Amend the bill in section 1 in subsection 1-A by striking out all of paragraph B (page 1, lines 14 and 15 in L.D.) and inserting the following:

'B. May sell wholesale generation service in excess of its retail generation service as part of providing retail service in accordance with paragraph A.'

### **SUMMARY**

This amendment changes the provision in the bill regarding the sale of wholesale generation service. The amendment specifies that a consumer-owned transmission and distribution utility located in the territory administered by the independent system administrator for northern Maine may sell wholesale generation service in excess of its retail generation service when that sale of wholesale generation service is made as part of providing retail service.
