Amend the bill in section 1 in subsection 1-A in paragraph A in subparagraph (12) in the first line (page 1, line 26 in L.D.) by striking out the following: "the discipline of food science" and inserting the following: 'health disparities and representing the State's racial and ethnic minority communities'

SUMMARY

The amendment changes the member added to the Advisory Council on Health Systems Development from one with expertise in the discipline of food science to one with expertise in health disparities and representing the State's racial and ethnic minority communities.
