An Act To Amend the Tax Laws

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 30-A MRSA §706, as enacted by PL 1987, c. 737, Pt. A, §2 and Pt. C, §106 and amended by PL 1989, c. 6; c. 9, §2; and c. 104, Pt. C, §§8 and 10, is further amended to read:

§ 706. Apportionment of county tax; warrants

~~When a county tax is authorized, the county commissioners, within 30 days of that authorization, shall apportion it upon the municipalities, unorganized territory and other places in that county according to the lastmost recent state valuation and fix the date for the payment of the tax. This date may not be earlier than the first day of the following September. They may add that sum above to the sum so authorized; an amount not exceeding 2% of that sum, as if a fractional division necessitates that addition and if they demonstrate that necessity in the record of that apportionment, and issue their warrant to the assessors requiring them to immediately assess the sum apportioned to their municipality or place, and to commit their assessment to the constable or collector for collection. The county treasurer shall immediately certify the millage rate to the State Tax Assessor. The State Tax Assessor shall separately assess this millage rate upon the real and personal property in the unorganized territory within the appropriate county. The county commissioners shall establish the date for the payment of the tax. The date may not be earlier than the first day of the following September.~~

No later than the 15th of July preceding the date established for payment of the tax, the county commissioners shall issue their warrant to the assessors of the municipalities and other places and to the State Tax Assessor for the unorganized territory within that county. Those officers shall assess the sum apportioned to their tax jurisdiction and commit their assessment for collection in the same manner as other amounts to be raised by the property tax during the tax year to which the county tax warrant applies.

If a municipality or place or the State Tax Assessor must make a supplemental assessment due to failure by the county commissioners to issue their warrant by July 15th, the county must bear the costs of that supplemental assessment. Those costs may be recovered by the tax jurisdiction through an offset against the county tax that the tax jurisdiction would otherwise be required to pay over to the county.

The county may collect delinquent county taxes and charge interest on delinquent county taxes as provided under Title 36, sections 891, 892 and 892-A.

Sec. 2. 36 MRSA §111, sub-§5, as amended by PL 2009, c. 434, §4, is further amended to read:

5. Tax. "Tax" means the total amount required to be paid, withheld and paid over or collected and paid over with respect to estimated or actual tax liability under this Title, any credit or reimbursement allowed or paid pursuant to this Title that is recoverable by the assessor and any amount assessed by the State Tax Assessor assessor pursuant to this Title, including any interest or penalties provided by law. For

purposes of this chapter, "tax" also means any fee, fine, penalty or other debt owed to the State provided for by law if ~~this~~that fee, fine, penalty or other debt is subject to collection by the assessor pursuant to statute or transferred to the bureau for collection pursuant to section 112-A.

Sec. 3. 36 MRSA §186, as amended by PL 2003, c. 673, Pt. KK, §1 and affected by §3, is further amended to read:

§ 186. Interest

~~Any~~A person who fails to pay any tax, other than a tax imposed pursuant to chapter 105, on or before the last date prescribed for payment is liable for interest on the tax, calculated from that date and compounded monthly. The rate of interest for any calendar year equals the highest prime rate as published in the Wall Street Journal on the first day of September of the preceding calendar year or, if the first day of September falls on a weekend or holiday, on the next succeeding business day, rounded up to the next whole percent plus 3 percentage points. For purposes of this section, the last date prescribed for payment of tax must be determined without regard to any extension of time permitted for filing a return. A tax that is upheld on administrative or judicial review bears interest from the date on which payment would have been due in the absence of review. ~~Any tax, interest or penalty imposed by this Title~~amount that has been erroneously refunded and is recoverable by the assessor bears interest at the above rate determined pursuant to this section from the date of payment of the refund. A credit or reimbursement that has been allowed or paid pursuant to this Title and is recoverable by the assessor bears interest at the rate determined pursuant to this section from the date it was allowed or paid. Interest accrues automatically, without being assessed by the assessor, and is recoverable by the assessor in the same manner as if it were a tax assessed under this Title. If the failure to pay a tax when required is explained to the satisfaction of the assessor, the assessor may abate or waive the payment of all or any part of that interest.

Except as otherwise provided in this Title, and except for taxes imposed pursuant to chapter 105, interest; at the rate determined ~~by the assessor for underpayments~~ pursuant to this section; must be paid on overpayments of tax from the date the return listing the overpayment was filed; or the date payment was made, whichever is later.

Sec. 9. Application. This section determines the application of this Act to media production certificates issued pursuant to the Maine Revised Statutes, Title 5, section 13090L.

1. Certificates issued on or after January 1, 2010. This Act applies to visual media production certificates issued pursuant to Title 5, section 13090L on or after January 1, 2010.

2. Certificates issued prior to January 1, 2010. For media production certificates issued prior to January 1, 2010, a media production company to which a certificate has been issued is allowed a tax credit and reimbursement of wages as determined pursuant to this subsection.

A. A media production company is allowed a credit against the taxes imposed by Title 36, Part 8 in an amount equal to the Maine income tax imposed on income directly related to a certified media production.

If the media production company realizes income from a certified media production and also has Maine-source income from other sources, the credit allowed under this paragraph is based on a fraction of the media production company's entire Maine income tax liability for the year. The fraction is equal to the media production company's compensation paid during the tax year related to the certified media production divided by the media production company's total Maine compensation paid. If the calculation provided by this paragraph does not fairly reflect the tax liability associated with the media production company's certified media production, the media production company may petition for, or the State Tax Assessor may require, the employment of another reasonable method to make an equitable determination of the Maine tax associated with the media production company's certified media production. The credit allowed by this paragraph may not reduce the tax otherwise due under Title 36, Part 8 below zero and may be used only in the year in which the certified media production income is generated. Taxpayers claiming a credit under Title 36, section 5219W are not eligible for this credit.

B. A media production company is allowed reimbursement equal to 12% of certified production wages paid to employees who are residents of Maine and 10% of certified production wages paid to other employees.

C. As used in this subsection, the following terms have the following meanings.

(1) "Certified media production" has the same meaning as "certified visual media production" as that term is defined in section 6901, subsection 1.

(2) "Certified production wages" means wages that are paid during the project period by a media production company that was issued a tax reimbursement certificate and that are subject to withholding pursuant to Title 36, chapter 827. "Certified production wages" does not include any wages in excess of \$1,000,000 paid to a single individual for personal services rendered in connection with a particular certified media production.

(3) "Compensation" has the same meaning as in Title 36, section 5210, subsection 3.

(4) "Media production company" has the same meaning as in the former Title 5, section 13090L, subsection 2, paragraph B.
