Resolve, Regarding Costly Computer Processes at the Department of Health and Human Services

Sec. 1 Department of Health and Human Services payment of child care providers. Resolved: That by October 1, 2007 the Department of Health and Human Services shall amend its computer processing procedures for the reimbursement of providers of child care for children of participants in the ASPIRE program. The department must simplify the billing procedures and provide reimbursement to a child care provider through one check per month for all children of ASPIRE participants cared for by that provider.

SUMMARY

This resolve directs the Department of Health and Human Services to amend its computer processing procedures for the reimbursement of providers of child care for children of participants in the ASPIRE program by October 1, 2007. The department must simplify the billing procedures and provide reimbursement to a child care provider through one check per month for all children of ASPIRE participants cared for by that provider.
