A person must be a resident to purchase a senior resident lifetime license under this section ~~paragraphs C and D~~. Once purchased, a resident lifetime license is valid for the life of the holder without regard to subsequent changes in the legal residence of the holder. The license entitles the holder to all fishing or hunting privileges extended to residents or nonresidents as applicable of that same age who hold the equivalent annual license and subjects the holder to all limitations and prerequisites on those fishing or hunting privileges that apply to residents or nonresidents of that same age who hold the equivalent annual license.

Notwithstanding any other provision of this section, if the commissioner determines that the sale of lifetime licenses for persons 65 years of age or older will result in a loss of license revenue to the department in any fiscal year, the commissioner shall withhold from deposit to the fund established in section 10251 an amount necessary to avoid that loss in revenue. Money withheld under this paragraph may be withheld only from revenue from the sale of lifetime licenses to persons 65 years of age or older. This paragraph is repealed on July 1, 2010.
