Amend the bill by striking out everything after the enacting clause and before the summary and inserting the following:

**Sec. 1. 17 MRSA §1831, sub-§5**, as enacted by PL 2009, c. 487, Pt. A, §2, is amended to read:

**5. Game of chance.** "Game of chance" means a game, contest, scheme or device in which:

- A. A person stakes or risks something of value for the opportunity to win something of value;
- B. The rules of operation or play require an event the result of which is determined by chance, outside the control of the contestant or participant; and
- C. Chance enters as an element that influences the outcome in a manner that cannot be eliminated through the application of skill.

A shuffle of a deck of cards, a roll of a die, a random drawing or generation of an object or some other event the result of which is determined by chance that is employed to determine impartially the initial order of play in a game, contest, scheme or device does not alone make a game, contest, scheme or device a game of chance. - A. A person pays or agrees to pay something of value for a chance, represented and differentiated by a number, to win a prize;
- B. One or more of the chances is to be designated the winning chance; and
- C. The winning chance is to be determined as a result of a drawing from a container holding numbers representative of all chances sold.

"Raffle" does not include a savings promotion raffle.

**Sec. 3. 17 MRSA §1831, sub-§14-A** is enacted to read:

**14-A. Savings promotion raffle.** "Savings promotion raffle" means a promotion offered by a financial institution as defined in Title 9B, section 131, subsection 17 or credit union as defined in Title 9B, section 131, subsection 12 in which the sole consideration required for a chance of winning the designated prize in the raffle is the deposit of at least a specified amount of money into a savings account or other savings program and in which:

- A. The savings account or other savings program provides interest at a comparable rate to other savings accounts or savings programs offered by that financial institution or credit union, with the interest accruing for the benefit of the account holder, and allows the account holder access to deposited money;
- B. The total of the designated prizes for each raffle does not exceed \$1,000 or the fair market value of \$1,000 in cases when an item or items of merchandise are the designated prizes;
- C. The promotion is offered no more than 2 times per year; and
- D. The terms and conditions of the promotion are disclosed to account holders and prospective account holders of the financial institution or credit union.

Notwithstanding section 343, the Department of Professional and Financial Regulation, Bureau of Financial Institutions shall adopt rules no later than February 1, 2011 to further define a savings promotion raffle in accordance with this subsection. Rules adopted pursuant to this subsection are major substantive rules as defined in Title 5, chapter 375, subchapter 2A.

**Sec. 4. The Superintendent of Financial Institutions shall include a recommendation to the joint standing committee of the Legislature having jurisdiction over insurance and financial services matters on whether the existing law should be amended to authorize a federally chartered financial institution or credit union to conduct a savings promotion raffle.'

## SUMMARY

This amendment is the majority report of the committee and replaces the bill. The amendment amends the definition of "game of chance" and "raffle" to exclude a savings promotion raffle conducted by a state-chartered financial institution or credit union. The amendment defines "savings promotion raffle" as a promotion in which the sole consideration for winning is the deposit of a certain amount of money in a savings account or other savings program. The amendment requires that the savings account or other savings program provide interest at comparable rates to the account holder and allow an account holder access to the savings. The amendment limits a financial institution or credit union to 2 savings promotion raffles per year and caps the total amount of designated prizes per promotion at \$1,000.

The amendment also requires the Department of Professional and Financial Regulation, Bureau of Financial Institutions to adopt rules to further define "savings promotion raffle" no later than February 1, 2011 and makes those rules subject to legislative review before final adoption. In addition, the

Superintendent of Financial Institutions shall include information on the activities of financial institutions and credit unions related to savings promotion raffles and recommend whether federally chartered financial institutions and credit unions should be authorized to conduct a savings promotion raffle in the annual report to the Legislature submitted on or before January 15, 2012.
