2. Additional creditable service. Additional creditable service is earned by a former participant in a special plan as follows.

A. A member who has completed the service requirements for retirement under a special plan may transfer to a position not under a special plan and earn service credit for additional service retirement benefits.

(1) The part of a member's service retirement benefit based upon membership service before being transferred shall be computed according to the formula for computing benefits under the special plan that the member was under previously.

(2) The part of the member's benefit based upon membership service after being transferred shall be computed in accordance with section 18452, subsection 1. [PL 1989, c. 79, §3 (NEW).]

C. A member who has not completed the service requirements for retirement under a special plan may transfer to a position not under a special plan and shall receive service retirement benefits as follows.

(1) The part of the member's service retirement based on membership service before becoming disabled must be computed according to the formula for computing benefits under the member's previous special plan.

(2) The part of the member's service retirement based on membership service after becoming reemployed in a position not under a special plan must be computed according to the formula for computing benefits under the member's previous special plan.

(3) If the member is found to be no longer disabled, as defined in section 18501, the member may:

(a) Return to a position under the member's previous special plan; or

(b) Remain in the position that is not under a special plan and have the part of the member's service retirement benefit based on post-disability service computed in accordance with section 18452, subsection 1.

(4) The executive director may require that a member subject to this paragraph undergo medical examinations or tests once each year to determine the member's disability in accordance with section 18503.

(a) If the member refuses to submit to the examination or tests under this subparagraph, the member's retirement benefit must be based on section 17852, subsection 1, until the member withdraws the refusal.

(b) If the member's refusal under division (a) continues for one year, all the member's rights to any further benefits under this paragraph cease. [RR 2011, c. 2, §4 (COR).]

[RR 2011, c. 2, §4 (COR).]

B. [PL 2001, c. 699, §6 (RP).]

C. If the member was transferred subject to subsection 2, paragraph C, the retirement benefit must be reduced in accordance with section 18452, subsection 3. [PL 2013, c. 391, §13 (AMD).]

D. If the member was transferred subject to subsection 2, paragraph D, and:

(1) If the member completes the service or service and age requirements for retirement under the special plan the member was under previously, the retirement benefit may not be reduced; or
