## SUMMARY

This amendment replaces the bill. The amendment increases the maximum benefit the Maine Life and Health Insurance Guaranty Association may be obligated to cover from \$100,000 to \$250,000 for annuity benefits and structured settlement annuities. The bill proposed an increase to \$300,000. The amendment does not include any increase in the maximum benefit for net cash surrender and net cash withdrawal benefits for life insurance, which was proposed in the bill. The amendment also adds an emergency preamble and clause and provides that it applies to an insolvency of an insurance company who is a member of the Maine Life and Health Insurance Guaranty Association that occurs on or after the effective date of the Act.
