An Act To Minimize the Potential for Slope Failure in Gravel Pits

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 38 MRSA §490-D, sub-§9, ¶C is enacted to read:

C. If a reclaimed slope or working pit is adjacent to steep slopes and a protected natural resource, measures must be taken to prevent storm water from ponding at the base of the reclaimed slope or working pit.

Effective June 30, 2008
