conducted in accordance with section 108 by the department, another state agency or department or any other public or private entity. B. C. Money credited to the fund may be expended by the department to provide reimbursement to a municipality for qualifying expenses incurred as a result of the municipality's opting to permit the operation of some or all adult use cannabis establishments within the municipality. For the purposes of this paragraph, "qualifying expenses" means legal fees and costs associated with the drafting and adoption of a warrant article or the adoption or amendment of an ordinance, including the conduct of a town meeting or election, by a municipality that opted to permit the operation of some or all cannabis establishments within the municipality. Each municipality may receive funds, not to exceed \$20,000, only once for the reimbursement of qualifying expenses in accordance with this paragraph. Nothing in this paragraph may be construed to require the department to reimburse qualifying expenses incurred by a municipality if the department determines there are insufficient funds available to provide reimbursement. Under no circumstances may a municipality submit an initial application for the reimbursement of qualifying expenses more than 3 years after the municipality adopts a warrant article or adopts or amends an ordinance to allow for the operation of some or all adult use cannabis establishments within the municipality. The department may adopt rules to implement and administer the reimbursement of qualifying expenses to municipalities. Rules adopted pursuant to this paragraph are routine technical rules as defined in

Title 5, chapter 375, subchapter 2-A. The department may not reimburse qualifying expenses under this paragraph accrued after July 1, 2027. [PL 2021, c. 645, §4 (NEW); PL 2021, c. 669, §5 (REV).]

D. Any funds remaining in the fund after expenditures made in accordance with paragraphs A to C must be used to fund:

By June 1st annually, the State Tax Assessor shall determine the cost of those deductions during the prior calendar year and report that amount to the State Controller, who shall transfer that amount from the remaining funds in the fund to the General Fund; and

(2) The cost of the position in the Bureau of Revenue Services within the department to administer the tax deductions provided pursuant to Title 36, section 5122, subsection 2, paragraph PP and Title 36, section 5200-A, subsection 2, paragraph BB. By June 1st annually, the commissioner shall determine the cost of the position in the bureau to administer those deductions during the prior calendar year and report that amount to the State Controller, who shall transfer that amount from the remaining funds in the fund to the General Fund. [PL 2023, c. 444, §1 (NEW).]

[PL 2023, c. 444, §1 (AMD).]
