SUMMARY

This amendment replaces the bill but carries out the original intent to facilitate the proper and timely service of protection from harassment and protection from abuse orders.

This amendment allows the service of temporary orders and final orders when the original court orders have been electronically transmitted directly from the court issuing the order to the authorized law enforcement agency or correctional facility making the service.

This amendment ensures that a person served with an electronically transmitted order has an opportunity in a prosecution for violating the order to exercise the right to confrontation with regard to the law enforcement officer who served the order or the chief administrative officer, or the chief administrative officer's designee, of the correctional facility that served the order.
