SUMMARY

This amendment establishes the Brunswick Naval Air Station Job Increment Financing Fund to receive annually from the State 50% of the increase in Maine income tax withholding attributed to employees in the base area over the tax withholding at the base level of employment for a business, with payments made to the fund allocated as follows:

1. For payments transferred to the fund in 2011 and 2012, 100% must be allocated to Southern Maine Community College for use solely to fund the costs of higher education services, including, but not limited to, faculty and staff salaries and instruction, operations, equipment, maintenance and financing costs, including, but not limited to, closing costs, issuance costs and interest paid to holders of evidences of indebtedness issued to pay for project costs and any premium paid over the principal amount of that indebtedness because of the redemption of the obligations before maturity;

2. For payments made to the fund in 2013, 75% must be allocated to the college for the uses stated above and 25% must be allocated to the Midcoast Regional Redevelopment Authority for use solely to fund the costs of municipal services in the base area, including, but not limited to, water, sewer, electricity, telecommunications, fire protection, police protection, sanitation services and the maintenance of buildings, facilities, grounds and roads; and

3. For payments made to the fund in 2014 and after, 50% must be allocated to the college and 50% must be allocated to the authority.

The amendment provides that payments to the fund will no longer be made after January 1, 2031. It requires that if at least 5,000 net new jobs are created prior to 2031, the fund must be reviewed by the joint standing committee of the Legislature having jurisdiction over economic development matters in order to determine whether continuance of the fund is necessary. The amendment also changes the name of the Maine Community College System campus of Southern Maine Community College at Brunswick Naval Air Station, the creation of which is proposed in the bill, from the Advanced Technology and Engineering Center to the Midcoast Campus.
